Print Archive — THE JAUNT The Jaunt is combining the two best things in life: art and travel. We are sending contemporary artists all over the world for inspiration and new impressions. Because nothing is more inspiring than stepping out of your comfort zone. THE JAUNT For those that don't know, the Jaunt is about a crude type of teleportation technology. People are sent through it sedated. If someone is sent while fully awake, they pass through in .0000006 seconds, but their

consciousness somehow goes through billions of years of limbo, nothingness. Billions of years within less than a second.
