The last two hundred
years have seen a
massive increase in the
size of the world economy
and equally massive
inequalities of wealth and
power between different
parts of the world. They
have also witnessed the
rise to dominance of the
capitalist mode of
production. Marxists, from
Marx himself through to
present day thinkers,
have argued that these
changes are profoundly
interconnected. This book
offers a unique account of
Marxist theories of
Imperialism. It has been
fully updated and
expanded to cover all the
developments since its
initial publication and will
be essential reading for
any student of Marxism.

What the Eldredge
bestsellers *Wild at Heart*
did for men, and
Captivating did for
women, *LOVE & WAR*
will do for married couples
everywhere. John and
Stasi Eldredge have
contributed the
quintessential works on
Christian spirituality
through the experience of
men and the experience
of women and now they

turn their focus to the incredible dynamic between those two forces. With refreshing openness that will grab readers from the first page, the Eldredges candidly discuss their own marriage and the insights they've gained from the challenges they faced. Each talks independently to the reader about what they've learned, giving their guidance personal

immediacy and a balance between the male and female perspectives that has been absent from all previous books on this topic. They begin LOVE & WAR with an obvious but necessary acknowledgement: Marriage is fabulously hard. They advise that the sooner we get the shame and confusion off our backs, the sooner we'll find our way through.

LOVE & WAR shows couples how to fight for their love and happiness, calling men and women to step into the great adventure God has waiting for them together. Walking alongside John and Stasi Eldredge, every couple can discover how their individual journeys are growing into a story of meaning much greater than anything they could do or be on their own.
