The first authorized biography written specifically for young readers! First published in 2005 in conjunction with the 25th anniversary of the Marathon of Hope, *Terry Fox: A Story of Hope* was created in cooperation with the Terry Fox Foundation and the Fox family, and is the first authorized biography of Terry Fox written specifically for young readers. Many young Canadians may have heard of Terry Fox, but don't know the whole story. With more school children than ever participating in the annual Terry Fox Run, this is the perfect tool for teachers and parents to talk about the legacy and life of one of Canada's greatest heroes. Dozens of colour photographs and simple text combine to tell Terry Fox's story—from his early years as a boy who grew up loving sports and determined to finish what he started, through his treatment for cancer and the loss of his leg, to his historic run to raise money for cancer

research. His story continues to inspire millions of people around the world, and the foundation carrying his name raises millions of dollars every year. The author's royalties and a matching donation from Scholastic will go to the Terry Fox Foundation.

Understanding and Using English Grammar

The South Pole is a book by Roald Amundsen and it represents an interesting first-hand account of the Norwegian expedition's successful attempt to reach the South Pole in 1911. Amundsen spends a great deal of time talking about logistics and placing of depots in preparation for his polar attempt all the way from the preparation leading up to the initial sea voyage, the voyage itself and then the establishing of a camp at the Antarctic. Although they were lucky with the weather, and Amundsen attributed the success of the expedition to "good luck", it is obvious that the Norwegian expedition was well prepared and ready for the troubles ahead; the equipment, the sledges with well-trained dogs, the supply depots with seal meat at

regular intervals along the route, the sunglasses to avoid snow blindness; it was all thought of in advance.
