How to Return to Your Soul Routledge
 Journey to the Dark Goddess will lead you on a powerful, healing path. In the stories of ancient Goddesses you will hear your own soul, calling out to you. The Dark Goddess is the creatrix of healing, change and renewal. She offers connection with the core of yourself. If you have been unable to shake off depression, or fear its return; if you have inexplicable 'blank patches' in your life, if you know that something is missing, or something is calling to you, if you seek the source of women's power - it's time to journey to the Dark Goddess. The for this journey to the Dark Goddess exists in ancient myth. Weaving the stories of Inanna, Persephone and Psyche with self-enquiry and sacred ritual we learn to journey internally, creating maps in our darkest places and return enriched, integrating our deepest understandings. Meeting the Dark Goddess we see a mirror of our own soul.

Working with Trance Prophecy, the High Seat, and Norse Withcraft

Manchester University Press

A practical guide to the magical systems of pre-Christian Iceland • Reveals spells and workings drawn directly from surviving magical books from the 16th to 20th century preserved at the National Library in Reykjavík • Explores the history of magic in Iceland through original translations of Icelandic folktales about famous magicians and about legendary grimoires, such as the

Galdrabók, the oldest and most complete book of its kind • Explains how to personalize the spells through the creation of unique signs and symbols based on the mythic names of Odin and Icelandic magical alphabets During the Christianization of Europe in the Middle Ages, many books of magic were lost as the ancient pagan traditions were suppressed. But in Iceland the practice of recording magical spells in books continued in secret for centuries, on a scale not seen elsewhere. Now housed in the National Library in Reykjavík, these surviving grimoires, which represent only a hundredth of what was lost, reveal a rich magical tradition that continued to evolve into the 20th century. Drawing directly from the actual surviving Icelandic books of magic, Stephen Flowers presents a complete system of magic based on Icelandic lore and magical practices from the 16th century onward. He explores the history of magic in Iceland in pagan and early Christian times and reveals specific practical techniques and ritual templates that readers can adapt to their unique purposes. Illustrating traditional Icelandic magical practices and the Icelanders' attitudes toward them, he shares original translations of Icelandic folktales about famous magicians, such as the legend of Gray-Skin, and about legendary grimoires, such as the Galdrabók, the oldest and most complete book of its kind. After initiating the reader into the grammar and symbols of Icelandic magic through history and lore, Flowers then presents an extensive catalog of actual spells and magical workings from the historical Icelandic books of magic. These examples provide ready-made forms for practical experimentation as well as an exemplary guide on how to create signs

and symbols for more personalized magical work. The author also includes guidance on creating unique magical signs from the 100 mythic names of Odin, which he translates and interprets magically, and from Icelandic magical alphabets, symbols that connect Icelandic magic to the ancient runic tradition.

A Radical New Take On Norse Paganism
The Way of Fire and Ice reimagines Norse Paganism with mystical practices and rituals for today's world as well as tips for building community and resisting fascism. This approach to working with Norse deities and beliefs is a living, adaptable tradition, representing a strong alternative to the reconstructionist perspectives of Asatru and Heathenry. In these pages, the old ways come alive in a radically inclusive form. You will explore the secrets of the World Tree and the mysteries of the gods, work with the many spirits around us, and feel the deep rhythms that drive all life while creating new songs of power. You will also discover how to make these practices part of your every waking moment, developing your own personal spirituality and building healthy, sustainable communities along the way.

A Völva was and is the ancient Norse equivalent of a Witch; a Healer who was also a Sorceress, who did holistic, organic root work and was most often a seer. In the past, a Völva was the equivalent of a medicine woman and often a spiritual priestess as well. This workbook was written for the advanced course in spaework taught by Ivy Mulligan, modern Völva and seiðkona. Welcome to the world of ancient Nordic magic, reinterpreted for the modern practitioner!

Seidr - the Gate Is Open Createspace Independent Publishing Platform

This book shows you how to cultivate specific types of relationship with deity that go beyond just calling on the gods when you need them for magic or personal support. Stephanie Woodfield teaches you how veneration and worship can be the very core of a Pagan practice, and that no matter what level of devotion or dedication you pursue, it's okay to let go of the idea that you must strive for higher levels. Dedicant, Devotee, Priest expertly guides you through three distinct paths: devotion—which often means having an altar, giving offerings, and cultivating a relationship; dedication—a more formalized agreement or oath to serve a particular deity for a length of time; and priesthood—facilitating others' relationship with the deity in addition to tending your own. While many assume that priesthood is the highest level everyone should aspire to, this book shows that each type of deity relationship is equally as valid as any other and there are personal benefits for

these practices no matter which type is appropriate for you and your gods. Within these pages, you will find down-to-earth explanations of what deities are, what it means to venerate a deity, and simple tips for several devotional practices that you can pursue. You will also learn about oaths, offerings, and vows as well as how to know when a god is trying to get your attention. In the section on priesthood, you will explore how to serve deities and your community in addition to hands-on tips for oracular work and managing ego. Each section provides a full ritual to help ground you in the level of devotion and commitment that enriches your spirit and sets the tone for the relationships with deity that you desire.

The Deeper Arts of the Völva Minnesota Historical Society

Seiðr is profound intuition and ineffable wisdom, Völuspá is the single most important text on seiðr - the European 'shamanistic' tradition. This is the only book that explains them both with remarkable depth and clarity. A must read for anyone who seeks to rekindle Heathenry's spiritual fire in their every day life!

This book provides a fascinating historical and cultural overview of traditional beliefs about spirit possession and exorcism around the world, from Europe to Asia and the Middle East to the Americas. • Provides an interdisciplinary perspective on the subject of spirit possession, reflecting the work of scholars and experts from many fields • Covers a wide range of cultures, traditions, and phenomena with up-to-date, little-known information that is difficult to find through independent

research • Includes primary documents that give students accounts of exorcism and spiritual possession and serve to foster critical thinking skills and media literacy • Features sidebars that illuminate key points and present related information, with special attention paid to exorcism and spirit possession in popular culture

[Myths and Symbols in Pagan Europe](#)

Simon and Schuster

An experiential guide to the wisdom preserved in Europe's far north •

Includes shamanic journeys to connect with deities and your ancestral shamans

• Provides step-by-step instructions to prepare for and conduct a seiðr ceremony • Draws on archaeological evidence and surviving written records from Iceland • Reveals the long tradition of female shamans in northern European shamanism Shamanism is humanity's oldest spiritual tradition. In much of the Western world, the indigenous pre-Christian spiritual practices have been lost. Yet at the northern fringes of Europe, Christianity did not displace the original shamanic practices until the end of the Viking age. Remnants of Norse shamanic spirituality have survived in myths, folk traditions, and written records from Iceland, providing many clues about the ancient European shaman's world, especially when examined in conjunction with other shamanic cultures in northern Eurasia, such as the Sami and the tribes of Siberia. Reconstructing the shamanic practices of the hunter-gatherers of Scandinavia, Evelyn Rysdyk explores the evolution of Norse shamanism from its earliest female roots to the pre-Christian Viking Age. She explains how to enter Yggdrasil, the World Tree, to travel to other realms and provides shamanic journeys to connect with the ancestral

shamans of your family tree, including the Norse goddess Freyja, the very first shaman. She offers exercises to connect with the ancient goddesses of fate, the Norns, and introduces the overnight wilderness quest of útisetá for reconnecting with the powers of nature. She explains the key concepts of Ørlög and Wyrð--the two most powerful forces that shape human lives--and provides exercises for letting go of harmful behavior patterns and transforming simple knowledge into profound wisdom by connecting with Óðinn. Thoroughly examining the shamanic rituals of seiðr, the oracular magic of the Nordic cultures, the author provides step-by-step instructions to prepare for and conduct a seiðr ceremony, including creating your own seiðr staff and hood, and explores the ancestral use of shamanic songs or varðlokur to accompany the ceremony. Woven throughout these exercises, Rysdyk provides archaeological evidence from Neolithic sites supporting the long tradition of venerating wise women, grandmothers, and mothers in ancient cultures and the important role of female shamans at the heart of northern European shamanism. Providing an accessible guide for anyone trying to fulfill their shamanic callings, these powerful rituals can provide personal healing and a clear path for finding our way into a harmonious relationship with the natural world.

This is a study of the history, lore, religion and magic of the Vanic branch of the Germanic way. Its contents will prove of extreme interest to those of the Wiccan path or modern witchcraft, for it is in the way of the Vanir, or Wanæs, that their roots are to be found. From a manuscript originally titled "True Wicca." "This is an exciting book, and a breath of fresh air in a field that long needed the windows and doors thrown open!" --

Stephen A. McNallen, AFA

[Hrafnagaldur Odins](#) Llewellyn Worldwide

When Jenna joined the elite McVale Institute, she never dreamt she and her fellow students would be sent back in time to study in Ancient Rome. But not even time travel could prepare her for the series of events that occur after she touches a statue of Mars. Jenna's aim is to keep a low profile but when she runs into Senator Aurelius, Rome's leading senator, within her first few minutes of arrival, and then picks a fight with Marshall of the Peace Marcus Vilnus later that day, she realises her trip is going to be anything but smooth. Despite being in a male dominated society, Jenna can't bring herself to lose her twenty-first century attitude; meek and subservient aren't words in her vocabulary. Jenna isn't the only one hiding her true identity. Marcus, Aurelius and the rest of their family are Roman Gods living as mortals. Marcus realises very early on that Jenna is no ordinary mortal. She possesses a power no mortal should have; she has the ability to kill a God. Marcus and Aurelius know Jenna is from another world; can they really turn down the opportunity to learn about time travel? Marcus finds that keeping the

streets trouble free is a lot easier than trying to control an outspoken time traveller. With lots of sword fighting, horse racing, heated arguments, sibling rivalry and an assassination plot to foil, life is anything but dull for Jenna and Marcus. Then there's the small matter of her troublesome birthmark.

Voluspa Lulu.com

From the ashes arises the sacred lore of the North, the ancient stories and proverbial wisdom of the Ásatrú religion. Mighty Gods and fierce Giants battle in the never-ending struggle between order and chaos, while men seek honor and glory in the eyes of their beloved deities. After many years of research and piecing together sources, now comes the first known holy text ever presented for the Ásatrú faith. Giving these ancestral accounts in their true, epic form, The Ásatrú Edda is designed as a religious work by and for the men and women of this path. In reconstructing this sacred epic, the idea is to create a living storytelling tradition that will honor the legacy of the ancient Teutonic peoples, while providing an in-depth source of Ásatrú wisdom for our modern world.

The great Norse sagas are full of magic and heroic deeds. Odin's wanderings, Thor's hammer, the death of Bakkur, the vision of Ragnarok - tales which have been told since time immemorial - are given a fresh life in this version, written as one continuous exciting adventure story. With a brilliant introduction by Guardian Children's Fiction prize-winner, Michelle Paver. Puffin Classics contain additional endnotes for children including an author profile, a guide to who's who, activities and more.

This Ancient Heart iUniverse

This magical account of King Arthur's

last night on earth spent weeks on the New York Times best-seller list following its publication in 1977. Even in addressing the profound issues of war and peace, The Book of Merlyn retains the life and sparkle for which White is known. The tale brings Arthur full circle, an ending, White wrote, that "will turn my completed epic into a perfect fruit, 'rounded off and bright and done.'"

The Way of Fire and Ice John Hunt Publishing

What do you do when you discover that your best friend at work sabotaged your promotion? Or if a neighbor suddenly decides that you don't belong in his town? What if a group of teens sets out to make your life a living hell? Silver's Spells for Protection contains tips for dealing with all these situations, and more. This book covers how to handle stalkers, abusers, and other nasties with practical information as well as magickal techniques. It also discusses some of the other irritants in life-like protecting yourself from your mother-in-law's caustic tongue and how to avoid that guy who's out to take your job.

Runes and Ritual Simon and Schuster

Are you tired of hearing "you're doing it wrong"? Norse Witch by Connla

Freyjason celebrates the Spirit of the Norse Tradition, fusing past with present towards a more magickal future. Rather than steadily looking backwards into the past, and treating History as the Letter of the Law, this book focuses on building a living, breathing faith that is as vibrant and electric as a Scandinavian night sky. We cannot live as our Ancestors did, nor should we really want to, but we can and should learn from them, and then take those lessons forward into our modern world. That is the soul of what it means to be a Norse Witch; to reclaim the Heidhrinn Heart. Participate in

Godfinding; procure, bless, and ensoul your ritual objects; go wight-walking, and reclaim your Heidhrinn Heart, as you journey down this spiritual path, shimmering with the myriad colors of the Northern Lights. Highlights of your journey will include: Self-work Devotional Acts Godfinding Morality (Good vs. Evil) Jormungandr Ritual Objects; Sacred Tools Wight-Walking Angels Among Us: The Alfar, The Ancestors, and The Disir The Wild Hunt (Protection Magick) Runelore Magick for Manifestation Faring-Forth (Astral Travel) PLUS: Sojourns with Odin, Freyr, Freyja, Hella, Tyr, and Baldur! "As Norse Witches, we aren't Heathen, we're Heidhrinn. Note: those two words are pronounced exactly the same way. That's because they are etymologically identical, stemming from the same Old Norse root: Heidhr. The original Heidhr was Gullveig, after her "trial" at the hands of the Aesir (and specifically Odin Himself). Heidhr means "bright" or "clear," and is encountered so often throughout the Eddas and Sagas as the name of various volvas (or seidhrworkers; i.e., Norse Witches), that this suggests it may have become a title for such practitioners of Norse magick. Over time, as Christianity came to dominate the spiritual landscape of the Norse lands, the word Heidhrinn sprang up to denote those who still followed the "Old Ways"; the Pagan Path of the Norse. Today, that term survives as Heathen. Though often mistranslated as meaning "of the heath"-people who lived on the fringes of society in the countryside, and, therefore, clung to the "Old Ways"-in truth, the very word Heathen is actually a combination of the word Heidhr and the Old Norse suffix -inn, which is used to turn nouns into adjectives. Therefore, to be Heidhrinn is to be like Heidhr: a bright, clear, some

might even say shining witch." -Connla Freyjason, Norse Witch: Reclaiming the Heidhrinn Heart, Chapter One: Northern Lights

Nine Worlds of Seid-Magic Viking Society for Northern Research University College Like sitting down with a friend for a cup of coffee or glass of mead, "Vitki Musings: Runes, Seidr and Esoteric Asatru" is a glimpse into the life and mind of a Vitki/Norse Shaman. Based on the popular blog, Vitki Musings is more than merely cut and paste. You will find new commentaries and new musings which offer an enhanced reading experience in regards to all manner of esoteric Asatru. Filled with tips, hints, and exercises for the novice and veteran Vitki alike. Find out what readers worldwide already know - Vitki Musings is the real deal!

Norse Goddess Magic Moshpit Publishing "The runes you must find ... Which the mighty sage stained and the powerful gods made and the runemaster of the gods carved out." (The Poetic Edda, translated by C. Larrington) The runes are mysterious and powerful magical keys to the primal forces of nature that shaped Norse and Northern European culture. These twenty-four unique and inspiring symbols of the Elder Futhark (first runic alphabet) each possess powerful energies, identities, meanings, and sounds. The runes are invoked and harnessed to create change through inspiration, healing, protection, knowledge and divine wisdom from the Norse gods. Odin's Gateways is a practical guide to using the runes in our lives, in magic and in divination - a unique journey into the mysteries hidden within the runes, filled with the information and practices necessary to developing a deep personal understanding and relationship with

them. By focusing on how to directly harness and channel the energy of the individual runes, the author guides the reader along the path to self knowledge and empowerment. With a deft hand and lucid style, Katie Gerrard cuts to the heart of the runes, combining the wisdom of the Norse Sagas and Rune Poems with practical advice and techniques gained through living and

experiencing their powers. The divinatory meanings of the runes are given, with a range of different reading methods; bindrunes are explained in detail, with numerous examples presented ready for use; galdr (incantation) and spellcraft, charms and talismans are all seamlessly explored and made accessible in this fluid, concise and practical guide.
