 Trusts are either express trusts (that is, a trust created intentionally by an act of the settlor), or trusts

imposed by law. There are three types of trust that are imposed by law: Statutory trusts. Trust | Practical Law
 The trust is generally known to be the most new contribution to the English legal system. Today, in all common law systems, trusts play an important role, and their achievement has directed some civil law jurisdictions to integrate trusts into their civil codes, like France since 2007, and amended in 2009.
 Law of Trust Distinguished
 Trust, in Anglo-American law, a relationship between persons in which one has the power to manage property and the other has the privilege of receiving the benefits from that property. There is no precise equivalent to the trust in civil-law systems.
