Ruby Binns-Cagney Men couldn't help but be drawn to her exquisite beauty and incomparable grace. But Thandy knew Dr. Jackson Gabrielle was different the minute they met. And indeed, Jack knew that this enchanting creature was meant for him, despite the fact that he was already married. Thandy and Jack's decade-long affair might have been continued indefinitely, the hard-working attorney and the high-profile surgeon scraping together moments for each other out of their crazed schedules, if Thandy hadn't learned

from Jack's bitter wife that he had taken up with yet another woman. Thandy moves on, leaving Jack in Atlanta for a big job in Chicago. Jack, used to getting everything he has ever wanted with ease, is forced to figure out what it takes to hold on to something he loves. And Thandy, having fought her whole life for everything she has achieved, realizes the true measure of her strength. But fate intervenes and sets into motion a series of events leading to a shocking climax that forever changes everything.

Trading up isn't just for the wealthy anymore. These days no one is shocked when an administrative assistant buys silk pajamas at Victoria's Secret. Or a young professional buys only Kendall-Jackson premium wines. Or a construction worker splurges on a \$3,000 set of Callaway golf clubs. In dozens of categories, these new luxury brands now sell at huge premiums over conventional goods, and in much larger volumes than traditional old luxury goods. Trading Up has become the definitive book about this growing trend. *Prices and Reviews, American and Imports* 1997 Intellichoice Incorporated Singapore's best homegrown car
