MARELI SARIAH

The Family Way Hachette+ORM

"Much like Donna Tartt's *The Secret History*, M. L. Rio's sparkling debut is a richly layered story of love, friendship, and obsession...will keep you riveted through its final, electrifying moments." —Cynthia D'Aprix Sweeney, *New York Times* bestselling author of *The Nest* "Nerdily (and winningly) in love with Shakespeare...Readable, smart." —*New York Times Book Review* On the day Oliver Marks is released from jail, the man who put him there is waiting at the door. Detective Colborne wants to know the truth, and after ten years, Oliver is finally ready to tell it. A decade ago: Oliver is one of seven young Shakespearean actors at Dellecher Classical Conservatory, a place of keen ambition and fierce competition. In this secluded world of firelight and leather-bound books, Oliver and his friends play the same roles onstage and off: hero, villain, tyrant, temptress, ingénue, extras. But in their fourth and final year, good-natured rivalries turn ugly, and on opening night real violence invades the students' world of make-believe. In the morning, the fourth-years find themselves facing their very own tragedy, and their greatest acting challenge yet: convincing the police, each other, and themselves that they are innocent. *If We Were Villains* was named one of *Bustle's Best Thriller Novels of the Year*, and *Mystery Scene* says, "A well-written and gripping ode to the stage...A fascinating, unorthodox take on rivalry, friendship, and truth."

Look Me in the Eye Random House

PULITZER PRIZE FINALIST • NEW YORK TIMES BESTSELLER •

"Sweeping in scope but with intimate personal stories, this is a deeply moving book about the history, science, and human drama of autism."—Walter Isaacson, #1 *New York Times* bestselling author of *The Code Breaker* "Remarkable . . . A riveting tale about how a seemingly rare childhood disorder became a salient fixture in our cultural landscape."—*The Wall Street Journal* (Ten Best Nonfiction Books of the Year) The inspiration for the PBS documentary, *In a Different Key* In 1938, Donald Triplett of Forest, Mississippi, became the first child diagnosed with autism.

Beginning with his family's odyssey, *In a Different Key* tells the extraordinary story of this often misunderstood condition, from the civil rights battles waged by the families of those who have it to the fierce debates among scientists over how to define and treat it. Unfolding over decades, *In a Different Key* is a beautifully rendered history of people determined to secure a place in the world for those with autism—by liberating children from dank institutions, campaigning for their right to go to school, challenging expert opinion on what it means to have autism, and persuading society to accept those who are different. This is also a story of fierce controversies—from the question of whether there is truly an autism "epidemic," and whether vaccines played a part in it; to scandals involving "facilitated communication," one of many unsuccessful treatments; to stark disagreements about whether scientists should pursue a cure for autism; to compelling evidence that Hans Asperger, discoverer of the syndrome named after him, participated in the Nazi program that consigned disabled children to death. By turns intimate and panoramic, *In a Different Key* takes us on a journey from an era when families were shamed and children were condemned to institutions to one in which a cadre of people with autism push not simply for inclusion, but for a new understanding of autism: as difference rather than disability.

The Spirit Level Jessica Kingsley Publishers

The national bestseller celebrated as "the ultimate Johnny Cash biography . . . Rock writer great Robert Hilburn goes deep." -- *Rolling Stone* In this, the definitive biography of an American legend, Robert Hilburn conveys the unvarnished truth about a musical superstar. Johnny Cash's extraordinary career stretched from his days at Sun Records with Elvis Presley and Jerry Lee Lewis to the remarkable creative last hurrah, at age 69, that resulted in the brave, moving "Hurt" video. As music critic for the *Los Angeles Times*, Hilburn knew Cash throughout his life: he was the only music journalist at the legendary Folsom Prison concert in 1968, and he interviewed both Cash and his wife June Carter just months before their deaths. Drawing upon a trove of never-before-seen material from the singer's inner circle, Hilburn creates an utterly compelling, deeply human portrait of a towering figure in country music, a seminal influence in rock, and

an icon of American popular culture. Hilburn's reporting shows the astonishing highs and deep lows that marked the journey of a man of great faith and humbling addiction who throughout his life strove to use his music to lift people's spirits.

The Bridge Kingdom Crown

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

The Reason I Jump Simon and Schuster

Being different from the masses is one of the greatest gifts that you possess! Let's face it: Who wants to be just like everyone else? Talk about boring! People come in all shapes and sizes and are born with natural and unnatural gifts and talents like no other, and your greatest challenge is to discover your gifts and then apply them to the world to create a better place, a better planet, a better universe! That is my challenge to you so that all of us can get along peacefully and become truly a population of one. I would like to ask you some questions to help you discover what makes you unique, different, and awesome. Are you different? Are you unique? Do you look different than others? Talk differently than others? Do you walk differently than others? Have you been born with talents that very few others have? Have you been

brainwashed to look at your talents as a disability? Do you stay up nights dwelling on all the things in life you don't have, rather than focus on all the blessings you do have? Have you ever been bullied at school, at home, and in many areas in your life? Have you ever been called a retard, dumb, disabled? If you have answered yes to any of these questions, perhaps you have yet to understand, accept, and apply your unique gifts to make the world a better place. If you have answered Yes to any of these questions, I feel your pain, I have walked in your shoes, and I can empathize with your situation. I have been bullied, called a retard, told that I am disabled, put in special classes, advised that I should not expect to reach my goals. My name is Tyler McNamer and I have been called ALL of the above many, many times in my life. I am nineteen years old and have been blessed with autism my entire life. I have chosen to accept my label of autism not as a disability but as an extraordinary ability and I want to help you overcome the label that you may have suffered from for many years of your life. So what is autism? The dictionary defines autism as a mental condition, present from early childhood, characterized by great difficulty in communicating and forming relationships with others. Also, it is defined as a mental condition in which fantasy dominates over reality. So just how many people today are affected by this condition? According to a recent WebMD study, 1 in 88 kids today has autism and for boys the numbers is 1 in 54. Also you might be surprised to learn that since 2002, autism has increased by 78 percent. Let's put those numbers in perspective. A high school with 1,000 students enrolled is going to have 11 students with this condition, and a bigger high school with 2,500 students is going to have 28 students with autism. So, now that you know more about autism, let me highlight some of the things you will learn by reading this book since I want to assure you that this book is not just a book about autism it is a book about how we can all live together in harmony regardless of our differences. In this book, you are going to learn that, despite our differences and diversities, we can get along and become a population of one to serve others. In this book, you will learn the importance of becoming the leader in your own life, following your dreams. You will learn to focus on your blessings instead of being discouraged by your challenges. In this book, you will learn to embrace change and continue to learn for a lifetime. In this book, you will learn what it is like to be

blessed with the unique ability of having autism. You will learn how not only to cope with your gifts, but to thrive in life and pursue your goals despite your challenges. In this book, you will learn how to turn your ability into a blessing to serve others

In a Different Key AutismWorks
#1 New York Times bestselling author Anna Quindlen's classic reflection on a meaningful life makes a perfect gift for any occasion. "Life is made of moments, small pieces of silver amidst long stretches of tedium. It would be wonderful if they came to us unsummoned, but particularly in lives as busy as the ones most of us lead now, that won't happen. We have to teach ourselves now to live, really live . . . to love the journey, not the destination." In this treasure of a book, Anna Quindlen, the bestselling novelist and columnist, reflects on what it takes to "get a life"—to live deeply every day and from your own unique self, rather than merely to exist through your days. "Knowledge of our own mortality is the greatest gift God ever gives us," Quindlen writes, "because unless you know the clock is ticking, it is so easy to waste our days, our lives." Her mother died when Quindlen was nineteen: "It was the dividing line between seeing the world in black and white, and in Technicolor. The lights came on for the darkest possible reason. . . . I learned something enduring, in a very short period of time, about life. And that was that it was glorious, and that you had no business taking it for granted." But how to live from that perspective, to fully engage in our days? In *A Short Guide to a Happy Life*, Quindlen guides us with an understanding that comes from knowing how to see the view, the richness in living.

Elemental Island St. Martin's Griffin

In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls "grit." "Inspiration for non-geniuses everywhere" (People). The daughter of a scientist who frequently noted her lack of "genius," Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the

toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. "Duckworth's ideas about the cultivation of tenacity have clearly changed some lives for the better" (The New York Times Book Review). Among Grit's most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, *Grit* is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is "a fascinating tour of the psychological research on success" (The Wall Street Journal).

In Cold Blood Feiwel & Friends

NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today
ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle

for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for Red Rising "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes The Hunger Games, Lord of the Flies, and Ender's Game. . . . [Red Rising] has everything it needs to become meteoric."—Entertainment Weekly "Ender, Katniss, and now Darrow."—Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience."—Richmond Times-Dispatch Don't miss any of Pierce Brown's Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

Red Rising Simon and Schuster

In this international bestseller, father and advocate for Autism awareness Arthur Fleischmann blends his daughter Carly's own words with his story of getting to know his remarkable daughter—after years of believing that she was unable to understand or communicate with him. At the age of two, Carly Fleischmann was diagnosed with severe autism and an oral motor condition that prevented her from speaking. Doctors predicted that she would never intellectually develop beyond the abilities of a small child. Carly remained largely unreachable through the years. Then, at the age of ten, she had a breakthrough. While working with her devoted therapists, Carly reached over to their laptop and typed "HELP TEETH HURT," much to everyone's astonishment. Although Carly still struggles with all the symptoms of autism, she now has regular, witty, and profound conversations on the computer with her family and her many thousands of supporters online. One of the first books to explore firsthand the challenges of living with autism, Carly's Voice brings readers inside a once-secret world in the company of an inspiring young woman who has found her voice and her mission

A Little Life Flatiron Books

A rare and important insight into the mind of an autistic child, in his own words. Translated by and with a moving introduction from the award-winning author of CLOUD ATLAS, David Mitchell.

PREORDER YOUR COPY OF BEFORE WE FORGET KINDNESS, the fifth book in the best-selling and much loved series, NOW! *NOW AN LA TIMES BESTSELLER* *OVER ONE MILLION COPIES SOLD* *AN INTERNATIONAL BESTSELLER* If you could go back in time, who would you want to meet? In a small back alley of Tokyo, there is a café that has been serving carefully brewed coffee for more than one hundred years. Local legend says that this shop offers something else besides coffee—the chance to travel back in time. Over the course of one summer, four customers visit the café in the hopes of making that journey. But time travel isn't so simple, and there are rules that must be followed. Most important, the trip can last only as long as it takes for the coffee to get cold. Heartwarming, wistful, mysterious and delightfully quirky, Toshikazu Kawaguchi's internationally bestselling novel explores the age-old question: What would you change if you could travel back in time? Meet more wonderful characters in the rest of the captivating Before the Coffee Gets Cold series: Tales from the Cafe Before Your Memory Fades Before We Say Goodbye And the upcoming BEFORE WE FORGET KINDESS

I Who Have Never Known Men Rowman & Littlefield

Silver medal winner in the 'Middle Grades Fiction' category of the Nautilus Book Awards 2015 Astie has always been different. Her 12th birthday is looming and she still has not decided on her thesis. All the Learners at the Hub picked theirs years ago. If it wasn't for her cousin, Jakob, life would be unbearable on Elemental Island. On the verge of being diagnosed with Social

Syndrome, she stumbles upon Danny who has landed in a forbidden flight machine. To protect him, Astie persuades Jakob to tamper with the Overseer's memory. On the run from the Monitors together, Astie calls on her unique qualities to forge a friendship with the stranger and discover his reason for coming to the island. What she finds will shake the foundations of the place she calls home. Set on a secretive island utopia where science and logic rule, this intriguing novel explores and celebrates differences in people from an alternative perspective. It is engaging reading for children aged 8-13.

Making the Match Hachette

THE INSTANT #1 NEW YORK TIMES BESTSELLER "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly The Silent Patient is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

Queerly Autistic Harlequin

A work of fantasy, I Who Have Never Known Men is the haunting and unforgettable account of a near future on a barren earth where women are kept in underground cages guarded by uniformed groups of men. It is narrated by the youngest of the women, the only one with no memory of what the world was like before the cages, who must teach herself, without books or

sexual contact, the essential human emotions of longing, loving, learning, companionship, and dying. Part thriller, part mystery, *I Who Have Never Known Men* shows us the power of one person without memories to reinvent herself piece by piece, emotion by emotion, in the process teaching us much about what it means to be human.

The Art of Autism Del Rey

The Reason I Jump Random House

The Pig Book Modern Library

"... powerfully renders what it's like to live life to the fullest."

Publishers Weekly Starred Review My name is Mickey Rowe. I am an actor, a theatre director, a father, and a husband. I am also a man with autism. You think those things don't go together? Let me show you that they do. Growing up, Mickey Rowe was told that he couldn't enter the mainstream world. He was iced out by classmates and colleagues, infantilized by well-meaning theatre directors, barred from even earning a minimum wage. Why?

Because he is autistic. *Fearlessly Different: An Autistic Actor's Journey to Broadway's Biggest Stage* is Mickey Rowe's story of growing up autistic and pushing beyond the restrictions of a

special education classroom to shine on the stage. As an autistic and legally blind person, living in a society designed by and for non-disabled people, it was always made clear to Mickey the many things he was apparently incapable of doing. But Mickey did them all anyway—and he succeeded because of, not in spite of, his autism. He became the first autistic actor to play the lead role in the play *The Curious Incident of the Dog in the Night-Time*, landed the title role in the play *Amadeus*, co-created the theatre/philanthropy company Arts on the Waterfront, and founded the National Disability Theatre. Mickey faced untold obstacles along the way, but his story ends in triumph. Many people feel they are locked out of the world of autism—that it's impossible to even begin to understand. In *Fearlessly Different*, Mickey guides readers to that world while also helping those with autism to feel seen and understood. And he shows all people—autistic and non-autistic alike—that the things that make us different are often our biggest strengths.

The Reason I Jump Strelbytskyy Multimedia Publishing

NATIONAL BESTSELLER • "The Bridge Kingdom is heart-pounding romance and intense action wrapped in a spellbinding world. I was hooked from the first page!"—Elise Kova, author of *A Deal with the Elf King* The iconic Bridge Kingdom series begins: a sweeping, sizzling fantasy romance filled with political intrigue and passionate love, from the New York Times bestselling author

of *A Fate Inked in Blood*. A warrior princess trained in isolation, Lara is driven by two certainties. The first is that King Aren of the Bridge Kingdom is her enemy. And the second is that she'll be the one to bring him to his knees. The only route through a storm-ravaged world, the Bridge Kingdom of Ithicana enriches itself and deprives its rivals, including Lara's homeland. So when she's sent there as a bride under the guise of peace, Lara is prepared to do whatever it takes to fracture its impenetrable defenses—and the defenses of its king. Yet as she infiltrates her new home and gains a deeper understanding of the war to possess the bridge, Lara begins to question whether she's the hero or the villain. As her feelings for her husband transform from frosty hostility to fierce passion, Lara must choose which kingdom she'll save . . . and which she'll destroy. Includes two bonus chapters, "The Wedding" from Ahnna's point of view and "The Capture" from Jor's point of view Don't miss any of Danielle L. Jensen's Bridge Kingdom series: THE BRIDGE KINGDOM • THE TRAITOR QUEEN • THE INADEQUATE HEIR • THE ENDLESS WAR • THE TWISTED THRONE (April 8, 2025) Bloomsbury Publishing USA

It is common knowledge that, in rich societies, the poor have worse health and suffer more from almost every social problem. This book explains why inequality is the most serious problem societies face today.
