The celebrated chief executive officer of Chrysler Corporation offers a straightforward account of his career at Ford, of the recent resurgence of Chrysler, and of what is wrong and right with American business

Autobiography Standard Ebooks

Kim Hyesoon's poems "create a seething, imaginative under-and-over-world where myth and politics, the everyday and the fabulous, bleed into each other" (Sean O'Brien, The Independent)

Winner of The Griffin International Poetry Prize and the Lucien Stryk Asian Translation Award The title section of Kim Hyesoon's powerful new book, *Autobiography of Death*, consists of forty-nine poems, each poem representing a single day during which the spirit roams after death before it enters the cycle of reincarnation. The poems not only give voice to those who met unjust deaths during Korea's violent contemporary history, but also unveil what Kim calls "the structure of death, that we remain living in." *Autobiography of Death*, Kim's most compelling work to date, at once reenacts trauma and narrates our historical death—how we have died and how we survive within this cyclical structure. In this sea of mirrors, the plural "you" speaks as a body of multitudes that has been beaten, bombed, and buried many times over by history. The volume concludes on the other side of

the mirror with "Face of Rhythm," a poem about individual pain, illness, and meditation.

I Know Why the Caged Bird Sings Little, Brown

John Denver chronicles the experiences that shaped his life, while unraveling the rich, inner journey of a shy Midwestern boy whose uneasy partnership with fame has been one of the defining forces of his first fifty years.

The Book of Myself Putnam Publishing Group

The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today Winner of the NAACP Image Award for Outstanding Literary Achievement One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will

Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

The Autobiography of B. B. King New York : Berkley Books

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya

Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

The Autobiography Random House

'Reveals his poignant battle against the dark side of his return to the pool' - Donald McRae, Guardian By the age of 14, at a time when most boys are coming to terms with teenage life, Ian Thorpe was representing his country and becoming the youngest ever individual male world champion. The 'Thorpedo' was soon the most famous swimmer in the world, routinely picking up Olympic gold medals and setting record-breaking times. But behind the public face of success, there was the hardship of a life lived in the constant glare of media attention and rumour. As Thorpe continued to work for his fans, he hid away a secret battle against depression and was ushered into retirement at just 24

years of age. Raw, honest and compelling, Thorpe's memoir brilliantly unveils the costs that sometimes come with unimaginable success. 'Fans of his easy style are in for a shock with his book' - Giles Hattersley, Sunday Times

The Official Autobiography Macmillan

This is a book of all of my life's adventures written in poetry. This is the first book I published. Which I later changed to BIG BOYS DONT CRY. If ya love poetry, and love life, get this book or get all of my books this is just book 1 in a series of books written by me. *Me* Vintage

Well guys, here we are! What an absolute whirlwind of a journey this has been so far. So much has happened in the last couple of life-changing years and I'm so excited to share it with you all- my Hinchers. You have been right by my side for every step of the way and I honestly couldn't have done it without the amazing love and support from this incredible family we've built together. It's often felt like a fairy tale but it hasn't always been easy, and I'm going to let you in on the highs and the lows as well as my biggest fears and my darkest challenges. Because this book right here, is me. This is me, Soph, the wife, the mother and the person behind Mrs Hinch. So let's do this! Put your Hinch Lists to one side, get comfy and join me on the sofa with a cuppa. Welcome to my world. This is my story.

This Is Me The Autobiography Simon and Schuster

This Is Me Courier Dover Publications

#1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos,

original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of Purple Rain to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. The Beautiful Ones is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince’s early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince’s evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book’s fourth section: his original handwritten treatment for Purple Rain—the final stage in Prince’s self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring’s riveting and moving introduction about his profound collaboration with Prince in his

final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he’d so carefully cultivated—and annotations that provide context to the book’s images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince’s ideas and vision, his voice and image—his undying gift to the world.

Not Dead Yet Random House

AVAILABLE NOW 'Delightful. A great, fun read.' DAVID JASON 'Mel Brooks is the king of comedy.' DAVID BADDIEL 'A comic genius.' SIMON PEGG 'Convivial and chirpily amusing...Wisecracking Mel's journey from tragedy to comedy.' TELEGRAPH 'Riotous' DAILY MAIL 'If you like Brooks, you'll love this. He brilliantly catches a lost world of postwar showbusiness, describing the writers' room coffee and doughnuts, the deli bagels and lox, the smell of cigar smoke and bananas Foster' SUNDAY TIMES At 95, the legendary Mel Brooks continues to set the standard for comedy across television, film, and the stage. Now, for the first time, this EGOT (Emmy, Grammy, Oscar, Tony) winner shares his story in his own words. 'Not since the Bible have I read anything so powerful and poignant. And to boot - it's a lot funnier!' - M. Brooks For anyone who loves American comedy, the long wait is over. Here are the never-before-told, behind-the-scenes anecdotes and remembrances from a master storyteller, filmmaker, and creator of all things funny. All About Me! charts Mel Brooks's meteoric rise from a Depression-era kid in Brooklyn to the recipient of the National Medal of Arts. Whether serving in the United States Army in World War II, or during his burgeoning career as a teenage comedian in the Catskills, Mel was always mining his

experiences for material, always looking for the perfect joke. His iconic career began with Sid Caesar's *Your Show of Shows*, where he was part of the greatest writers' room in history, which included Carl Reiner, Neil Simon, and Larry Gelbart. After co-creating both the mega-hit *2000 Year Old Man* comedy albums and the classic television series *Get Smart*, Brooks's stellar film career took off. He would go on to write, direct, and star in *The Producers*, *The Twelve Chairs*, *Blazing Saddles*, *Young Frankenstein*, *Silent Movie*, *High Anxiety*, and *Spaceballs*, as well as produce groundbreaking and eclectic films, including *The Elephant Man*, *The Fly*, and *My Favorite Year*. Brooks then went on to conquer Broadway with his record-breaking, Tony-winning musical, *The Producers*. *All About Me!* offers fans insight into the inspiration behind the ideas for his outstanding collection of boundary-breaking work, and offers details about the many close friendships and collaborations Brooks had, including those with Sid Caesar, Carl Reiner, Gene Wilder, Madeleine Kahn, Alfred Hitchcock, and the great love of his life, Anne Bancroft. Filled with tales of struggle, achievement, and camaraderie (and dozens of photographs), readers will gain a more personal and deeper understanding of the incredible body of work behind one of the most accomplished and beloved entertainers in history.

A Do-It-Yourself Autobiography in 201 Questions BBC Books

The Star: The public saw her as a gifted child star: the youngest actor to win an Oscar for her role as Helen Keller in *The Miracle Worker* and the youngest actor to have a prime-time television series bearing her own name. *The Nightmare*: What the public did not see was Anna Marie Duke, a young girl whose life changed

forever at age seven when tyrannical mangers stripped her of nearly all that was familiar, beginning with her name. She was deprived of family and friends. Her every word was programmed, her every action monitored and criticized. She was fed liquor and prescription drugs, taught to lie to get work, and relentlessly drilled to win roles. *The Legend*: Out of this nightmare emerged Patty Duke, a show business legend still searching for the child, Anna. She won three Emmy Awards and divorced three husbands. A starring role in *Valley of the Dolls* nearly ruined her career. She was notorious for wild spending sprees, turbulent liaisons, and an uncontrollable temper. Until a long hidden illness was diagnosed, and her amazing recovery recovery began. *The Triumph: Call Me Anna* is an American success story that grew out of a bizarre and desperate struggle for survival. A harrowing, ultimately triumphant story told by Patty Duke herself—wife, mother, political activist, President of the Screen Actors Guild, and at last, a happy, fulfilled woman whose miracle is her own life.

Between the World and Me Bantam

The award-winning poet reinvents a genre in a stunning work that is both a novel and a poem, both an unconventional re-creation of an ancient Greek myth and a wholly original coming-of-age story set in the present. Geryon, a young boy who is also a winged red monster, reveals the volcanic terrain of his fragile, tormented soul in an autobiography he begins at the age of five. As he grows older, Geryon escapes his abusive brother and affectionate but ineffectual mother, finding solace behind the lens of his camera and in the arms of a young man named Herakles, a cavalier drifter who leaves him at the peak of infatuation. When

Herakles reappears years later, Geryon confronts again the pain of his desire and embarks on a journey that will unleash his creative imagination to its fullest extent. By turns whimsical and haunting, erudite and accessible, richly layered and deceptively simple, *Autobiography of Red* is a profoundly moving portrait of an artist coming to terms with the fantastic accident of who he is. A NEW YORK TIMES NOTABLE BOOK OF THE YEAR National Book Critics Circle Award Finalist "Anne Carson is, for me, the most exciting poet writing in English today." --Michael Ondaatje "This book is amazing--I haven't discovered any writing in years so marvelously disturbing." --Alice Munro "A profound love story . . . sensuous and funny, poignant, musical and tender." --The New York Times Book Review "A deeply odd and immensely engaging book. . . . [Carson] exposes with passionate force the mythic underlying the explosive everyday." --The Village Voice
Autobiography of a Nine Year Old Simon and Schuster
 Traces the celebrated director's forty years in filmmaking, describing such events as his unlikely appointment as Canadian-Christian director of "Fiddler on the Roof," and his behind-the-scenes observations of Hollywood politics.

Iacocca One World

In this bold and candid memoir, music legend Billy Idol shares his life story, from his childhood in England to his rise to fame during the height of the punk pop revolution, revealing intimate details about the sex, drugs, and rock and roll that he is so fabulously famous for--all told in his own utterly indelible voice. An integral member of the punk rock revolution whose music crossed over into '80s pop mainstream--and one of MTV's first stars--Billy Idol remains an iconic music legend. Now, in his long awaited *Dancing*

With Myself, he delivers a lively, candid account of his journey to fame, including intimate and unapologetic details about his life's highs and lows, all rendered with the in your face attitude and exuberance his fans have embraced. *Idol* brings to life the key events that shaped his life, his music, and his career, including his early childhood in England, his year at Sussex University, and his time spent hanging out with the Sex Pistols and as a member of punk bands Chelsea and Generation X. He shares outtakes from his wildly and unexpectedly successful solo career and stories behind his string of popular hits, including "White Wedding," "Eyes Without a Face," and "Rebel Yell," which involved close collaboration with Steve Stevens and ultimately led to the creation of some of the most groundbreaking music videos ever seen. Featuring sixteen pages of full color, behind the scenes photos, *Dancing With Myself* is both a tale of survival and a celebration of the heady days when punk was born, a compelling and satisfying insider's tale from a man who made music history firsthand

Miles HarperCollins

B. B. King has the blues running through his blood. Growing up in the rural poverty of the Mississippi Delta, King first experienced the blues at nine years old, when his mother passed away. The man of the house before the end of his first decade, he used this strife as a source of inspiration and launched one of the most celebrated musical careers in American history. King has led a remarkable life, and this riveting autobiography dramatizes his whirlwind adventures from the Memphis of the forties to the Moscow of the nineties with unflinching candor and sincerity. But most of all, B.B.'s story is the story of the blues—the evolution

from country acoustic to urban electric, the birth and explosion of rock 'n' roll—and B.B.'s own long, but ultimately triumphant, struggle for crossover success, during which he remained unwaveringly true to the music of his heart.

A Better Me MIT Press

“Spend the day in bed” with Autobiography by Morrissey, whose new album *Low in High School* is out November 17th. Steven Patrick Morrissey was born in Manchester on May 22nd 1959. Singer-songwriter and co-founder of the Smiths (1982–1987), Morrissey has been a solo artist for twenty-six years, during which time he has had three number 1 albums in England in three different decades. Achieving eleven Top 10 albums (plus nine with the Smiths), his songs have been recorded by David Bowie, Nancy Sinatra, Marianne Faithfull, Chrissie Hynde, Thelma Houston, My Chemical Romance and Christy Moore, amongst others. An animal protectionist, in 2006 Morrissey was voted the second greatest living British icon by viewers of the BBC, losing out to Sir David Attenborough. In 2007 Morrissey was voted the greatest northern male, past or present, in a nationwide newspaper poll. In 2012, Morrissey was awarded the Keys to the City of Tel-Aviv. It has been said “Most pop stars have to be dead before they reach the iconic status that Morrissey has reached in his lifetime.”

Autobiography of Red Penguin

Ian Thorpe's achievements in the water are nothing short of phenomenal. He has won a record-holding eleven World Championship titles and ten Commonwealth Games gold medals. He has broken twenty-two world records and won five gold, three silver and one bronze Olympic medals. Having been under the

spotlight since he was a young teenager, Thorpe retired from competitive swimming in 2006 because of the intense pressure he felt, but five years later he decided to make a hugely publicised comeback. Thorpe is one of the world's most successful sportsmen, but it is the way he has managed his triumphs and his commitment to helping others that have earned him respect and admiration internationally. Thorpe's autobiography follows him all the way from his childhood in Sydney right up to the London Olympics. This is a man who has had highs and lows away from the pool, who has led an extraordinary life of an elite athlete that most of us will never know, who has faced up to his own demons, and who has the courage to come back and stake his claim for the ultimate goal once more.

The Autobiography of P. T. Barnum This Is Me The Autobiography A leading scientist describes his life, his gender transition, his scientific work, and his advocacy for gender equality in science. Ben Barres was known for his groundbreaking scientific work and for his groundbreaking advocacy for gender equality in science. In this book, completed shortly before his death from pancreatic cancer in December 2017, Barres (born in 1954) describes a life full of remarkable accomplishments—from his childhood as a precocious math and science whiz to his experiences as a female student at MIT in the 1970s to his female-to-male transition in his forties, to his scientific work and role as teacher and mentor at Stanford. Barres recounts his early life—his interest in science, first manifested as a fascination with the mad scientist in Superman; his academic successes; and his gender confusion. Barres felt even as a very young child that he was assigned the

wrong gender. After years of being acutely uncomfortable in his own skin, Barres transitioned from female to male. He reports he felt nothing but relief on becoming his true self. He was proud to be a role model for transgender scientists. As an undergraduate at MIT, Barres experienced discrimination, but it was after transitioning that he realized how differently male and female scientists are treated. He became an advocate for gender equality in science, and later in life responded pointedly to Larry Summers's speculation that women were innately unsuited to be

scientists. Privileged white men, Barres writes, “miss the basic point that in the face of negative stereotyping, talented women will not be recognized.” At Stanford, Barres made important discoveries about glia, the most numerous cells in the brain, and he describes some of his work. “The most rewarding part of his job,” however, was mentoring young scientists. That, and his advocacy for women and transgender scientists, ensures his legacy.
