*Teaching Playwriting* A&C Black

Originally published in 2005, *To Be A Playwright* is an insightful and detailed guide to the craft of playwriting. Part memoir and part how-to guide, this useful book outlines the tools and techniques necessary to the aspiring playwright. Comprised of a collection of memoirs and lectures which blend seamlessly to deliver a practical hands-on guide to playwriting, this book illuminates the elusive challenges confronting creators of dynamic expression and offers a roadmap to craft of playwriting.

New Tools from the Dramatic Writer's Companion Cambridge University Press

If you've ever dreamed of being in charge of your own network, cable, or web series, then this is the book for you. The *TV Showrunner's Roadmap* provides you with the tools for creating, writing, and managing your own hit show. Combining his 20+ years as a working screenwriter and UCLA professor, Neil Landau expertly guides you through 21 essential insights to the creation of a successful show, and takes you behind the scenes with exclusive and enlightening interviews with showrunners from some of TV's most lauded series, including: *Breaking Bad* *Homeland* *Scandal* *Modern Family* *The Walking Dead* *Once Upon a Time* *Lost* *House, M.D.* *Friday Night Lights* *The Good Wife* From conception to final rewrite, *The TV Showrunner's Roadmap* is an invaluable resource for anyone seeking to create a series that won't run out of steam after the first few episodes. This groundbreaking guide features a companion website with additional interviews and bonus materials. [www.focalpress.com/cw/landau](http://www.focalpress.com/cw/landau) So grab your laptop, dig out that stalled spec script, and buckle up. Welcome to the fast lane.

*Life Writing* Bloomsbury Publishing

Introduces the life and work of the English author, with critiques on his major works and an analysis of his contributions to the field of world literature.

*The Cambridge Companion to Creative Writing* University of Chicago Press

"HELP! My Students Can't Write!" Why You Need a Writing Revolution in Your Classroom and How to Lead It. *The Writing Revolution (TWR)* provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, TWR can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop

analytical capabilities TWR is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

A Writers' and Artists' Companion CRC Press

Surveys important Greek and Roman authors, plays, characters, genres, historical figures and more. Scripting the Environment *The Dramatic Writer's Companion*, Second Edition Tools to Develop Characters, Cause Scenes, and Build Stories

Moss Hart once said that you never really learn how to write a play; you only learn how to write this play. Crafted with that adage in mind, *The Dramatic Writer's Companion* is designed to help writers explore their own ideas in order to develop the script in front of them. No ordinary guide to plotting, this handbook starts with the principle that character is key. "The character is not something added to the scene or to the story," writes author Will Dunne. "Rather, the character is the scene. The character is the story." Having spent decades working with dramatists to refine and expand their existing plays and screenplays, Dunne effortlessly blends condensed dramatic theory with specific action steps—over sixty workshop-tested exercises that can be adapted to virtually any individual writing process and dramatic script. Dunne's in-depth method is both instinctual and intellectual, allowing writers to discover new actions for their characters and new directions for their stories. Dunne's own experience is a crucial element of this guide. His plays have been selected by the Eugene O'Neill Theatre Center for three U.S. National Playwrights Conferences and have earned numerous honors, including a Charles MacArthur Fellowship, four Bay Area Theatre Critics Circle Awards, and two Drama-Logue Playwriting Awards. Thousands of individuals have already benefited from his workshops, and *The Dramatic Writer's Companion* promises to bring his remarkable creative method to an even wider audience.

**A Spirited Companion and Lively Muse for the Writing Life** New World Library

*The Director as Collaborator* teaches essential directing skills while emphasizing how directors and theater productions benefit from collaboration. Good collaboration occurs when the director shares responsibility for the artistic creation with the entire production team, including actors, designers, stage managers, and technical staff. Leadership does not preclude collaboration; in theater, these concepts can and should be complementary. Students will develop their abilities by directing short scenes and plays and by participating in group exercises. New to the second edition: updated interviews, exercises, forms, and appendices new chapter on technology including digital research, previsualization and drafting programs, and web-sharing sites new chapter on devised and

ensemble-based works new chapter on immersive theater, including material and exercises on environmental staging and audience-performer interaction

**The Routledge Companion to Drama in Education** Infobase Publishing

The drama of the English Middle Ages is perennially popular with students and theatre audiences alike, and this is an updated edition of a book which has established itself as a standard guide to the field. The Cambridge Companion to Medieval English Theatre, second edition continues to provide an authoritative introduction and an up-to-date, illustrated guide to the mystery cycles, morality drama and saints' plays which flourished from the late fourteenth to the mid-sixteenth centuries. The book emphasises regional diversity in the period and engages with the literary and particularly the theatrical values of the plays. Existing chapters have been revised and updated where necessary, and there are three entirely new chapters, including one on the cultural significance of early drama. A thoroughly revised reference section includes a guide to scholarship and criticism, an enlarged classified bibliography and a chronological table.

**The Cambridge Companion to Roman Comedy** John Wiley & Sons

Former private investigator and New York Times notable author David Corbett offers a unique and indispensable toolkit for creating characters that come vividly to life on the page and linger in memory. Corbett provides an inventive, inspiring, and vastly entertaining blueprint to all the elements of characterization—from initial inspiration to realization—with special insights into the power of secrets and contradictions, the embodiment of roles, managing the "tyranny of motive," and mastering crucial techniques required for memorable dialogue and unforgettable scenes. This is a how-to guide for both aspiring and accomplished writers that renders all other books of its kind obsolete.

**Cite Right, Second Edition** University of Chicago Press

When a dissertation crosses my desk, I usually want to grab it by its metaphorical lapels and give it a good shake. "You know something!" I would say if it could hear me. "Now tell it to us in language we can understand!" Since its publication in 2005, *From Dissertation to Book* has helped thousands of young academic authors get their books beyond the thesis committee and into the hands of interested publishers and general readers. Now revised and updated to reflect the evolution of scholarly publishing, this edition includes a new chapter arguing that the future of academic writing is in the hands of young scholars who must create work that meets the broader expectations of readers rather than the narrow requirements of academic committees. At the heart of *From Dissertation to Book* is the idea that revising the dissertation is fundamentally a process of shifting its focus from the concerns of a narrow audience—a committee or advisors—to those of a broader scholarly audience that wants writing to be both informative and engaging. William Germano offers clear guidance on how to do this, with advice on such topics as rethinking the table of contents, taming runaway footnotes, shaping chapter length, and confronting the limitations of jargon, alongside helpful timetables for light or heavy revision. Germano draws on his years of experience in both academia and publishing to show writers how to turn a dissertation into a book that an audience will actually enjoy, whether reading on a page or a screen. Germano also acknowledges that not all dissertations can or even should become books and explores other, often overlooked, options, such as turning them into journal articles or chapters in an edited work. With clear

directions, engaging examples, and an eye for the idiosyncrasies of academic writing, *From Dissertation to Book* reveals to recent PhDs the secrets of careful and thoughtful revision—a skill that will be truly invaluable as they add "author" to their curriculum vitae.

Taylor & Francis

This introductory creative writing text uses a unique, multi-genre approach to provide students with a broad-based knowledge of their craft, treating them as professional writers. Beginning by discussing elements common to all genres, this book underscores the importance of learning good writing habits before committing to a genre, encouraging writers to look beyond their genre expectations and learn from other forms. The book then devotes one chapter to each of the major literary genres: fiction, poetry, drama and creative nonfiction. These style-specific sections provide depth as they compare the different genres, furnishing students with a comprehensive understanding of creative writing as a discipline and fostering creativity. The discussion concludes with a chapter on digital media and an appendix on literary citizenship and publishing. With exercises at the end of each chapter, a glossary of literary terms, and a list of resources for further study, *A Writer's Craft* is the ideal companion to an introductory creative writing class. It has been listed as one of the 'Best Books for Writers' by *Poets and Writers* magazine.

*Creativity in Practice* Greenwood

Explains the importance of using citations; outlines the various styles, including APA, MLA, and Chicago; and offers examples for each from a wide range of sources.

**The Facts on File Companion to Classical Drama** Greenwood Publishing Group

This updated Companion offers students crucial guidance on virtually every aspect of the work of this complex and controversial writer. It brings together the contrasting views of major critics and active practitioners, and this edition introduces more voices and themes. The opening essays place Brecht's creative work in its historical and biographical context and are followed by chapters on single texts, from *The Threepenny Opera* to *The Caucasian Chalk Circle*, on some early plays and on the *Lehrstücke*. Other essays analyse Brecht's directing, his poetry, his interest in music and his work with actors. This revised edition also contains additional essays on his early experience of cabaret, his significance in the development of film theory and his unique approach to dramaturgy. A detailed calendar of Brecht's life and work and a selective bibliography of English criticism complete this provocative overview of a writer who constantly aimed to provoke.

*The Cambridge Companion to Brecht* University of Chicago Press

Since its publication in 2004, *Doing Honest Work in College* has become an integral part of academic integrity and first-year experience programs across the country. This helpful guide explains the principles of academic integrity in a clear, straightforward way and shows students how to apply them in all academic situations—from paper writing and independent research to study groups and lab work. Teachers can use this book to open a discussion with their students about these difficult issues. Students will find a trusted resource for citation help whether they are studying comparative literature or computer science. Every major reference style is represented. Most important of all, many universities that adopt this book report a reduction in cheating and plagiarism on campus. For this second edition, Charles Lipson has updated hundreds of examples and included many new media sources. There is now a full chapter on how to take good notes and use them properly in

papers and assignments. The extensive list of citation styles incorporates guidelines from the American Anthropological Association. The result is the definitive resource on academic integrity that students can use every day. “Georgetown’s entering class will discover that we actually have given them what we expect will be a very useful book, *Doing Honest Work in College*. It will be one of the first things students see on their residence hall desks when they move in, and we hope they will realize how important the topic is.”—James J. O’Donnell, Provost, Georgetown University “A useful book to keep on your reference shelf.”—Bonita L. Wilcox, English Leadership Quarterly *From Dissertation to Book, Second Edition* University of Chicago Press

The last century was characterised by an extraordinary flowering of the art of poetry in Britain. These specially commissioned essays by some of the most highly regarded poetry critics offer a stimulating and reliable overview of English poetry of the twentieth century. The opening section on contexts will both orientate readers relatively new to the field and provide provocative syntheses for those already familiar with it. Following the terms introduced by this section, individual chapters cover many ways of looking at the 'modern', the 'modernist' and the 'postmodern'. The core of the volume is made up of extensive discussions of individual poets, from W. B. Yeats and W. H. Auden to contemporary poets such as Simon Armitage and Carol Ann Duffy. In its coverage of the development, themes and contexts of modern poetry, this Companion is the most useful guide available for students, lecturers and readers.

**The Cambridge Companion to Theatre History** John Wiley & Sons

Playwriting is a skill under-explored in the classroom, despite the strong evidence that it's an engaging and rewarding activity for young people. Teaching Playwriting addresses this gap and is an essential resource for teachers wanting to gain the skills and confidence necessary to introduce playwriting to their students. Based on rich research and clearly explained theoretical concepts, the book explores the lessons from creativity theory that will provide the teacher with the skills and knowledge necessary to empower students' writing and creativity. It also includes extensive practical activities and writing exercises to develop students' playwriting proficiency and creative capacity. Discussing key concepts in playwriting such as idea, dialogue, character, action and structure, the book enables teachers to respond to the unique learning needs of their students and help them tell their stories and reach their potential as young playwrights.

**The Dramatic Writer's Companion, Second Edition** The Rosen Publishing Group, Inc  
Ideal for courses, this Companion examines the range, historical importance, and aesthetic merit of women's writing in Britain, 1500-1700.

**Tools for the Working Actor** Penguin

Creative writing has become a highly professionalised academic discipline, with popular courses and prestigious degree programmes worldwide. This book is a must for all students and teachers of creative writing, indeed for anyone who aspires to be a published writer. It engages with a complex art in an accessible manner, addressing concepts important to the rapidly growing field of creative writing, while maintaining a strong craft emphasis, analysing exemplary models of writing and providing related writing exercises. Written by professional writers and teachers of writing, the chapters deal with specific genres or forms - ranging from the novel to new media - or with significant topics that explore the cutting edge state of creative writing internationally (including

creative writing and science, contemporary publishing and new workshop approaches).

**How to Master Premise and Story Development for Writing Success** Cambridge University Press

In just eight years, *The Dramatic Writer's Companion* has become a classic among playwrights and screenwriters. Thousands have used its self-contained character, scene, and story exercises to spark creativity, hone their writing, and improve their scripts. Having spent decades working with dramatists to refine and expand their existing plays and screenplays, Dunne effortlessly blends condensed dramatic theory with specific action steps—over sixty workshop-tested exercises that can be adapted to virtually any individual writing process and dramatic script. Dunne's in-depth method is both instinctual and intellectual, allowing writers to discover new actions for their characters and new directions for their stories. The exercises can be used by those just starting the writing process and by those who have scripts already in development. With each exercise rooted in real-life issues from Dunne's workshops, readers of this companion will find the combined experiences of more than fifteen hundred workshops in a single guide. This second edition is fully aligned with a brand-new companion book, *Character, Scene, and Story*, which offers forty-two additional activities to help writers more fully develop their scripts. The two books include cross-references between related exercises, though each volume can also stand alone. No ordinary guide to plotting, this handbook centers on the principle that character is key. “The character is not something added to the scene or to the story,” writes Dunne. “Rather, the character is the scene. The character is the story.” With this new edition, Dunne's remarkable creative method will continue to be the go-to source for anyone hoping to take their story to the stage.

**Scott Turow** Theatre Communications Group

#1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she's showing us how to put those ideas into practice so we can step up and lead. Look for Brené Brown's new podcast, *Dare to Lead*, as well as her ongoing podcast *Unlocking Us!* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic

organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable,

observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read Daring Greatly and Rising Strong or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.
