### KENZIE KASSANDRA

ReadHowYouWant.com

The prominent role of women in Greek drama has always fascinated readers. This book proposes that women in Euripides' plays communicate in ways constructed by the tragic genre itself as 'female.' Yet these women's words are surprisingly not uniformly dangerous or excessively emotional, as has traditionally been thought. Rather, Euripides' women resort to 'female' ways of talking in order to enable others to understand them and their unique point-of-view. Aspects of women's speech—song, silence and secret-keeping as female verbal genres, and the challenges of speaking out of place—contribute to Euripides' portrayal of women as different from men. Originating in a culture where putting women under scrutiny was part of daily life, Euripides' tragedies dramatise women's constant struggle to control language.

*Three Guineas* BRILL

"Three Guineas" is a 1938 extended essay by Virginia Woolf that deals with the subjects of fascism, feminism, and war. The book was written in response to three requests for donations by three different feminist organisations and contains a statement on feminine purpose. Not to be missed by fans and collectors of Feminist literature. Adeline Virginia Woolf (1882-1941) was an English writer. She is widely hailed as being among the most influential modernist authors of the 20th century and a pioneer of stream of consciousness narration. Woolf was a central figure in the feminist

criticism movement of the 1970s, her works having inspired countless women to take up the cause. She suffered numerous nervous breakdowns during her life primarily as a result of the deaths of family members, and it is now believed that she may have suffered from bipolar disorder. In 1941, Woolf drowned herself in the River Ouse at Lewes, aged 59. Contents include: "Virginia Woolf", "One", "Notes and References", "Two", "Notes and References", "Three", "Notes and References". Other notable works by this author include: "To the Lighthouse" (1927), "Orlando" (1928), and "A Room of One's Own" (1929). Read & Co. Great Essays is proudly republishing this classic essay now complete with a specially-commissioned new biography of the author.

*Fireborne* Рипол Классик

The Wire's provocative subject matter, layered narrative and explicit critiques of American socio-economic institutions make it one of the most teachable television series in recent years. This collection of new essays offers practical examples for implementing The Wire in the college classroom as a cultural text to engage students in critical and creative inquiry. The essays provide a disciplinary framework for using the series in media studies, writing and narrative, ethics and rhetoric, and education and literacy. Each essay details the pedagogical goals of teaching the series or specific episodes, how it was employed in class and student responses to the material. Instructors considering this book for use in a course may request an examination copy here.

*Marriage to Death* Columbia University Press

Ancestral fault is a core idea of Greek literature. 'The guiltless will pay for the deeds later: either the man's children, or his descendants thereafter',

said Solon in the sixth century BC, a statement echoed throughout the rest of antiquity. This notion lies at the heart of ancient Greek thinking on theodicy, inheritance and privilege, the meaning of suffering, the links between wealth and morality, individual responsibility, the bonds that unite generations and the grand movements of history. From Homer to Proclus, it played a major role in some of the most critical and pressing reflections of Greek culture on divinity, society and knowledge. The burning modern preoccupation with collective responsibility across generations has a long, deep antecedent in classical Greek literature and its reception. This book retraces the trajectories of Greek ancestral fault and the varieties of its expression through the many genres and centuries where it is found.

This volume brings together a group of interdisciplinary experts who demonstrate that Aeschylus' *Seven Against Thebes* is a text of continuing relevance and value for exploring ancient, contemporary and comparative issues of war and its attendant trauma. The volume features contributions from an international cast of experts, as well as a conversation with a retired U.S. Army Lt. Col., giving her perspectives on the blending of reality and fiction in Aeschylus' war tragedies and on the potential of Greek tragedy to speak to contemporary veterans. This book is a fascinating resource for anyone interested in Aeschylus, Greek tragedy and its reception, and war literature.

'Reputation Management' is a how-to-guide for professionals and students in corporate communications that rests on the premise that corporate reputations can be measured, monitored, and managed.

**Cults and Rites in Ancient Greece** McGraw Hill Professional

The ancient Greek tragedy about the exiled king's final days—and the power struggle between his two sons. The second book in the trilogy that begins with *Oedipus Rex* and concludes with *Antigone*, *Oedipus at Colonus* is the story of an aged and blinded *Oedipus* anticipating his death as foretold by an earlier prophecy. Accompanied by his daughters, *Antigone* and *Ismene*, he takes up residence in the village of *Colonus* near Athens—where the locals fear his very presence will curse them. Nonetheless they allow him to stay, and *Ismene* informs him his sons are battling each other for the throne of *Thebes*. An oracle has pronounced that the location of their disgraced father's final resting place will determine which of them is to prevail. Unfortunately, an old enemy has his own plans for the burial, in this heart-wrenching play about two generations plagued by misfortune from the world's great ancient Greek tragedian.

A practical guide based on a proprietary skill assessment tool—a Myers-Briggs for presenters—that provides tips and strategies that address the core element for becoming a successful presenter: YOU What kind of presenter are you? Are you charming? Purposeful? Informative? Inspiring? Do you have natural charisma? A clear message? A powerful vision? What's Your Presentation Persona? is a revolutionary guide based on Badge, the first-of-its-kind proprietary skill assessment tool—a Myers-Briggs for presenters—that provides strategies and tips that address the core element for becoming a successful presenter: YOU. This groundbreaking book identifies 16 presentation personas, each with its own strengths and weaknesses, and shows you how to leverage your unique qualities to become a more powerful, persuasive, and successful presenter. Take the self-assessment test in the book and discover your persona. Are you:

- The Director: a respected leader with an empathetic core (Oprah Winfrey or Ned Stark from *Game of Thrones*)
- The Captivator: a charismatic presenter with a natural, unrehearsed flair (Gary Vaynerchuk or Captain Kirk from *Star Trek*)
- The Producer: a successful speaker who believes in hard work—not luck (Martin Luther King Jr. or Walter White from *Breaking Bad*)
- The Scholar: an always-curious learner informed by their own wisdom (Elon Musk or Hermione Granger from *Harry Potter*)
- The Liberator: an optimistic visionary who loves to inspire (Tony Robbins or William Wallace from *Braveheart*)

The key to reaching others is knowing who you are. Get to know yourself. Build on your strengths. Work on your weaknesses. Learn how to deliver your message with confidence, charisma, humor, and authenticity. Be yourself—but better. Once you've mastered your presentation persona, explore others you'd like to experiment with and learn from. Incorporate techniques into your unique style to become the strongest, most well-rounded communicator you can be—so you can razzle-dazzle any audience on any topic anytime.

**The Oedipus Cycle** University of Michigan Press

This anthology includes English translations of three plays of Sophocles' *Oidipous Cycle*: *Antigone*, *King Oidipous*, and *Oidipous at Colonus*. The trilogy includes an introductory essay on Sophocles' life, ancient theatre, and the mythic and religious background of the plays. Each of these plays is available from Focus in a single play edition. Focus Classical Library provides close translations with notes and essays to provide access to understanding Greek culture.

Highly controversial when it was first published in 1981, Alasdair MacIntyre's *After Virtue* has since established itself as a landmark work in contemporary moral philosophy. In this book, MacIntyre sought to address a crisis in moral language that he traced back to a European Enlightenment that had made the formulation of moral principles increasingly difficult. In the search for a way out of this impasse, MacIntyre returns to an earlier strand of ethical thinking, that of Aristotle, who emphasised the importance of 'virtue' to the ethical life. More than thirty years after its original publication, *After Virtue* remains a work that is impossible to ignore for anyone interested in our understanding of ethics and morality today.

**The Fragility of Goodness** Cambridge University Press

"One of fantasy's best series." —Booklist, starred review *Game of Thrones* meets *Fourth Wing* in a debut young adult fantasy that's full of rivalry, romance . . . and dragons. Annie and Lee were just children when a brutal revolution changed their world, giving everyone—even the lowborn—a chance to test into the governing class of dragonriders. Now they are both rising stars in the new regime, despite backgrounds that couldn't be more different. Annie's lowborn family was executed by dragonfire, while Lee's aristocratic family was murdered by revolutionaries. Growing up in the same orphanage forged their friendship, and seven years of training have made them rivals for the top position in the dragonriding fleet. But everything changes when survivors from the old regime surface, bent on reclaiming the city. With war on the horizon and his relationship with Annie changing fast, Lee must choose to kill the only family he has left or to betray everything he's come to believe in. And Annie must decide whether to protect the boy she loves . . . or step up to be the champion her city needs. From debut author Rosaria Munda comes a gripping adventure that calls into question which matters most: the family you were born into, or the one you've chosen.

For René Girard, human life revolves around mimetic desire, which regularly manifests itself in acquisitive rivalry when we find ourselves wanting an object because another wants it also. Noting that mimetic desire is driven by our sense of inadequacy or insufficiency, Girard arrives at a profound insight: our desire is not fundamentally directed toward the other's object but toward the other's being. We perceive the other to possess a fullness of being we lack. Mimetic desire devolves into violence when our quest after the being of the other remains unfulfilled. So pervasive is mimetic desire that Girard describes it as an ontological illness. In *Intimate Domain*, Reineke argues that it is necessary to augment Girard's mimetic theory if we are to give a full account of the sickness he describes. Attending to familial dynamics Girard has overlooked and reclaiming aspects of his early theorizing on sensory experience, Reineke utilizes psychoanalytic theory to place Girard's mimetic theory on firmer ground. Drawing on three exemplary narratives—Proust's *In Search of Lost Time*, Sophocles's *Antigone*, and Julia Kristeva's *The Old Man and the Wolves*—the author explores familial relationships. Together, these narratives demonstrate that a corporeal hermeneutics founded in psychoanalytic theory can usefully augment Girard's insights, thereby ensuring that mimetic theory remains a definitive resource for all who seek to understand humanity's ontological illness and identify a potential cure.

Volumes in *Writing Spaces: Readings on Writing* offer multiple perspectives on a wide-range of topics about writing, much like the model made famous by Wendy Bishop's "The Subject Is . . ." series. In each chapter, authors present their unique views, insights, and strategies for writing by addressing the undergraduate reader directly. Drawing on their own experiences, these teachers-as-writers invite students to join in the larger conversation about developing nearly every aspect of craft of writing. Consequently, each essay functions as a standalone text that can easily complement other selected readings in writing or writing-intensive courses across the disciplines at any level. Topics in Volume 1 of the series include academic writing, how to interpret writing assignments, motives for writing, rhetorical analysis, revision, invention, writing centers, argumentation, narrative, reflective writing, Wikipedia, patchwriting, collaboration, and genres.

[Intimate Domain](#) Cambridge University Press

The celebrated author of *Gender Trouble* here redefines *Antigone's* legacy, recovering her revolutionary significance and liberating it for a progressive feminism and sexual politics. Butler's new interpretation does nothing less than reconceptualize the incest taboo in relation to kinship—and open up the concept of kinship to cultural change. *Antigone*, the renowned insurgent from Sophocles's *Oedipus*, has long been a feminist icon of defiance. But what has remained unclear is whether she escapes from the forms of power that she opposes. *Antigone* proves to be a more ambivalent figure for feminism than has been acknowledged, since the form of defiance she exemplifies also leads to her death. Butler argues that *Antigone* represents a form of feminist and sexual agency that is fraught with risk. Moreover, *Antigone* shows how the constraints of normative kinship unfairly decide what will and will not be a livable life. Butler explores the meaning of *Antigone*, wondering what forms of kinship might have allowed her to live. Along the way, she considers the works of such philosophers as Hegel, Lacan, and Irigaray. How, she asks, would psychoanalysis have been different if it had taken *Antigone*—the "postoedipal" subject—rather than *Oedipus* as its point of departure? If the incest taboo is reconceived so that it does not mandate heterosexuality as its solution, what forms of sexual alliance and new kinship might be acknowledged as a result? The book relates the courageous deeds of *Antigone* to the claims made by those whose relations are still not honored as those of proper kinship, showing how a culture of normative heterosexuality obstructs our capacity to see what sexual freedom and political agency could be.

**The Theban Plays** Houghton Mifflin Harcourt

This volume assembles fourteen highly influential articles written by Michael H. Jameson over a period of nearly fifty years, edited and updated by the author himself. They represent both the scope and the signature style of Jameson's engagement with the subject of ancient Greek religion. The collection complements the original publications in two ways: firstly, it makes the articles more accessible; and secondly, the volume offers readers a unique opportunity to observe that over almost five decades of scholarship Jameson developed a distinctive method, a signature style, a particular perspective, a way of looking that could perhaps be fittingly called a 'Jamesonian approach' to the study of Greek religion. This approach, recognizable in each article individually, becomes unmistakable through the concentration of papers collected here. The particulars of the Jamesonian approach are insightfully discussed in the five introductory essays written for this volume by leading world authorities on polis religion.

**Gender and Communication in Euripides' Plays** Social and Critical Theory

English versions of Sophocles' three great tragedies based on the myth of *Oedipus*, translated for a modern audience by two gifted poets. Index.

*Ancestral Fault in Ancient Greece* Macmillan

ANTIGONE PROJECT is a play in five parts by Tanya Barfield, Karen Hartman, Chiori Miyagawa, 2009 Pulitzer Prize winner Lynn Nottage, and Caridad Svich that reconsiders the story of *Antigone* from a variety of rich and radical perspectives. With a preface by dramatist Lisa Schlesinger and an introduction by classics scholar Marianne McDonald, this is a unique addition to contemporary drama.
