 Just weeks after completing *Enter the Dragon*, his first vehicle for a worldwide audience, Bruce Lee - the self-proclaimed world's fittest man - died mysteriously at the age of thirty-two. The film has since grossed over \$500 million, making it one of the most profitable in the history of cinema, and Lee has acquired almost mythic status. Lee's was a flawed, complex yet singular talent. He revolutionized the martial arts and forever changed action movie-making. As in *The Tao of Muhammad Ali*, Davis Miller brilliantly combines biography - the fullest, most unflinching and revelatory to date - with his own coming-of-age autobiography. The result is a unique and compelling book.

 Moving to America turns H&à's life inside out. For all the 10 years of her life, H&à has only known Saigon: the thrills of its markets,

the joy of its traditions, the warmth of her friends close by, and the beauty of her very own papaya tree. But now the Vietnam War has reached her home. H&à and her family are forced to flee as Saigon falls, and they board a ship headed toward hope. In America, H&à discovers the foreign world of Alabama: the coldness of its strangers, the dullness of its food, the strange shape of its landscape, and the strength of her very own family. This is the moving story of one girl's year of change, dreams, grief, and healing as she journeys from one country to another, one life to the next.

"The straight punch is the core of Jeet Kune Do."—Bruce Lee The straight lead was a key element in Bruce Lee's development of his own personal style. It was designed to be uncomplicated, economical, and brutally effective but is not as simple as it might seem. Bruce Lee once described it the most difficult move in the Jeet Kune Do arsenal. Lee developed JKD as a response to the shortcomings he found in traditional martial arts, but it also includes elements of Western combat systems that he found effective. It incorporates contributions ranging from Jack Dempsey's approach to boxing to the fencing style of Aldo Nadi. In *The Straight Lead: The Core of Bruce Lee's Jun Fan Jeet Kune Do*, author Teri Tom describes the development of the straight punch in Western martial arts and describes Bruce Lee's refinement of the technique. It also offers a thorough instruction in the complexity and power of the move—showing martial artists of any discipline how to incorporate this devastating attack into their repertoire. With forewords by Shannon Lee Keasler and Ted Wong, chapters include: A Brief History of Straight Punching Evolution of Jeet Kune Do's Straight Lead The Stance Mechanics of the Straight Lead Footwork Why the Straight Lead? Application Speed Variations of the Straight Punch What Jun Fan Jeet Kune Do is Not Go to the Source An Interview with Ted Wong

Letters of the Dragon: Correspondence, 1958-1973 is a fascinating glimpse of the private Bruce Lee behind the public image. It portrays a man with the patience and concern to dedicate as much effort to crafting a thoughtful personal answer to the letter of a young fan as to those from his old friends and associates; an extremely active man never too busy to make time for an old family friend in need of simple companionship; a man who never wrote without careful thought, and never thought from the heard alone, but always from the head and heart together. The letters in this inspiring book track Bruce Lee's career and development from his decision, made while he was still in secondary school, to move to the US to further his education, through the many setbacks, redirected efforts, and triumphs of life that shaped his martial art and humanity, all the way to the last letter he ever composed, just hours before his sudden death. After absorbing the letters in this volume, the reader will inevitably find that the private Bruce Lee was every bit as great as the public Bruce Lee, and deeper and broader by far. *Letters of the Dragon: Correspondence, 1958-1973* is conclusive evidence that a life lived well is never too short a life. This Bruce Lee Book is part of the Bruce Lee Library which also features: *Bruce Lee: Striking Thoughts* *Bruce Lee: The Celebrated Life of the Golden Dragon* *Bruce Lee: The Tao of Gung Fu* *Bruce Lee: Artist of Life* *Bruce Lee: The Art of Expressing the Human Body* *Bruce Lee: Jeet Kune Do*

Bruce Lee Media Lab Books

The "definitive" (The New York Times) biography of film legend Bruce Lee, who made martial arts a global phenomenon, bridged

the divide between eastern and western cultures, and smashed long-held stereotypes of Asians and Asian-Americans. Forty-five years after Bruce Lee's sudden death at age thirty-two, journalist and bestselling author Matthew Polly has written the definitive account of Lee's life. It's also one of the only accounts; incredibly, there has never been an authoritative biography of Lee. Following a decade of research that included conducting more than one hundred interviews with Lee's family, friends, business associates, and even the actress in whose bed Lee died, Polly has constructed a complex, humane portrait of the icon. Polly explores Lee's early years as a child star in Hong Kong cinema; his actor father's struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up; his beginnings as a martial arts teacher, eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen; his struggles as an Asian-American actor in Hollywood and frustration seeing role after role he auditioned for go to a white actors in eye makeup; his eventual triumph as a leading man; his challenges juggling a sky-rocketing career with his duties as a father and husband; and his shocking end that to this day is still shrouded in mystery. Polly breaks down the myths surrounding Bruce Lee and argues that, contrary to popular belief, he was an ambitious actor who was obsessed with the martial arts—not a kung-fu guru who just so happened to make a couple of movies. This is an honest, revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen.

Letters of the Dragon: Correspondence, 1958-1973 is a fascinating glimpse of the private Bruce Lee behind the public image. So much has been written about Bruce Lee—the martial arts superstar whose combination of strength, agility and charisma are legendary—but seldom are we able to see beneath the veneer of Lee's public image to view his inner self. Bruce Lee *Letters of the Dragon* does just that—offering a highly personal view of the man through the letters he wrote to his close friends and family from his teenage years right up until his untimely death in 1973 at the tender age of 32. This unparalleled collection of Bruce Lee's personal correspondence begins with his high school days in Hong Kong and continues throughout the period when he was working as a successful actor in America and Hong Kong, right up until the time he died. During this period he was also developing radically new concepts about Asian martial arts—including his own Jeet Kune Do martial arts system. In these letters, we can see all the optimism, tenacity, integrity and intense loyalty for which Bruce Lee is known and adored by millions of fans today. More than a fascinating chronicle of his rise to superstardom, these letters offer intimate glimpses of the artist, husband, father and friend behind the legend. "Remembering the Master is a glimpse into the lives of Bruce Lee and James Yimm Lee, related through the memories of those closest to them during the Oakland years, where they changed the course of martial arts history with the creation of Jeet Kune Do"--Provided by publisher.

[Biography of Bruce Lee](#) Tuttle Publishing

In the months leading up to his death, Bruce Lee was working on this definitive study of the Chinese martial arts--collectively known as Kung Fu or Gung Fu. This book has now been edited and is published here for the first time in its entirety. Bruce Lee totally revolutionized the practice of martial arts and brought them into the modern world--by promoting the idea that students have the right to pick and choose those techniques and training regimens which suit their own personal needs and fighting styles. He developed a new style of his own called Jeet Kune Do--combining many elements from different masters and different traditions. This was considered heretical at the time within martial arts circles, where one was expected to study with only a single master--and Lee was the first martial artist to attempt this. Today he is revered as the "father" of martial arts practice

around the world--including Mixed Martial Arts. In addition to presenting the fundamental techniques, mindset and training methods of traditional Chinese martial arts, this martial art treatise explores such esoteric topics as Taoism and Zen as applied to Gung Fu, Eastern and Western fitness regimens and self-defense techniques. Also included is a Gung Fu "scrapbook" of Bruce Lee's own personal anecdotes regarding the history and traditions of the martial arts of China. After Lee's death, his manuscript was completed and edited by martial arts expert John Little in cooperation with the Bruce Lee Estate. This book features an introduction by his wife, Linda Lee Cadwell and a foreword from his close friend and student, Taky Kimura. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

Bruce Lee: Letters of the Dragon Bruce Lee Letters of the Dragon Throughout their friendship, Bruce Lee wrote George Lee letters on a regular basis. Those letters touched on everything from martial arts and philosophy to George's creation of workout equipment for Bruce's daily training. These letters express friendship and appreciation for a man Bruce Lee called his friend. Periodically, George would take the letters out of a box, read them, and then reflect on the moments he and Bruce shared as close friends. We've heard of Bruce Lee the man and legend. Until now, however, we did not know Bruce Lee the friend. The letters in this book document the close friendship that George Lee and Bruce Lee shared. This book is for everyone who wants to know more about Bruce Lee behind the scenes and the friendship only a few knew about. Book jacket.
