## ERIN BEARD

A Dictionary of the Asante and Fante Language Called Tshi (Chwee, Twi) Asante Twi Contemporary Bible, Hardcover, Red Letter This Bible features the clear and accurate Asante Twi Contemporary Bible(TM) translation in a quality hardcover binding. Great for outreach, for those who are reading the Bible for the first time, or for those who are learning the Asante Twi language. Twi A Dictionary of the Asante and Fante Language Called Tshi (Chwee, Twi) Asante Catholicism Just as a physically healthy person--at an ideal weight and with good blood pressure and cholesterol numbers--might not actually be fit enough to run a 5k, so churches can appear healthy--with no obvious issues, maintaining a healthy size--and yet not exhibit fitness. A fit church is one that is not satisfied with merely coasting along with no problems. A fit church is actively making disciples, maturing in faith, developing strong leaders, reaching out to the community, and more. Building the Body offers pastors and church leaders twelve characteristics of fit churches and shows them how they can move their church through five levels of fitness, from beginner all the way to elite--just as an athlete, through training and practice, can become the top in his or her class. Includes comparison charts at the end of each chapter so readers can clearly see where their church currently falls and concluding "Complete the Progress Chart" so that they can see what their goals should be for the future.  
How To Pass From Curse To Blessing Harper Collins Based on extensive research in primary and secondary sources and on field research in Ghana, including more than 40 interviews, and applying her formidable expertise in African history, philosophy, historical anthropology and religious studies, Dr. Louise Muller has produced a superb analysis of the history and transformation of the roles of chieftaincy in the religious institutions, rituals and ideas among the Asante. -- David E. Skinner, Professor of History, African and Islamic Studies, Santa Clara U. (Series: Anthropology of Religion / Religionsethnologie - Vol. 2)  
*Asante Twi-English/English-Asante Twi Dictionary & Phrasebook* Wipf and Stock Publishers They knew us before we began to walk upright. Shamans called them guardians, mythmakers called them tricksters, pagans called them gods, churchmen called them demons, folklorists called them shape-shifters. They've obligingly taken any role we've assigned them, and, while needing nothing from us, have accepted whatever we thought was their due - love, hate, fear, worship, condemnation, neglect, oblivion. Even in modern times, when their existence is doubted or denied, they continue to

extend invitations to those who would travel a different road, a road not found on any of our cultural maps. But now, perceiving us as a threat to life itself, they issue their invitations with a dark purpose of their own. In this dazzling metaphysical thriller, four who put themselves in the hands of these all-but-forgotten Others venture across a sinister American landscape hidden from normal view, finding their way to interlocking destinies of death, terror, transcendental rapture, and shattering enlightenment. From the Trade Paperback edition.

**The Bible Translator** Marshall Cavendish International Asia Pte Ltd 'Biblical Exegesis in African Context' explores how the Church in Africa can affirm its uniqueness in terms of the African identity and experiences, and at the same time, remain faithful to the gospel message. The volume begins with an explanation of exegesis and hermeneutics, and the agenda for the rest of the book is set. The second chapter deals with textual criticism, which is the task of determining the originality of a biblical text. In chapter three, issues related to the context of the text are considered, after which the volume proceeds to examine the various literary forms present in the Bible— prominent among them being— Narrative, Law, Poetry, Prophecy, Wisdom Literature, Gospels, Acts of the Apostles, Epistles and Revelation. The authors then dedicate the next chapter to discussions on socio-rhetorical interpretation. The final chapters of the book deal with matters solely related to the context of Africa; this part intends to equip readers to be able to interpret the Bible from African cultural perspectives and then apply the gospel message meaningfully to the life of African Christians. Chapter seven deals with the emergence and historical development of African Biblical Studies (ABS), noting its relevance and how Africans can benefit from it. The main contention of the chapter is that Africans will better understand and apply God's word to their lives if they read the Scriptures in an African way. The volume then explores how African languages can be used to derive the meaning of scripture and apply it to real-life situations. Here, the authors contribute to the development of MTBH by developing a methodological framework for this interpretative tool. The next chapter of the volume deals with mother-tongue theologizing in Ghana. The final chapter considers the legitimacy of female leadership in the Church within the African context through the examination of two Pauline texts. This volume will be of interest to undergraduate and graduate seminary students, students of Biblical Interpretation in religions departments, as well as practicing pastors.

**Ghana - Culture Smart!** Vintage

Are you looking for a great idea or some inspiration to start a new venture or to help you grow your existing business? This book contains 100 great business ideas, extracted from the world's

best companies. Ideas provide the fuel for individuals and companies to create value and success. Indeed the power of ideas can even exceed the power of money. One simple idea can be the catalyst to move markets, inspire colleagues and employees, and capture the hearts and imaginations of customers. This book can be that very catalyst. Each idea is succinctly described and is followed by advice on how such an idea can be applied to the reader's own business situation. A simple but potentially powerful book for anyone seeking new inspiration and that killer application.

**Literacy and Development** B&H Publishing Group

This volume examines the development and use of the Bible from late Antiquity to the Reformation, tracing both its geographical and its intellectual journeys from its homelands throughout the Middle East and Mediterranean and into northern Europe. Richard Marsden and Ann Matter's volume provides a balanced treatment of eastern and western biblical traditions, highlighting processes of transmission and modes of exegesis among Roman and Orthodox Christians, Jews and Muslims and illuminating the role of the Bible in medieval inter-religious dialogue. Translations into Ethiopic, Slavic, Armenian and Georgian vernaculars, as well as Romance and Germanic, are treated in detail, along with the theme of allegorized spirituality and established forms of glossing. The chapters take the study of Bible history beyond the cloisters of medieval monasteries and ecclesiastical schools to consider the influence of biblical texts on vernacular poetry, prose, drama, law and the visual arts of East and West"

**An Intellectual Biography of Africa** Dpm-UK

Studies show that roughly one out of two marriages end in divorce. One of the reasons for this is couples today are not prepared for all—the good and bad—that may happen in marriage. Are you prepared? Author and blogger Jackie Bledsoe outlines the seven stages, or seven rings of marriages, that will equip couples for all stages in marriage. He challenges couples to keep moving through each stage for a lasting and fulfilling marriage. Through The Seven Rings of Marriage, readers gain a deeper appreciation of what marriage is, and get a clear picture of what may lie ahead in their marriage. Diligently go about making your marriage everything you and your spouse hoped for, and more! The seven rings are: Ring #1—Engagement RING Ring #2—Wedding RING Ring #3—DiscoverRING Ring #4—PerseveRING Ring #5—RestoRING Ring #6—ProspeRING Ring #7—MentoRING Visit <http://jackiebledsoe.com/7rings/> to learn more about The Seven Rings of Marriage, and get additional resources.

Mega-successful motivational speaker profiled in the Wall Street Journal, Keith Harrell shows how to put good attitude to work to get ahead in all aspects of life. Keith Harrell has been taking the corporate lecture circuit—and the media—by storm, and is poised to take his place among the motivational greats of the world. At six feet six inches, 43-year-old Harrell has the charisma of Tony Robbins, the intellect of Stephen Covey and the looks of Stedman Graham. He regularly inspires Fortune 500 companies with a 100% satisfaction rate. His message is simple yet powerful: Attitude, whether positive or negative, has the power to impact on an organization's or individual's success. Harrell teaches readers techniques for maintaining a powerful positive attitude in order to get ahead in life.

**A Handbook for African Mother-Tongue Bible Translators** Wm. B. Eerdmans Publishing

"A compelling account of African and European missionary translation teams working in Ghana and Togo from the 15th century into the 20th century. J. D. K. Ekem, director of the Institute of Mother-tongue Biblical Hermeneutics at Trinity Theological Seminary, Legon, Ghana, guides readers through an account of the earliest translations of biblical texts into the four main languages of Ghana and Togo, providing fascinating examples that illustrate the historical contexts and key translation issues, along with the daunting obstacles and ultimate triumphs of the early translation teams." -- Publisher description.

**All Things New** Vernon Press

This volume brings together twenty-two of the world's leading translation and interpreting theorists, to address the issue of sensitivity in translation. Whether in novels or legal documents, the Bible or travel brochures, in translating ancient texts or providing simultaneous interpretation, sensitive subject-matter, contentious modes of expression and the sensibilities of the

target audience are the biggest obstacles to acceptance of the translator's work. The contributors bring to bear a wide variety of approaches - generative, cognitive, lexical and functional - in confronting this problem, and in negotiating the competing claims of source cultures and target cultures in the areas of cultural, political, religious and sexual sensitivity. All of the articles are presented here for the first time, and in his Introduction Karl Simms gives an overview of the philosophical and linguistic questions which have motivated translators of sensitive texts through the ages. This book will be of interest to all working translators and interpreters, and to teachers of translation theory and practice.

Grandma's List David C Cook

This Bible features the clear and accurate Asante Twi Contemporary Bible(TM) translation in a quality hardcover binding. Great for outreach, for those who are reading the Bible for the first time, or for those who are learning the Asante Twi language.

Easyjet Magazine "...offer glimpses into the psyche of a faraway world." New York Times

Religion and Chieftaincy in Ghana Thomas Nelson Publishers

The Christian faith presents a distinctive vision of last things: that God in Christ aims to reconcile the world to himself, and through his Spirit and a new people, to set all things to right. This good news is for all nations and peoples, but for too long the Christian doctrine of eschatology has focused on debates and arguments rooted solely in the Western church. In *All Things New*, leading theologians and biblical scholars from Africa, Asia, Latin America, and North America offer readers a glimpse of how Christians around the globe are perceiving and describing the Christian hope. The result is a remarkably refreshing and distinctive vision of eschatology guaranteed to raise new questions and add new insights to the global church's vision of the eschaton.

*Kwame Bediako and African Christian Scholarship* LIT Verlag Münster

This volume, originally published in 1970, presents a survey of the languages spoken in an area extending from the Atlantic coast at the Sengal River eastward to the Lake Chad region. The area covered by this volume is mainly a geographical one, so it follows that not all the languages included are related to one another, though a certain degree of homogeneity appears.

*Asante Catholicism* Baker Books

THIS BOOK (7X10 PAPERBACK) CONTAINS 14PT FONT FOR EASIER READING. (THE AVERAGE BIBLE CONTAINS 6PT FONT LETTERING.) The Gospel According to John is one of the four canonical gospels in the New Testament. It traditionally appears fourth, after the synoptic gospels of Matthew, Mark, and Luke. John begins with the witness and affirmation of John the Baptist and concludes with the death, burial, resurrection, and post-resurrection appearances of Jesus.
