Chandler State University is the one thing keeping the dusty, Western town of Chandler on the map. Now that its basketball program has fallen apart, CSU's only claim to fame is its Gravinics Department, dedicated to the study of an obscure European country—its mythology, its extraordinarily difficult language, and especially its bizarre star poet, Henderson. Having discovered Henderson's poetry in a trash bin, Stanley Higgs becomes the foremost scholar of the poet's work, accepts a position at Chandler State University, achieves international academic fame, marries the Dean's daughter, and abruptly stops talking. With all of academia convinced that Higgs is formulating a great truth, the university employs Orwellian techniques to record Higgs's every potential utterance and to save its reputation. A feckless Gravinics language student, Samuel Grapearbor, together with his long-suffering girlfriend Julia, is hired to monitor Higgs during the day. Over endless games of checkers and shared sandwiches, a uniquely silent friendship develops. As one man struggles to grow up and the other grows old, The Grasshopper King, in all of his glory, emerges. In this debut novel about treachery, death, academia, marriage, mythology, history, and truly horrible poetry, Jordan Ellenberg creates a world complete with its own geography, obscene folklore, and absurdly endearing -

characters—a world where arcane subjects flourish and the smallest swerve from convention can result in -immortality. Jordan Ellenberg was born in Potomac, Maryland in 1971. His brilliance as a mathematical prodigy led to a feature in The National Enquirer, an interview with Charlie Rose on CBS's Nightwatch, and gold medals at the Math Olympiad in Cuba and Germany. He is now an Assistant Professor of Math at Princeton University and his column, "Do the Math," appears regularly in the online journal Slate. This is his first novel.

The Grddha Mullick family bursts with marvellous tales of hangmen and hangings in which they figure as eyewitnesses to the momentous events that have shaped the history of the subcontinent. When twenty-two-year-old Chetna Grddha Mullick is appointed the first woman executioner in India, assistant and successor to her father, her life explodes under the harsh lights of television cameras. When the day of the execution arrives, will she bring herself to take a life? Meera's spectacular imagination turns the story of Chetna's life into an epic and perverse coming-of-age tale. The lurid pleasures of voyeurism and the punishing ironies of violence are kept in agile balance as the drama hurtles to its inevitable climax.

This is the story of Bhima, the second son, always second in line -- a story never adequately told until one of India's finest writers conjured him up from the silences in Vyasa's narrative. M.T. Vasudevan Nair's Bhima is a revelation -- lonely, eager to succeed, treated with a mixture of affection and contempt by his Pandava brothers, and with scorn and hatred by his Kaurava cousins, Bhima battles incessantly with failure and disappointment. He is adept at disguising his feelings, but has an overwhelmingly intuitive understanding of everyone who crosses his path. A warrior without equal, he takes on the mighty Bakasura and Jarasandha, and ultimately Duryodhana, thus bringing the Great War to a close. However, all of Bhima's moments of triumph remain unrecognized and unrewarded. If his mother saw glory only in the skills of Arjuna and the wisdom of Yudhishtira, his beloved Draupadi cared only for the beautiful Arjuna.

Following in the footsteps of the storytellers of his native India, R. K. Narayan has produced his own versions of tales taken from the Ramayana and the Mahabarata. Carefully selecting those stories which include the strongest characters, and omitting the theological or social commentary that would have drawn out the telling, Narayan informs these fascinating myths with his urbane

humor and graceful style. "Mr. Narayan gives vitality and an original viewpoint to the most ancient of legends, lacing them with his own blend of satire, pertinent explanation and thoughtful commentary."—Santha Rama Rau, *New York Times* "Narayan's narrative style is swift, firm, graceful, and lucid . . . thoroughly knowledgeable, skillful, entertaining. One could hardly hope for more."—Rosanne Klass, *Times Literary Supplement*

A dazzling and eloquent reworking of the Mahabharata, one of South Asia's best-loved epics, through nineteen peripheral voices. With daring poetic forms, Karthika Naïr breathes new life into this ancient epic. Karthika Naïr refracts the epic Mahabharata through the voices of nameless soldiers, outcast warriors and handmaidens as well as abducted princesses, tribal queens, and a gender-shifting god. As peripheral figures and silent catalysts take center stage, we get a glimpse of lives and stories buried beneath the dramas of god and nation, heroics and victory - of the lives obscured by myth and history, all too often interchangeable. Until the Lions is a kaleidoscopic, poetic tour de force. It reveals the most intimate threads of desire, greed, and sacrifice in this foundational epic.

The Great Indian Novel Simon & Schuster

In this award-winning novel, Tharoor has masterfully recast the

two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

The only novel of one of Kerala's leading women writers, Lalithambika Antharjanam's Agnisakshi is a telling account of a woman's life glowing as though purified in the "fire of sacrifice". Set against the history of Kerala, and life, customs, habits, and culture of the Namboodiri community, along with the fervent cries of the Indian National Freedom struggle, the characters act out their unforgettable roles: Tethi, the dazzling but disappointed bride who renounces worldly life; Unni Namboodiri, whose adherence to the Vedic way of life destroys his personal happiness; and Thankam, Unni's Nair cousin and the mighty Aphan Namboodiri's daughter, seeking her own liberation from the past. True to the lyrical and emotional tone of the original, Vasanthi Sankaranarayanan's translation offers a moving portrait of upper-class, upper-caste Kerala society just before and after Independence.

'Takes the Malayalam novel to new heights and fresh possibilities' HINDU What makes us human? Twelve people accompany an anthropologist to a deserted island, cutting off all relations with the outside world. There, an experiment begins. They are not to use any known languages and must begin anew - to explore and find out if they can achieve in twenty-five years what humanity has achieved over generations. Twenty-five years later, only three of the thirteen have survived. As these three survivors recount their tale, what emerges is a story of humanity returned to its primitive roots, bereft of attachment, and not nearly as utopian as was expected. Award-winning writer T. D. Ramakrishnan's debut novel, translated for the first time to English, explores through a powerfully imaginative conceit the meaning of relationships, attachments, love, hate and anger. Above all, it seeks to answer the question: what does it mean to be human?

Legends of Khasak Courier Corporation

On 6 December 1959, Prime Minister Jawaharlal Nehru went to Dhanbad district in Jharkhand to inaugurate the Panchet Dam across the Damodar river. A fifteen-year-old girl, Budhini, chosen by the Damodar Valley Corporation welcomed him with a garland and placed a tikka on his forehead. When these ceremonial gestures were interpreted as an act of matrimony, the fifteen-year-old was ostracized by her village and let go from her job as a construction worker, citing violation of Santal traditions. Budhini was outlawed for 'marrying outside her community'. Budhini Mejhan's is the tale of an uprooted life, told here through the contemporary lens of Rupi Murmu, a young journalist distantly related to her and determined to excavate her story. In this reimagined history, Sarah Joseph evokes Budhini with vigour, authority and panache, conjuring up a robust and endearing feminine character and reminding us of the lives and stories that should never be forgotten. Translated by her daughter, Sangeetha Sreenivasan, a fiercely individualistic novelist herself,

Sarah Joseph's Budhini powerfully invokes the wider bio-politics of our relentless modernization and the dangers of being indifferent to ecological realities.

Light from the fire burning afar mingled with the moonlight in Kurukshetra to create a terrible twilight. Scattered corpses ... broken chariots ... sporadic death cries ... prowling scavengers ... the battlefield stretched endlessly. The victorious Pāndava camps burst into deafening cheers amidst burning funeral pyres. The Great War was finally over. But soon enough, when everyone learns the truth about the hated enemy, Karna, that towering figure with the golden glow, another battle starts. Everyone stands stunned, forgetting to even cry. Torn by the guilt of fratricide, Yudhishtira becomes a recluse. Draupadi becomes restless: her tryst with reality begins. What seemed a justifiable end to an ignominious character completely overturns. Her pride for her husbands' valour erodes. Life as she had understood slowly begins to lose meaning. This Malayalam classic centres on Karna, the most criticized yet admired character of the Mahabharata, treacherously killed by his half-brother Arjuna. His life story unfolds through the eyes of Draupadi, in flashbacks and tales she hears from those around her in the aftermath of the battle of Kurukshetra.

Pandavapuram AuthorHouse

Many Mahābhāratas is an introduction to the spectacular and long-lived diversity of Mahābhārata literature in South Asia. This

diversity begins with the Sanskrit Mahābhārata, an early epic poem that narrates the events of a catastrophic fratricidal war. Along the way, it draws in nearly everything else in Hindu mythology, philosophy, and story literature. The magnitude of its scope and the relentless complexity of its worldview primed the Mahābhārata for uncountable tellings in South Asia and beyond. For two thousand years, the instinctive approach to the Mahābhārata has been not to consume it but to create it anew. The many Mahābhāratas of this book come from the first century to the twenty-first. They are composed in nine different languages—Apabhramsha, Bengali, English, Hindi, Kannada, Malayalam, Sanskrit, Tamil, and Telugu. Early chapters illuminate themes of retelling within the Sanskrit Mahābhārata itself, demonstrating that the story's propensity for regeneration emerges from within. The majority of the book, however, reaches far beyond the Sanskrit epic. Readers dive into classical dramas, premodern vernacular poems, regional performance traditions, commentaries, graphic novels, political essays, novels, and contemporary theater productions—all of them Mahābhāratas. Because of its historical and linguistic breadth, its commitment to primary sources, and its exploration of multiplicity and diversity as essential features of the Mahābhārata's long life in South Asia, Many Mahābhāratas constitutes a major contribution to the study of South Asian literature and offers a landmark view of the field of Mahābhārata studies.
