Intermediate/Middle School Teach Yourself

A must have for MBA students and professional managers who need to use English at work. A part of the hugely popular Professional English in Use series, this book offers management vocabulary reference and practice for learners of intermediate level and above (B1-C1). Key MBA topics, including Leadership, Change Management and Finance are presented through real business case studies. The course is informed by the Cambridge International Corpus to ensure that the language taught is up-to-date and frequently used. Primarily designed as a self-study, the book can also be used for classroom work and one-to-one lessons. This book is a must for both students of MBA or other Business programmes and professionals who need management English. Success Cambridge University Press

Critical Reading provides a systematic introduction to the process of analyzing and evaluating a written text. Students develop critical reading skills through analysis of texts from authentic sources (journals, newspapers, magazines, and websites) and a variety of academic disciplines. They are encouraged to develop their comprehension and vocabulary skills, while forming a reasoned assessment of the effectiveness and validity of a text. Highlights The text goes beyond the standard "reading comprehension plus vocabulary" approach. Includes opportunities for further research, as well as writing tasks designed to allow students to synthesize the materials they have read and reach an individual conclusion. Each chapter introduces a fundamental skill for developing critical awareness, including: considering place and date of publication; identifying author bias and purpose; distinguishing between fact and opinion; gauging scope of research; evaluating evidence; comparing the author's argument to other points of view; and ultimately, evaluating the strength and validity of an argument with the goal of writing a critical review of the article.
