Girl in Pieces HarperCollins
 Fans of *Girl, Interrupted*, *Thirteen Reasons Why*, and *All the Bright Places* will love this New York Times bestseller. "A haunting, beautiful, and necessary book that will stay with you long after you've read the last page."—Nicola Yoon, #1 New York Times bestselling author of *Everything, Everything* and *The Sun Is Also a Star* Charlotte Davis is in pieces. At seventeen she's already lost more than most people do in a lifetime. But she's learned how to forget. The broken glass washes away the sorrow until there is nothing but calm. You don't have to think about your father and the river. Your best friend, who is gone forever. Or your mother, who has nothing left to give you. Every new scar hardens Charlie's heart just a little more, yet it still hurts so much. It hurts enough to not care anymore, which is sometimes what has to happen before you can find your way back from the edge. A deeply moving portrait of a girl in a world that owes her

nothing, and has taken so much, and the journey she undergoes to put herself back together. Kathleen Glasgow's debut is heartbreakingly real and unflinchingly honest. It's a story you won't be able to look away from. "Girl, Interrupted meets *Speak*."—Refinery29 "A dark yet powerful read."—Paste Magazine "One of the most affecting novels we have read."—Goop "Breathtaking and beautifully written."—Bustle "Intimate and gritty."—The Irish Times And don't miss Kathleen Glasgow's newest novel *How to Make Friends with the Dark*, which Karen M. McManus, the New York Times bestselling author of *One of Us Is Lying*, calls "rare and powerful." *The Extraordinary Story of Charlie and His Family* HarperCollins Australia
 Discusses various types of planes and their different functions and uses.

With expressive illustrations by Diane deGroat, a new delicious recipe from Ree Drummond, and the hilarious antics of Charlie, this picture book is a surefire hit! There's nothing that makes Charlie's soul rejoice more than naps and bacon. But when his daily routine of eating and sleeping is interrupted by a new baby calf, Abigail, Charlie is not happy! Things go from bad to worse when Charlie sees everyone rubbing Abigail's belly—instead of his; feeding her—instead of him; and tucking Abigail in at the end of the day—in Charlie's bed. Will Charlie be able to adjust to the new addition?

An A to Z Guide from the Country's Most Irritable Green Thumb Simon and Schuster

He even takes a break from patrol duty to take a fun sled ride with Walter and Sister down the snowy slopes--whee! One ride is enough fun for Charlie, but Walter can't wait to go again and again. That is, until Walter goes missing! It's up to Charlie to take control of the situation and bring his buddy back, before anything bad happens to Walter!

"I have never used a moose before," says Santa, "but I'm willing if you are." At first, clumsy Milton is not very good at landing on roofs. The Pioneer Woman Cooks Penguin

Hidden far from sight, deep in the thick underbrush of the North Florida woods are the ghostly graves of more than thirty unidentified bodies, some of which are thought to be children who were beaten to death at the old Florida Industrial School for Boys at Marianna. It is suspected that many more bodies will be found in the fields and swamplands surrounding the institution. Investigations into the unmarked graves have compelled many grown men to come forward and share their stories of the abuses they endured and the atrocities they witnessed in the 1950s and 1960s at the institution. *The White House Boys: An American Tragedy* is the true story of the horrors recalled by Roger Dean Kiser, one of the boys incarcerated at the facility in the late fifties for the crime of being a confused, unwanted, and wayward child. In a style reminiscent of the works of Mark Twain, Kiser recounts the horrifying verbal, sexual, and physical abuse he and other innocent young boys endured at the hands of their "caretakers." Questions remain unanswered and theories abound, but Roger and the other 'White House Boys' are determined to learn the truth and see justice served.

"The dogs that deserved a chance, the guy who needed a second, and the girl determined to save him." My name is Emma Sawyer. I met Charlie and Wyatt on the same sultry, summer day. It was unexpected, leaving a feeling in the pit of my stomach like the time I drove too fast over Beckett Hill. The moment happened

out of nowhere, all fast and quick and a little strange. Or maybe that was just Wyatt's personality. It was Charlie that brought us together. Little Charlie with those ridiculous ears. I found the dog, waiting in a pool of his own blood. Waiting for someone. Waiting for me. Now Wyatt, he wasn't waiting for anyone. At least that's what he said, except I saw something different in the broken guy all alone out in the woods. I knew he needed me before he knew it himself. Wyatt with his hidden dimples. Wyatt with his warnings to stay away. He was a hard lump of coal, ready to burn everything around him. The more he burned, the more it pulled me into the pain I saw etched on his troubled face. I wanted to help Wyatt. I wanted to save him like he had saved all the Charlies in the world. He told me not to fall for him, but I did anyway. I fell hard and fast and deeply in love with Wyatt Caulfield. But that was before I knew his secret. Author Note: Waiting for Wyatt is the love story of Wyatt Caulfield and Emma Sawyer, which also features rescue animals. It's a 112,000 word standalone, Contemporary Romance / New Adult Novel.

But eventually, I looked around and discovered all the wonderful things about country life. So I decided to write a story about my experiences, as seen through the eyes of a little girl named Ree. Little Ree moves to the country and feels as scared and unsure as I was. But then she finds that if she sets her mind to it, being a country girl is a pretty cool thing. Come along on her adventures!” Little Ree trades in her city days for a country way of life when she moves with her family to her grandparents' ranch. She's excited to ride horses, swim in the pond, and help Grandma cook for everyone. But on her first day, she finds that living on a ranch can be tough. She has to get up at the crack of dawn, learn to herd cows, and make sure her horse, Pepper, doesn't eat everything in sight. And that's all before breakfast! Will she ever get used to this new place? Luckily, the end of the day brings a big family barbecue...and the happy discovery that being a country girl isn't about the right
