**Visitors Sign-In Book** Harper Collins  
 VISITOR'S LOG BOOK Need a log book for visitors who come to  
 your place? Whether it is for school, office, gym, hospital or in any  
 public or private place, there is always a log book for visitors to  
 sign in. Then this Visitor's Log Book is perfect for your reception  
 desk! Write in a stylish and sturdy notebook because we made  
 our Visitor's Log Book as: RESOURCEFUL. It includes sections such  
 as Visitor's name, date, time, address, phone number, time in or  
 time out, or other important details. Keeping track of visitors and  
 vendors entering your facility is an important aspect of many  
 businesses and organizations. USEFUL & CONVENIENT. In a

similar way to improving fire safety, having a visitor book can also  
 help improve security at work. Keeping a log of everyone who  
 should be in the building or your office can help you quickly  
 identify if someone is there who shouldn't be. BUILT TO LAST. The  
 binding is durable so the pages will remain secure and will not  
 break loose. We make sure our notebooks are reliable and of  
 good quality for several months of use. WELL-CUSTOMIZED  
 INTERIOR. It comes in good and practical materials designed for  
 you. We make sure you will write on thick white paper to  
 minimize ink bleed-through. The marks, columns, and margins in  
 every page are clearly printed to give you enough space to log  
 details. PAGE DIMENSIONS. With its 21.59 x 27.94 cm (8.5" x 11")  
 dimensions, it lays flat durably while writing on it. Good size and  
 weight to keep on your reception's table. UNIQUE COVERS. Be  
 inspired when you see our collections of log books and lay your  
 eyes on its creative designs and sturdy cover. We stand to  
 present good quality log books to cater you the best writing  
 experience with our collections of notebooks. With this Visitor Log  
 Book, you can now keep track of visitors in your property or  
 institution, a needed security measure. Don't miss this copy, get  
 one now!

**Visitors Sign In** Simon and Schuster  
 A cottage journal to record your adventures, memories, visitors  
 and vital cottage information. A log to be filled out each time you  
 visit your cottage which creates a valuable keepsake for  
 generations to come.

**The Visitors** Penguin  
 Suppose you could communicate with a visitor who was not from  
 this place, time-space or even this dimension? What would you  
 want to ask them? The answers probably lie in what our own  
 response would be if we were them. This book is based on a  
 collection of interviews I have had with a few individuals who may  
 have actually had such an experience. The idea is that if enough  
 of us are ready to ask the questions and gain the answers, then  
 our collective knowledge and understanding of the "multiverse"  
 about us can only continue to be enhanced. Sometimes the  
 responses that you will read here are similar; often they are  
 diametrically opposed to each other. An open but highly skeptical  
 mind is extremely necessary if you are going to sift through the  
 data that is presented in this book. The intent is that it should  
 peak your curiosity to learn more about "visitors." In this way,  
 we may be better informed and prepared, and thus in some sort of  
 coherent shape to deal with their arrival. If you read this book,  
 you must be well prepared to choose for yourself what you will or  
 will not believe.

*The Visitors (Paperback Edition)* Independently Published  
 With the smart suspense of Emma Donoghue's Room and the  
 atmospheric claustrophobia of Grey Gardens, this "bizarrely  
 unsettling, yet compulsively readable" (Iain Reid, internationally

bestselling author of I'm Thinking of Ending Things) thriller  
 explores the twisted realities that can lurk beneath even the most  
 serene of surfaces. What becomes of a child who grows up  
 without love? Marion Zetland lives with her domineering older  
 brother John in a crumbling mansion on the edge of a northern  
 seaside resort. A timid spinster in her fifties who still sleeps with  
 teddy bears, Marion does her best to live by John's rules, even if it  
 means turning a blind eye to the noises she hears coming from  
 behind the cellar door...and to the women's laundry in the  
 hamper that isn't hers. For years, she's buried the signs of John's  
 devastating secret into the deep recesses of her mind—until the  
 day John is crippled by a heart attack, and Marion becomes the  
 only one whose shoulders are fit to bear his secret. Forced to go  
 down to the cellar and face what her brother has kept hidden,  
 Marion discovers more about herself than she ever thought  
 possible. As the truth is slowly unraveled, we finally begin to  
 understand: maybe John isn't the only one with a dark side....

*Forgotten Visitors* Createspace Independent Publishing Platform  
 From the New York Times bestselling author Sally Beauman  
 comes an intensely atmospheric, spellbinding re-creation of Lord  
 Carnarvon's hunt for Tutankhamun's tomb in Egypt's Valley of the  
 Kings. Sent abroad to Egypt in 1922 to recover from the typhoid  
 that has killed her mother, eleven-year-old Lucy becomes swept  
 up in the feverish excitement surrounding the search for  
 Tutankhamun's tomb. Through her friendship with Frances, the  
 daughter of an American archaeologist, Lucy witnesses first-hand  
 the intrigue, politics, and passions surrounding this quest. Raised  
 in a world in which adults are often cold and unpredictable, Lucy  
 forms an immediate bond with Frances. Their friendship sustains  
 them throughout childhood, guides them through the class-ridden  
 colonial society in which they grow up, and takes them into an  
 adult life that promises fulfilment—until it veers toward

heartbreak. Deftly constructed and transportive, peopled by powerful characters, moving from the 1920s to the present day, *The Visitors* is a timeless coming-of-age narrative set against the backdrop of profound historical change. But how is such change documented? Whose testimony is reliable? Which witness should we believe? Looking back on her past much later in life, viewing it from the perspective of age, Lucy tells a deeply moving story of love and loss, of mistakes made and incendiary secrets concealed. She reveals the circumstances that lie behind the most celebrated discovery ever made in the Valley of the Kings, a discovery clouded by deception, in which triumph swiftly turned to tragedy; it is a story, as she comes to see, whose truths are both elusive and occluded, one that mirrors her own. As Lord Carnarvon and the archaeologist Howard Carter force the desert to yield its treasures, Lucy reveals the extremes to which people are driven by desire—even when these extremes involve building a life around a lie.

[Visitor Log Book](#) Sort of Books

On the eve of the Occupy Wall Street protests, C is flat broke. Once a renowned textile artist, she's now the sole proprietor of an arts supply store in Lower Manhattan. Divorced, alone, at loose ends, C is stuck with a struggling business, a stack of bills, a new erotic interest in her oldest girlfriend, and a persistent hallucination in the form of a rogue garden gnome with a pointed interest in systems collapse. . . . C needs to put her medical debt and her sex life in order, but how to make concrete plans with this little visitor haunting her apartment, sporting a three-piece suit and delivering impromptu lectures on the vulnerability of the national grid? Moreover, what's all this computer code doing in the story of her life? And do the answers to all of C's questions lie with an eco-hacktivist cabal threatening to end modern life as we know it? *The Visitors* is mordantly funny as it follows a woman dealing with debt, lust and an unwelcome visitor in the last days of a broken status quo. It peers into *How We Got Here* and asks *What We Do Next*, whatever our personal hallucinations may be. *Museum Guest Book: (250 Pages): Museum Visitor Guestbook / Guest Registry / Sign-In Book / Date, Where From, Name & Comment Sections* Knock Knock

In this small but perfectly formed collection of supernatural short stories, Sophie Hannah takes the comforting scenes of everyday life and imbues them with a frisson of fear, then a gust of terror. Why is a young woman so unnerved by the presence of a visitors book in her boyfriend's inner-city home? And whose spidery handwriting is it that fills the pages? Who is the strangely courteous boy still lingering at a child's tenth birthday party when all the parents have gathered their children and left? And why does the presence of a perfectly ordinary woman in a post office

queue leave another customer pallid and sweating with fear? Beware what you open this Christmas!

*GUEST BOOK, Visitors Book, Comments Book, Guest Comments Book HARDBACK* Routledge

"An elegant and deeply moving meditation on friendship, family, and life on earth. Rules for Visiting is a wonderful novel." —Emily St. John Mandel, author of *Sea of Tranquility*, *The Glass Hotel*, and *Station Eleven* The national bestseller and an Indie Next List pick Name a Best Book of the Year by O Magazine • Good Housekeeping • Real Simple • Vulture • Chicago Tribune Named a Best Book of the Summer by The Today Show • Good Morning America • Wall Street Journal • San Francisco Chronicle • Southern Living Shortlisted for the 2020 Bollinger Everyman Wodehouse Prize Long-listed for the 2020 Tournament of Books Dry, witty, and unapologetic, May Attaway loves literature and her work as a botanist for the university in her hometown. More at home with plants than people, May begins to suspect she isn't very good at friendship and wonders if it's possible to improve with practice. Granted some leave from her job, she sets out on a journey to spend time with four long-neglected friends. Smart, funny, and full of compassion, *Rules for Visiting* is the story of a search for friendship in the digital age, a singular look at the way we stay in touch. While May travels, she studies her friends' lives and begins to confront the pain of her own. With simplicity and honesty, Jessica Francis Kane has crafted an exquisite story about a woman trying to find a new way to be in the world. This nourishing book, with its beautiful contemplation of travel, trees, family, and friendship, is the perfect antidote to our chaotic times.
