 Review: *The Education of Lev Navrozov*. Subtitled *A Life in the Closed World Once Called Russia*, this book is an autobiographical novel, but it's just as much a political history of the Soviet Union. The Education was published in 1975 by Harper's Magazine Press, and, as far as I can tell, was never reprinted. The first thing to know is that Lev Navrozov, as he admits, comes from one of the highest "castes" of Soviet society.
