The Perfect Secret

Delacorte Press

Jeffrey isn't a little boy with cancer anymore. He's a teen who's in remission, but life still feels fragile. The aftereffects of treatment have left Jeffrey with an inability to be a great student or to walk without limping. His parents still

worry about him. His older brother, Steven, lost it and took off to Africa to be in a drumming circle and "find himself." Jeffrey has a little soul searching to do, too, which begins with his escalating anger at Steven, an old friend who is keeping something secret, and a girl who is way out of his league but who thinks he's cute.

Return to Sender Puffin
From first-time novelist Jordan Sonnenblick, a brave and beautiful story

that will make readers laugh and break their hearts at the same time. Thirteen-year-old Steven has a totally normal life: he plays drums in the All-Star Jazz band, has a crush on the hottest girl in the school, and is constantly annoyed by his five-year-old brother, Jeffrey. But when Jeffrey is diagnosed with leukemia, Steven's world is turned upside down. He is forced to deal with his brother's illness and his parents'

attempts to keep the family in one piece. Salted with humor and peppered with devastating realities, **DRUMS, GIRLS, AND DANGEROUS PIE** is a heartwarming journey through a year in the life of a family in crisis.

Double Identity Scholastic Inc.

Caitlin misses her brother every day. Since his death in a school shooting, she has no one to explain the world to her. And for Caitlin, the world is a confusing place. She hates it when colours get mixed up, prefers

everything to be black-and-white, and needs to check her Facial Expressions Chart to understand emotions. So when Caitlin reads the definition of “closure”, she decides that’s what she needs. And as she struggles to find it, a world of colour begins to enter her black-and-white life...

Winnie Perry is fourteen now, and the countdown to high school is shaping up to be as eventful as an entire year of middle

school. Not only are things shaky with her boyfriend, Lars, but BFFs Dinah and Cinnamon have been acting weird, big sister Sandra is college-bound, little brother Ty has smuggled a stolen penguin home in his backpack, and new baby sister Maggie has everything turned upside down. It’s a lot for anyone to handle, and loyal Winnie is so busy worrying about everyone else that she hardly notices that she might just be struggling a little bit herself. With humor

and honesty, Lauren Myracle brings us another pitch-perfect novel featuring the characters that her legions of fans have grown up loving.

Bat 6 Simon and Schuster The seven kids who bonded in Mr. Terupt's fifth-grade class are in eighth grade now and reunited with their beloved teacher. Readers will once again be inspired by how the kids face their challenges and by the adults who help them along the way. Jeffrey, Alexia, Anna, Danielle, Luke, Peter, and Jessica

are thrilled to have their beloved teacher, Mr. Terupt, back for the school year as their biweekly adviser. They still rely on him for guidance on so many things, including these dilemmas: JEFFREY wants to make varsity wrestling, but at what cost? Worried that she may have the same cancer gene as her mom, ALEXIA takes a DNA test--only she's scared to open the results. Neglected by her soon-to-be-married mom, and wounded by Jeffrey's callous brush-off, ANNA

keeps her hurt feelings bottled up--until she can't. DANIELLE has ups and downs with her diabetes, but her budding romance with Luke proves to be the real challenge. LUKE's tackling lots of difficult schoolwork, none of it harder than letting Danielle know he likes her. Anxious about her dad's return, JESSICA pours her heart into writing poetry. Angry at what he thinks is a betrayal, PETER gives Mr. Terupt the silent treatment. To celebrate their remaining time with

Mr. Terupt, the students hatch bucket-list type projects to make the school year important, memorable, and way bigger than just the group. Will the gang stick together down to the final project? Will their friendships endure after the difficult goodbye? The Perfect Star Mr. Terupt Falls Again Twelve-year-old Thea, devastated after seeing her best friend die, begins to open to the possibility of new friendships and forgiveness, and comes to believe in what cannot be

fully explained. After Ever After Delacorte Press Ten-year-old girls don't wear wigs. So why is Anya wearing one? That's what Keely wants to know. But when Anya's wig falls off in front of the whole class, Keely realizes what she really wants is to help Anya, even though she's not sure how--and even though it means she'll have to do something she's afraid of: stand up to her friends. As for Anya, she just wants her hair to grow back, but no one can tell her whether it

ever will. How can she learn to accept her disease when she can't even look in the mirror? Saving Mr. Terupt Random House Books for Young Readers It's Amanda's 11th birthday and she is super excited--after all, 11 is so different from 10. But from the start, everything goes wrong. The worst part of it all is that she and her best friend, Leo, with whom she's shared every birthday, are on the outs and this will be the first birthday they haven't shared together. When

Amanda turns in for the night, glad to have her birthday behind her, she wakes up happy for a new day. Or is it? Her birthday seems to be repeating itself. What is going on?! And how can she fix it? Only time, friendship, and a little luck will tell. . .

Wake Up Missing

Sourcebooks, Inc.

From masterfully funny and poignant Jordan Sonnenblick, a story that will have everyone searching for their inner Zen. Meet San Lee, a (sort of) innocent teenager, who moves against his

will to a new town. Things get interesting when he (sort of) invents a new past for himself, which makes him incredibly popular. In fact, his whole school starts to (sort of) worship him, just because he (sort of) accidentally gave the impression that he's a reincarnated mystic. When things start to unravel, San needs to find some real wisdom in a hurry. Can he patch things up with his family, save himself from bodily harm, stop being an outcast, and maybe even get the girl?

Forget what you know

about prophecies—this epic middle-grade fantasy about a clumsy boy born into a family of thieves is fresh, fun, and anything but predictable! The first in an unforgettable trilogy, this Kirkus Reviews Best Children's Book of the Year takes everything you thought you knew about fantasy and spins it into pure magic. Jaxter Grimjinx is a born thief. At least, he's supposed to be. For generations, the Grimjinx clan has produced the swiftest, cleverest thieves in Vengekeep. The

problem is, Jaxter is clumsy. So clumsy that in his first solo heist, he sets the Castellan's house on fire and lands his family in prison. Even Jaxter's talent for breaking magical locks can't get them out of this bind. Then a suspiciously convenient prophecy emerges, naming the Grimjinx clan as the soon-to-be heroes of Vengekeep. It's good enough to get his family out of jail, but when the doomsday prophecy starts to come true, Jaxter is pretty sure a life behind

bars would be a better fate. Now, with the help of his new friend, Callie, Jaxter will have to face down flaming monsters, a bazaar of thieves, and a renegade sorcerer to become the hero he was truly born to be. Full of twists and turns, friendship and adventure, *The Vengekeep Prophecies* is a "rich fantasy that hits the ground running and never lets up" (Publishers Weekly, starred review). *The Perfect Score*

Mockingbird." —Booklist, Starred "An unforgettable boy and his unforgettable story. I loved it!" —ROB BUYEA, author of *Because of Mr. Terupt* and *Mr. Terupt Falls Again* This Newbery Honor winner is perfect for fans of *To Kill a Mockingbird*, *The King's Speech*, and *The Help*. A boy who stutters comes of age in the segregated South, during the summer that changes his life. Little Man throws the meanest fastball in town. But talking is a whole different ball game. He can barely say a word without

stuttering—not even his own name. So when he takes over his best friend's paper route for the month of July, he's not exactly looking forward to interacting with the customers. But it's the neighborhood junkman, a bully and thief, who stirs up real trouble in Little Man's life.  So my only protection is a kindergarten teacher and a ninety-eight-pound female minister....And they don't even believe I'm in danger. As Bethany approaches her thirteenth birthday, her parents begin acting more oddly than usual: Her mother cries constantly, and her father barely lets Bethany out of his sight. Then one morning he hustles the

entire family into the car, drives across several state lines -- and leaves Bethany with an aunt she never knew existed. Bethany has no idea what's going on. She's worried that her mom and dad are running from some kind of trouble, but she can't find out because they won't tell her where they are going. Bethany's only clue is a few words she overheard her father tell her aunt Myrlie: "She doesn't know anything about Elizabeth." But Aunt Myrlie won't tell Bethany who Elizabeth is, and she

won't explain why people in her small town react to Bethany as if they've seen a ghost. The mystery intensifies when Bethany gets a package from her father containing four different birth certificates from four states, with four different last names -- and thousands of dollars in cash. And when a strange man shows up asking questions, Bethany realizes she's not the only one who's desperate to

unravel the secrets of her past. In this exhilarating thriller, Margaret Peterson Haddix crafts a taut story so full of twists and turns, readers will be gripped until the startling conclusion.
