Free delivery for many products! European Weapons and Armour: From the Renaissance to the ... The story of arms in Western Europe from the Renaissance to the Industrial Revolution. Both a work of scholarship, and a treasury of information, for anyone seeking a factual and vivid account of the story of arms from the Renaissance period to the Industrial Revolution. The author chooses as his starting-point the invasion of Italy by France in 1494, which sowed the dragon's teeth of all the successive European wars; the French invasion was to accelerate the

trend towards new armaments and ... European Weapons and Armour - Boydell and Brewer A falchion (from Old French *fauchon*, ultimately from Latin *falx* "sickle") is a one-handed, single-edged sword of European origin, whose design is reminiscent of the Persian scimitar. The weapon combined the weight and power of an axe with the versatility of a sword.
