Success is neither an inheritance, nor an accident. It is God's plan. Total Success Ministries Letter To Pastors Dear Pastors and Leaders, Please allow me to introduce

Total Success Ministries; dedicated to helping people understand that God is our provider. God has laid it upon my heart to help people know His will through their finances. Even though we need to work, is not our source of supply. God is our source of supply. It is a difficult balance - working to obtain things but looking to God as the provider of all things -- and we all need to be reminded of the need for this balance time and again. We all tend to loose sight

of this fact and think of our job as our provider and our focus gets clouded. And then more and more of our time is spent on material pursuits with little time left for the "spiritual" aspects of life. This results in more stress and far less of the peace that we all can have when our focus is on God and not on our own abilities. No doubt, there are many in your congregation who are struggling with this lack of balance right now and would

benefit from learning of success from God's perspective. A Total Success seminar will help people live from God's point of view and grow in their faith in God. Please visit our web site at www.total-success.org where we have posted all the information you need to judge us. As you can see, the focus of the seminar is so much on the spiritual aspects and not on how to manage your money. Please examine these materials and prayerfully consider how those you minister to may benefit from learning more through a Total Success Seminar held in your church. In HIS service, Indira Patro Total Success Ministries

Seeds of Sin produce bad fruit filled with secrets. Secrets have a way of finding their way to the surface. Post World War II finds a farming family in the Yakima Valley of Washington State becoming aware secrets cannot be held in check. Walter Mason has never-ending problems of weather, Mexican migrant workers, the impending death of his wife, and after 18 years, long held secrets have risen to the surface. Secrets he thought would always

be just that, secrets. Like ripples of a wheat field in the wind, one secret opens another. Secrets of adultery and adoption, lead to suicide, murder and more. The ripple spreads wide, becoming a wave that rocks residents of the peaceful farming valley 'Eat the apple that falls in your garden.do not try to learn where it came from and you will be content"

The book, *Planting Spiritual Seeds and Uprooting Spiritual Trees: A to Z Prayer Points*, is an inspirational spiritual book of prayer. This is a book that compares physical seeds with spiritual seeds, with the aim to enlighten the eyes of understanding of readers that nothing happens by chance. What you sow, you reap—both in the physical and in the spiritual. If you sow good seeds, you reap good harvest. Conversely, if you sow bad seeds, you reap bad harvest. Therefore, consciousness of the nature of seeds one sows and receives is very important because life and death are in the power of the tongue. Furthermore, the book teaches us to uproot what we do not want and establish what we want in our lives

through prayers.

The Power of Right Thinking Seeds of Iniquity Victor Faust's new Order is growing. Business is good as there is no rest for the wicked in an underground world of hardcore criminals and contract killing. Relationships among the operatives have changed little over the past year--but things are about to change now, and all six high-ranking members of the new Order will be blindsided by an unlikely enemy. Loved ones whose only ties to Victor's organization are their relationships with its members, are abducted. The price to get them back safely--the six must confess their deepest, darkest secret to this mysterious young woman named Nora, who is as deadly as she is beautiful, and who seems to know more about each of them than they know about each other. And although no one has any clue about who Nora really is, it becomes clear that she also isn't who she appears to be. So much more is at stake than secrets and the lives of innocent loved ones; with each member that Nora forces to confess, the truth about their dark pasts and their present objectives will cast suspicion, pit some against each other, and may tear

others apart. Before the game is over everyone will know who this woman is and why she is here, but the damage she will leave in her wake could be the beginning of the new Order's destruction. Whose dark secret will be the darkest of all? And can Victor's Order survive any of them? Seeds of Iniquity
GOOD GUYS AND BAD GUYS REVEALED! RETHINK AND REPENT, FOR THE TRUE KINGDOM OF GOD HAS COME!! THE CURRENT GLOBAL WARMING IS A GLOBAL WARNING INDEED!!! THE TWO SEEDS book takes the Multifaceted Law of Double Reference (the major tool to decode all Scriptures) into another facet with the revelation of the GOOD GUYS and BAD GUYS. Understanding this Law that guides the Law of Faith is what promotes us from Babes Christians to Mature Christians (Heb. 5:13-14, Matt. 13:52). Know for sure that a Babe (a Christian who lives in the flesh) cannot please the Lord (Rom. 8:5-8, 1Cor. 3:1-4) nor reign in life (Gal. 4:1-2). Only the Mature Christian can please the Lord (Heb. 11:6) because he is a possessor of the true Faith. Most things in life have two sides, for example, Head and Tail, Right and Left, Male and Female, Light and

Darkness, White and Black, New and Old, Good and Bad, Up and Down, Joy and Sorrow, Positive and Negative, 1st Leg or Coming and 2nd Leg or Coming, Beginning and End etc to make up the TWO WITNESSES of things (see Duet. 19:15, Matt. 18:16, 2Cor. 13:1, Luke 10:1, Eccles. 4:9). One prophet may speak of the Tail or Left or New while the other or even the same prophet speaks differently on the Head or Right or Old e.g. earth is forever (Ps. 104:5, Is. 60:21) and earth is NOT forever (Matt. 24:35, Ps. 102:25-26, Is. 51:6, 2Pet. 3:10) yet no prophet is wrong. Hence, no one should DISAGREE or speak against any Bible prophet just because what you want to hear is different from what you need to hear from the prophet of God. All prophets are like brothers pointing to one Father or like road-signs pointing to one Destination - which is JESUS. Humanity must not be divided on prophets (see 1Cor. 3:4-6) as in many religions with the many denominations. Humanity must be UNITED (Eph. 1:10) on JESUS - the Unification of all things for Global - Peace. Looking unto Jesus (Heb. 12:2) - the Pointed and not unto any prophet or any man - the Pointer. See 2Pet. 1:20. What a

man knows is under his control but what he doesn't know is above him and will control him. The same heat that softens and refines the Gold (BELIEVER) is the same heat that hardens and destroys the Clay (UNBELIEVER). Strive to enter into the true kingdom of God because most people are only interested in their own kingdoms (Luke 13:24-30, Phil. 2:20-21). Refuse to be limited by their limitations. Get out of the prophesied Second Babylonian Captivity in (Rev. 18:2)! Get out of mind captivity!! Be unlimited for true freedom!!! By the Grace of God, the whole world is my classroom. I am the Authorized Teacher to TEACH the meek humanity to KNOW the Complete and Perfect KNOWLEDGE (Col. 4:12) of the true Righteousness, true Peace and true Joy of the true Kingdom of God so as to live (John 17:3, Matt. 12:32, Matt. 6:33) and not die (Ps. 118:17-29). Stay alive and well by staying connected to the greatest spiritual NETWORK for the deepest, widest and highest divine information. It is better to be a living lamb or even a wounded dog than to be a dead lion. Complete and Perfect knowledge bring Complete and Perfect SALVATION! God so Loves you and

I Love you too! Taye the Peace-Baptiser. *Planting Spiritual Seeds and Uprooting Spiritual Trees* XinXii
 God is calling the Church out of the wilderness of unbelief and into His promised land of faith and abundance. Unbelief: The Deadly Sin speaks of how this sin has robbed many of their destiny and inheritance in Christ. This book will inspire you to take hold of what Satan has stolen from you. In every area of your life, it will teach you how to apply biblical principles that will set you free from your past and from the strongholds of Satan. God's desire is to fully restore us to deepest intimacy with Him through repentance and a total surrender of our wills to Him. He is calling His Church to rise up into a greater power and authority through the power of the cross, and to walk in mighty signs, wonders, and miracles. Jesus is calling forth a "Joshua generation"—a holy "remnant" in this hour that will walk in power. The sacrifice will be great, but the rewards of surrendering everything to Jesus will far outweigh the losses. God's inspired prophetic words in this book will awaken a new passion and desire in your heart to take hold of God's

end-time plan and purpose for your life. **Seeds of Knowledge** Johns Hopkins University Press
 Choice is not the same as free moral agency. Choice is scriptural, while free moral agency is not. Free moral agency has the connotation that man has the ability to become God. Choice is our decision to allow God to perfect himself in us through the pitfalls of life. Although affliction cometh not forth of the dust, neither doth trouble spring out of the ground; Yet man is born unto trouble, as the sparks fly upward (Job 5:6-7). **Father Forgive Me** J.A. As celebrations of the five-hundredth anniversary of Martin Luther's initiation of the most dramatic reform movement in the history of Christianity approach, 47 essays by historians and theologians from 15 countries provide insight into the background and context, the content, and the impact of his way of thought. Nineteenth-century Chinese educational reformers, twentieth-century African and Indian social reformers, German philosophers and Christians of many traditions on every continent have found in Luther's writings stimulation and provocation for addressing modern problems. This volume offers studies of the late medieval intellectual milieu in which his thought was formed, the hermeneutical principles that guided his reading and application of the Bible, the content of his formulations of Christian teaching on specific topics, his social and ethic thought, the ways in which his contemporaries, both supporters and opponents, helped shape his ideas, the role of specific genre in developing his positions on issues of the day, and the influences he has exercised in the past

and continues to exercise today in various parts of the world and the Christian church. Authors synthesize the scholarly debates and analysis of Luther's thinking and point to future areas of research and exploration of his thought.

I protected this girl for as long as I could until my lifestyle finally caught up with me. It was a cold winter's day. I was on my way to take Terrianna back to Tammy's house. We couldn't to maintain a relationship, but we saw eyes -to-eye when it came to Terri. Sitting here as my eyes meet the darkness, my one last wish is that I would get a chance to confess to my daughter a few secrets of my own.

They spent two short but unforgettable years together, full of lust and killing and the darkest kind of love that two people can share. And then Seraphina was gone. It's been six years since Fredrik's lover and sadistic partner in crime turned his world upside-down. Seraphina went into hiding and has eluded him ever since. Now, he's getting closer to finding her, and an innocent woman named Cassia is the key to drawing Seraphina from the shadows. But Cassia—after sustaining injuries from a fire that Seraphina ignited—suffers from amnesia and can't give Fredrik the information he desperately seeks. Having no other choice, Fredrik has been keeping

Cassia locked in his basement as he not only tries to get her to recall her past—because she and Seraphina share it—but also to protect her from Seraphina, who clearly wants her dead. But Cassia is a light in the darkness that Fredrik never believed existed. After a year subjected to her kindness and compassion, he finds himself struggling with his love for Seraphina and his growing feelings for Cassia—because he knows that to love one, the other must die. Will light win out over darkness, or will something more powerful than either further destroy an already tortured soul?

Angelic revelations concerning the origin, ultimatum, and destiny of the human spirit [by W. Oxley]. Lulu.com

How many times do we wonder why we are ill-prepared for the darkness that tries to assail us daily and become victims instead of victors? It is all based on the soil/ground into which the seed of knowledge, the promise, the revelation is sown that determines what is done during the darkness and the results of our harvest. This book will disclose an understanding that the soil in which the seeds are sown is the condition of our heart at any given moment. We will learn

how to always harvest a crop that will bring forth fruit some thirtyfold, some sixty, and some a hundred. Presently some of us are in a storm, and it is pounding furiously. We feel undone. Have we allowed the cares of the world, the deceitfulness of riches, our finances, our children, our job, our country's unrest, politics, etc. to overwhelm us? Have we forgotten our God is infinite, unlimited, and able to perform his word? God's word is efficacious. If it is not performing God's will in our life, it is time to understand the importance of our heart's condition at the time the seed of knowledge is sown.

The Book of Revelation (chapter 12) narrates a phenomenon that most readers will find incredible. Given a view of a period of time in Heaven, Apostle John saw and reported: "Then war broke out in Heaven; Michael and his angels went forth to battle with the dragon, and the dragon and his angels fought." He actually saw Archangel Michael and His army of Angels in all out war against a dragon; and the

Dragon and his Angels fought back. However, the Dragon and his Angels did not prevail: they were defeated and violently cast out of and down from Heaven: "And the huge dragon was cast down and out that ancient serpent, who is called the Devil and Satan, he who is the seducer (deceiver) of all Humanity the World over; he was forced out and down to the Earth, and his angels were flung out along with him." Further, the Warriors who vanquished this huge dragon called the Devil and Satan: "And they have overcome (conquered) him by means of the blood of the Lamb and by the utterance of their testimony, for they did not love and cling to life even when faced with death [holding their lives cheap till they had to die for their witnessing]." This was a War in which the armaments were the blood of the Lamb and by the utterance of their testimony This was a War of Words! This War would continue on Earth. After the Fall of Man, the War on Earth between the Two Seeds would be a War of the Spirit Beings; fought through Human Beings, and other living things, to the detriment of those who make the wrong choices during the battles to Save the World of Man! How did

it begin and how will it end? This is one question every Believer is, literally, dying to know. So did Prophet Daniel (12v8): "And I heard, but I did not understand. Then I said: O my lord, what shall be the issue and final end of these things? The issue and final end of these things become evident as we trawl through Holy Scriptures and the histories of Man, as has been attempted in the 800 pages of this book.

Over time she forgot what it was like to live a normal life, but she never let go of her hope to escape the compound where she has been held for the past nine years. Victor is a cold-blooded assassin who, like Sarai, has known only death and violence since he was a young boy. When Victor arrives at the compound to collect details and payment for a hit, Sarai sees him as her only opportunity for escape. But things don't go as planned, and instead of finding transport back to Tucson, she finds herself free from one dangerous man and caught in the clutches of another. While on the run, Victor strays from his primal nature as he succumbs to his conscience and resolves to help Sarai. As they grow closer, he finds himself willing to risk everything to keep her alive, even his relationship with his devoted brother and liaison, Niklas, who now, like everyone else, wants Sarai dead. As Victor and Sarai slowly build trust, the differences between them

seem to lessen, and an unlikely attraction intensifies. But Victor's brutal skills and

experience may not be enough, in the end, to save her, as the power she

unknowingly holds over him may ultimately be what gets her killed.
