### **BRYCE WOOD**

**The Oxford Companion to Jazz** Simon & Schuster

Offers a guide to vintages, grape varieties, and wine appreciation.

**The Oxford Companion to Philosophy** Abbeville Press

Acclaimed wine writer Jon Bonné explains everything you need to know about wine in simple, easy-to-digest tidbits. For example: A wine's price rarely reflects its quality. You can drink rosé any time of year. Don't save a great bottle for anything more than a rainy day. Enjoy! -- Adapted from back cover.

*The Dirty Guide to Wine: Following Flavor from Ground to Glass* Oxford University Press

Wine is now one of the most popular drinks in the world. Many wine drinkers wish they knew more about it without having to understand every detail or go on a wine course. In *The 24-Hour Wine Expert*, Jancis Robinson shares her expertise with authority, wit and approachability. From the difference between red and white, to the shape of bottles and their labels, descriptions of taste, colour and smell, to pairing wine with food and the price-quality correlation, Robinson helps us make the most of this mysteriously delicious drink.

**The Oxford Companion to Cheese** Oxford University Press, USA

Few wine books can be called classic, but the first edition of *The World Atlas of Wine* made publishing history when it appeared in 1971. It is recognized by critics as the essential and most authoritative wine reference work available. This eighth edition will bring readers, both old and new, up to date with the world of wine. To reflect all the changes in the global wine scene over the past six years, the Atlas has grown in size to 416 pages and 22 new maps have been added to the wealth of superb cartography in the book. The text has been given a complete overhaul to address the topics of most vital interest to today's wine-growers and drinkers. With beautiful photography throughout, Hugh Johnson and Jancis Robinson, the world's most respected wine-writing duo, have once again joined forces to create a classic that no wine lover can afford to be without. "The World Atlas of Wine is the single most important reference book on the shelf of any wine student." - Eric Asimov, *New York Times* "The most useful single volume on wine ever published... If I owned only one wine book, it would be this one." - Andrew Jefford, *Decanter* "Like a good bottle of wine, you'll find yourself going back to it again and again... Perfect for anyone who has a thirst for greater wine knowledge." - Edward Deitch, *NBC/today.com* "The World Atlas of Wine belongs on your shelf... The essential rootstock of any true wine lover's library. A multi-layered snapshot of wine and how it has evolved." - Dave McIntyre, *Washington Post*

*Wine Simple* Simon and Schuster

Covers such topics as plant products, cooking terms, national and regional cuisines, food preservation, food science, diet, and cookbooks and their

authors.

[The Oxford Companion to Classical Civilization](#) Oxford University Press, USA

This wine book provides comprehensive coverage on all aspects of wine making, and puts wine, wine-making and wine drinking into historical perspective.

**Jancis Robinson's Concise Wine Companion** Oxford University Press on Demand

A panoramic history of the culinary traditions, culture, and evolution of American food and drink features nearly one thousand entries, essays, and articles on such topics as fast food, celebrity chefs, regional and ethnic cuisine, social and cultural food history, food science, and more, along with hundreds of photographs and lists of food museums, Web sites, festivals, and organizations.

*The Oxford Companion to Food* Oxford University Press

Illustrated with full-color plates and 140 black-and-white pictures, an encyclopedic, exhaustive, and up-to-date guide contains finely detailed articles and short reference notes on the people, places, and events that shaped ancient Western civilization. UP.

[Wine for Normal People](#) Penguin UK

"Features more than 1,100 A-Z entries written by 166 of the world's most prominent beer experts"--Provided by publisher.

*Wine Grapes* OUP USA

The Oxford Companion to the Year explores the fascinating history of calendars in general and our own in particular. The calendar used in the West today is just one of a multitude of systems for parcelling up time and naming its divisions. Each of its days has over the centuries acquired its own peculiar significance: the feast day of a saint, the celebration of a historical event, the subject of prose or poetry, the commemoration of a significant historical figure. And for these feasts and seasons there has grown up a rich body of traditions, beliefs, and superstitions, many of them only half-remembered today. Now, for the first time, this body of knowledge is combined with a wide-ranging survey of calendars in an authoritative, absorbing Companion. The first section of *The Oxford Companion to the Year* is a day-by-day survey of the calendar year, revealing the history, literature, legend, and lore associated with each season, month, and date. The second part is a broader study of time-reckoning: historical and modern calendars, religious and civil, are explained, with handy tables for the conversion of dates between various systems, and special attention is given to the calculation of Easter. There is a helpful index to facilitate speedy reference. This is a unique reference source, an indispensable aid for all historians and antiquarians, and a rich mine of information, inspiration, and delight for browsers.

[The Oxford Companion to Cheese](#) Mitchell Beazley

From the world-renowned sommelier Aldo Sohm, a dynamic, essential wine guide for a new generation NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY FOOD52 Aldo Sohm is one of the most respected and widely lauded sommeliers in the world. He's worked with celebrated chef Eric Ripert as wine director of three-Michelin-starred Le Bernardin for over a decade, yet his philosophy and approach to wine is much more casual. Aldo's debut book, *Wine Simple*, is full of confidence-building infographics and illustrations, an unbeatable depth of knowledge, effusive encouragement, and, most important, strong opinions on wine so you can learn to form your own. Imbued with Aldo's insatiable passion and eagerness to teach others, *Wine Simple* is accessible, deeply educational, and lively and fun, both in voice and visuals. This essential guide begins with the fundamentals of wine in easy-to-absorb hits of information and pragmatic, everyday tips—key varietals and winemaking regions, how to taste, when to save and when to splurge, and how to set up a wine tasting at home. Aldo then teaches you how to take your wine knowledge to the next level and evolve your palate, including techniques on building a “flavor library,” a cheat sheet to good (and great) vintages (and why you shouldn't put everything on the line for them), tips on troubleshooting tricky wines (corked? mousy?), and, for the daring, even how to saber a bottle of champagne. This visual, user-friendly approach will inspire readers to have the confidence, curiosity, and enthusiasm to taste smarter, drink boldly, and dive headfirst fearlessly into the exciting world of wine.

[The World Atlas of Wine](#) The Countryman Press

In an updated and concise version of his award-winning classic reference, Michael Broadbent's *Vintage Wine*, the wine connoisseur features the original work's most important tasting notes and new information about top-selected vintages, with hundreds of details on the finest wines he has encountered in the past few years.

*The Oxford Companion to Wine* Oxford University Press

A listener's guide to jazz brings together sixty essays on the history, performers, characteristics, and influence of jazz music.

**A Totally Approachable Guide from a World-Class Sommelier** Oxford University Press, USA

The Bible has had an immeasurable influence on Western culture, touching on virtually every aspect of our lives. It is one of the great wellsprings of Western religious, ethical, and philosophical traditions. It has been an endless source of inspiration to artists, from classic works such as Michaelangelo's *Last Judgment*, Handel's *Messiah*, or Milton's *Paradise Lost*, to modern works such as Thomas Mann's *Joseph and His Brothers* or Martin Scorsese's controversial *Last Temptation of Christ*. For countless generations, it has been a comfort in suffering, a place to reflect on the mysteries of birth, death, and immortality. Its stories and characters are an integral part of the repertoire of every educated adult, forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers. The *Oxford Companion to the Bible* provides an authoritative one-volume reference to the people, places, events, books, institutions, religious belief, and secular influence of the Bible.

Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives, the Companion offers over seven hundred entries, ranging from brief identifications--who is Dives? where is Pishgah?--to extensive interpretive essays on topics such as the influence of the Bible on music or law. Ranging far beyond the scope of a traditional Bible dictionary, the Companion features, in addition to its many informative, factual entries, an abundance of interpretive essays. Here are extended entries on religious concepts from immortality, sin, and grace, to baptism, ethics, and the Holy Spirit. The contributors also explore biblical views of modern issues such as homosexuality, marriage, and anti-Semitism, and the impact of the Bible on the secular world (including a four-part article on the Bible's influence on literature). Of course, the Companion can also serve as a handy reference, the first place to turn to find factual information on the Bible. Readers will find fascinating, informative articles on all the books of the Bible--including the Apocrypha and many other ancient texts, such as the Dead Sea Scrolls, Pseudepigrapha, and the Mishra. Virtually every figure who walked across the biblical stage is identified here, ranging from Rebekah, Rachel, and Mary, to Joseph, Barabbas, and Jesus. The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities, with fascinating articles on feasts and festivals, clothing, medicine, units of time, houses, and furniture. Finally, there are twenty-eight pages of full-color maps, providing an accurate, detailed portrait of the biblical world. A vast compendium of information related to scriptures, here is an ideal complement to the Bible, an essential volume for every home and library, the first place to turn for information on the central book of Western culture.

**The Wine Bible** Clarkson Potter

These award-winning, classic guides are the perfect for anyone who loves food and wine. "This is a must-have book for wine geeks...highly recommended for anyone with more than a passing interest in wine." --*Wine Spectator* , "Top 100" issue. "A food book for all time... The canon of great food literature just got one fat volume greater... A must-have for any serious food follower" --*Gourmet*

[The Sommelier's Atlas of Taste](#) Oxford University Press

No one can describe a wine like Karen MacNeil. Comprehensive, entertaining, authoritative, and endlessly interesting, *The Wine Bible* is a lively course from an expert teacher, grounding the reader deeply in the fundamentals—vine-yards and varietals, climate and terroir, the nine attributes of a wine's greatness—while layering on tips, informative asides, anecdotes, definitions, photographs, maps, labels, and recommended bottles. Discover how to taste with focus and build a wine-tasting memory. The reason behind Champagne's bubbles. Italy, the place the ancient Greeks called the land of wine. An oak barrel's effect on flavor. Sherry, the world's most misunderstood and underappreciated wine. How to match wine with food—and mood. Plus everything else you need to know to buy, store, serve, and enjoy the world's most captivating beverage.

**Oxford Companion to American Literature** The Oxford Companion to Wine

The Oxford Companion to Wine Oxford University Press, USA

*The Oxford Companion to Spirits and Cocktails* Oxford University Press, USA

With over 800 entries on how and where wine grapes grow, how they taste, how they relate, and the sort of wines they produce.

*Official Gazette of the United States Patent and Trademark Office* Oxford University Press, USA

This is a fun but respectful (and very comprehensive) guide to everything you ever wanted to know about wine from the creator and host of the popular podcast *Wine for Normal People*, described by *Imbibe* magazine as "a wine podcast for the people." More than 60,000 listeners tune in every month to learn a not-snobby wine vocabulary, how and where to buy wine, how to read a wine label, how to smell, swirl, and taste wine, and so much more! Rich with charts, maps, and lists—and the author's deep knowledge and unpretentious delivery—this vividly illustrated, down-to-earth handbook is a must-have resource for millennials starting to buy, boomers who suddenly have the time and money to hone their appreciation, and anyone seeking a relatable introduction to the world of wine.

*The Oxford Companion to the Bible* Ten Speed Press

Published in 1994 to worldwide acclaim, the first edition of Jancis Robinson's seminal volume immediately attained legendary status, winning every major wine book award including the Glenfiddich and Julia Child/IACP awards, as well as writer and woman of the year accolades for its editor on both sides of the Atlantic. Combining meticulously-researched fact with refreshing opinion and wit, *The Oxford Companion to Wine* presents almost 4,000 entries on every wine-related topic imaginable, from regions and grape varieties to the owners, connoisseurs, growers, and tasters in wine through the ages; from viticulture and oenology to the history of wine, from its origins to the present day. The 187 esteemed contributors (including over 50 new to this edition) range from internationally renowned academics to some of the most famous wine writers and wine specialists in the world. Now exhaustively updated, this fourth edition incorporates the very latest international research to present over 350 new entries on topics ranging from additives and wine apps to WSET and Zelen. Over 60 per cent of all entries have been revised; and useful lists and statistics are appended, including a unique list of the world's controlled appellations and their permitted grape varieties, as well as vineyard area, wine production and consumption by country. Illustrated with almost 30 updated maps of every important wine region in the world, many useful charts and diagrams, and 16 stunning colour photographs, this Companion is unlike any other wine book, offering an understanding of wine in all of its wider contexts--notably historical, cultural, and scientific--and serving as a truly companionable point of reference into which any wine-lover can dip and browse. New to this editionComprehensively revised and updated throughout Over 350 brand-new entries Significant new updates on hundreds of topics such as China, screwcaps, and the origins of viticulture Impressive global coverage of wine regions, including new entries on Alaska, Lesotho, Norway, and Tahiti Includes brand-new colour photographs and black and white line drawings Maps of wine regions have been updated
