Discover the secret Joshua gave the Israelites for prosperity and success. The Israelites finally had land and the opportunity to start anew. Their leader, Joshua, spoke wisely about how to follow God's law and how to be successful. Joshua 1:8 says, "This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, that you may observe to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success." The Joshua Code™ is a challenge to keep the Word in our mouths through memorization and in our hearts through meditation "day and night." The fifty-two chapters in this volume are designed to lead you on a yearlong journey by spending each week memorizing and meditating on one Scripture verse so that it becomes a living part of your very being. Topics include grace, temptation, the three levels of prayer, fruit of the spirit, and more. The outlines in each chapter can also be used by the busy pastor or Bible teacher for guiding their members. God's Word is powerful and profitable when studied and applied by anyone, the young and the seasoned believer alike. "You will both enjoy and profit from reading The Joshua Code. His emphasis upon the importance of Scripture memorization vibrates once more the lost chord of hiding God's Word in your heart." - Dr. John Edmund Haggai, Founder and CEO, Haggai Institute "The Joshua Code literally cracks the code that every leader struggles with: In these uncertain times, with uncertain outcomes, how can a leader put first things first? The example of Joshua memorizing and meditating on God's Word moves us from success to significance. Most of all, the emphasis on Scripture memory fits in perfectly with our matrix at Student Leadership University that you will be the same person five years from now, except for the books you read, the people you meet, the places you go, and the things you memorize." - Dr. Jay Strack, President & Founder, Student Leadership University "The Joshua Code is impacting our whole church as we memorize the Scriptures together. Each week the Scripture verse appears in our announcements and on Sunday evenings the verse is recited as a group and the devotional thoughts are read then discussed. This is bringing us together as a family around the Word of God." - Dr. Thomas Sherwood, Long Falls Church, Carthage, New York "Whether on the football field or the field of life you need a playbook. My friend, O.S. Hawkins' new book, The Joshua Code, is a great resource in understanding the 52 verses every believer should know. I read it regularly in my own devotions and enthusiastically recommend it to my family, friends and fans." - Roger Staubach, NFL Hall of Fame Quarterback

Bible memorization according to some scholars is said to be absolutely fundamental to spiritual formation of every believer in Christ. Considering the fact that God never sent down any book from heaven, but he sent the bible (his words) as guidance for mankind as a whole. This stresses the fact that knowing the words is more important than having a bible. That touches in brief for anyone who can reason in-depth; the reason why the words of the scripture has to be imbibed into our memory as Christians. What make us act the way we do? A good look at this question and an objective answer to it will certainly shed more light on the importance of memorizing the scripture. As Christians, we as expected to live according to the scripture, and putting this in reference of how the human brain works. we cannot afford as Christians to be without our bible even if we aren't carrying anything. As humans, we have a spontaneous brain which works and acts on injected information. The human nature Getting scripture into memory will go a long way in helping us form a Christ like life. The way the human mind work is one factor that has made it needful for the scripture to be memorized if it truly is the way of life we intend to use. The human mind acts on first-hand information it gets from the memory and having the bible as that first-hand information is priceless. The ease of memorizing the scripture is a case of different strokes for different folks; it is majorly subject to the retentive capacity of whoever is in question. Retentive capacity is certainly a very important factor, but other important factors include; commitment towards the course of memorizing the scripture, zeal and required guidance on the best models of memorizing the Scripture are among factors that aid this process. This book offers you OVER 150 bible verses from thousands of the important verses of the scripture to memorize them have been sorted according to their individual or collective message. Enjoy!

The Bible, in and of itself, is a miracle. Think about it -- over centuries of time, God supernaturally moved upon a number of men's hearts, resulting in them writing down the exact words of God. God then led His people to recognize these divine writings and to distinguish them from everything else that has ever been written. Then God's people brought these 66 books together. The preservation and survival of the Bible is as miraculous as its writing. Then God gave men technological knowledge to copy and transmit the Bible so that all people could have it. All of this took place because God has something to say to you. With Foundations, you can read through all 66 of the miraculous books of the Bible in one year, while still having the flexibility of reading 5 days per week.
