Discover a renewed biblical vision for sex, singleness, and relationships, and transform into an empowered woman of faith equipped to navigate today's dating culture with vision, clarity, and freedom. Let's face it: being single in today's culture as a woman of faith can be a STRUGGLE FEST. But it doesn't have to be. With real talk and straight wisdom,

speaker, podcaster, and founder of The Refined Woman Kat Harris says it's time for a new conversation about singleness, sex, and desire. Growing up at the height of the purity movement, Kat knew this much: good Christians don't have sex until marriage. But approaching 30 and thrust into the New York City dating scene, she found a set of rules was not a compelling enough reason to keep her clothes on. Caught between purity culture's rules and popular culture's do what feels good, Kat began a multi-year journey searching for answers to the biggest questions about sexuality and faith: What does the Bible really say about sex? Why does almost everyone deal with some sort of sexual shame? But really--what's a single girl to do with her sexual desire? What if we never get

married . . . then what? It turns out Kat was asking questions that countless women were dying to ask but didn't know they had the permission to do so. Hungry for clarity, she researched, wrestled, and discovered a God who wasn't afraid or ashamed of sex and desire as she thought He might be. In actuality, God created sex and desire within humanity and called it very good. Now she believes God desires to restore a generation disillusioned with purity culture and Christian dating, discouraged about their singleness, ashamed of their sexual desire, and uncertain how to practically walk this season out well. Join Kat on her messy, sometimes painful, and always honest journey to discovering God's heart for sexuality, desire, singleness, and our purpose

within it all.

This book titled 'THE SUN WILL RISE AGAIN' is aimed at inspiring millions of those little buds who are forced to terminate their journey half way, being unable to bear with a few failures. All their inherent skill, talent and aspiration for a better tomorrow, get buried in course of time. Accepting this to be the destiny's cruel decision, they are made to move from door to door with a begging bowl, desperately in search of a faint ray of HOPE—'will the fortune ever smile on us?' The high sounding speeches of some of the selfclaimed Servants of the people on different occasions like Independence Day,

Children Day, Army Day and Teachers' Day. . . , end up with some promises and assurances—far from reality. Dadaji's dream to change their life, his dedicated & determined efforts to transform his vision to a reality, could instil self confidence among many children, To add to this, Ranimaa's untiring people—friendly activities, handling critical issues fearlessly, changed the lives of Chumki, Jaggu, Lala, Kanha Chahawalla, Sheela, Lakshmi, Chitrasen. . . .and many others, as written in this book. This book containing twenty essays in brief and lucid form, touches various issues we come across, like—protecting the environment, care of children and elderly persons at home, stress management in work place, exploitation of the innocents in the name

of religion and faith, providing the basic needs to all—like clean water, shelter, health care, education, safety, and. . . I shall be very happy if the readers take a little trouble to send their valuable suggestions for upgrading the book in the next edition.

Bad News Won't Change My Mind

A renowned Sufi Shaykh synthesizes his wisdom of the Sufi path for knowing & loving God, specifically for the Western reader. This study of Sufism serves as a guide for finding your purpose & acting according to it. To the Sufi, actions, thoughts, feelings, spoken words, all transmit vibrational patterns which produce reactions in the universe. The goal is to understand which reactions please the Creator as opposed to one's ego. The Sufi route to this goal is via the heart, for love is the medium of unity necessary for a connection between a person & the Divine. The book discusses the practices that open a student's inner organs of perception to an expanded world of radiance which is normally

unseen. The Shaykh serves as the guide & protector on this journey & the book clearly describes the responsibilities of both the Shaykh & the Sufi student. The ultimate goal of the Sufi path is the purification of one's heart, a process known as "surrender," i.e., the achievement of complete mastery over the selfish urgings of one's egoistic nature. Intention & sincerity are the springboards of the surrender process -- the inner aspect which gives meaning to our outer deeds.

Bad News Won't Change My Mind... It's going to get better - don't die yet. You can make it. Don't give up. You have been through too much to quit now. There's got to be more for you. There's got to be something else for you. There's

got to be a reason behind your challenges. Where you are right now is not where you are going. There's more before you than behind you. There's a God who longs to heal the hurting hearts of broken people. No performance necessary; you don't have to impress Him, and you can't anyway. Jesus knows your hidden fears and secret sorrows. God didn't bring you this far to see you drown. Just keep your head up in the midst of the storm and look at His hand. The hand of God is warm and tender, yet firm and strong. He wipes away the hidden tears we never allow to fall.

This book captures some real-life scenarios where people bound by circumstances terminate their journey halfway. Being tired of failures, all their

talents and aspirations get buried in the sands of time. Accepting it to be destiny's cruel decision, they move from door to door with a begging bowl, desperately in search of a faint ray of hope: 'Will the fortune ever smile on us?' Some terrorists and trouble makers train and engage innocent boys in unlawful activities. The high sounding speech of the self-claimed servants of the people, on different occasions like Independence Day, Children's Day, Martyrs' Day, .. end up with some promises and assurances - far from reality. Dada Ji's dream to change the lives of people around him and efforts to transform his vision into reality instil self-confidence among many. Rani Maa's untiring people-friendly activities and handling critical issues fearlessly further encourage his

efforts. In a war between two parties, it is not always the strength that brings victory. Strategy concurs over bravado as Shekhar's decisions at crucial points helped him rise through ranks. Providing materialistic help to the needy is an earnest effort or a careless mistake. The focus should be to empower people, not to be needy again. Eliminate crime or criminal, an unconditional surrender of Wing Commander Mahesh narrates a different perspective to this. As Lord Krishna said to Arjuna on the 13th Day of the Mahabharata war, "Thou focus on the fight, leave the results to 'Almighty Me' ". The book highlights characters keeping up the fight till the end to see through their own Karma's fruits.

This book seeks to offer an interpretation of how terrorism has become a tool of Muslim radicals and why it is completely at odds with the teaching of Islam. It claims that terrorism has nothing to do

with Islam as a religion but the evolution of Muslims, especially in the past one thousand years, has created an environment in which fanaticism, radicalism and violence can flourish. Supported by double standards by Western powers and active backing for corrupt governments and groups, Islamic terrorism came into being. It presents an overview of how Islamic thought in many parts of the Muslim world has become rigid and frozen and grounds for hoping that change in that thought may come, from a perhaps surprising place. It suggests the role that both Muslim and Western societies have played and will continue to play in contributing to reforming Islam. Our purpose is not to provide a thorough proof of our ideas, but to spark discussion and dialogue,

both in Muslim and non-Muslim communities (and, ideally, between the two) as to how Islam can regain in world thought and civilization the honored place it had during the Golden Age of Islam.

A Story of Rising Again After Unimaginable Loss Createspace Independent Publishing Platform
 World War II was without question the deadliest war in history. Of the estimated 70 million people killed, 50 to 55 million were civilians. The United States managed to stay out of the war that was ravaging the rest of the world until the day when the Empire of Japan bombed Pearl Harbor, "a date which will live in infamy." What prompted the Japanese to wage war with the United States? Was the attack really a surprise

or was it a carefully orchestrated event by Washington to anger the American public enough to want to go to war? Did the Japanese government truly believe that they would prevail against the military might of the United States? The losses the Japanese military experienced during the Pacific War were unforeseeable. The suffering endured by the Japanese people was unimaginable. By the end of World War II, Japan had persevered through eight years of war, taking into account the Second Sino-Japanese War which began in 1937. The country lay in ruins and the morale of its people was at an all-time low, but in the land of the rising sun, THE SUN WILL RISE AGAIN! Follow Japan's journey from a nation vanquished to a nation victorious in this book that details the

grim realities of war, politics, racism, and blind devotion.

Sixteen-year-old Leela and her younger sister, Maya, are spurred on to wear homespun to show the British that the Indians won't be oppressed for much longer, either, but when Leela's betrothed, Nash, asks her to circulate a petition amongst her classmates to desegregate the girls' school in Chadrapur, she's wary. She needs to remind Maya that the old ways are not all bad, for soon Maya will have to join her own betrothed and his family in their quiet village. When she discovers that Maya has embarked on a forbidden romance, Leela's response shocks her

family, her town, and her country firmly into the new century.
