Content Update: Dark

Relics The R Lic Of

Thieves There are five types of Relic to look out for: the Enchantment Vessel, Hexing Skull, Evil Eye, Mutinous Effigy and

Bewitching Doll. The Order of Souls assures all pirates that they won't get horribly cursed just by handling the Relics. Sea of Thieves - Sea of Thieves: Dark Relics The Peculiar Relic is one of the Artefacts in Sea of Thieves, a Treasure related to the Gold Hoarders. Where to Find. Like most Artefacts, the Peculiar Relic can be

found: Randomly spawned on the shores of any island, excluding Outposts, Seaposts and Forts. Random chance to spawn in Fortress Vaults. Peculiar Relic - Sea of Thieves Wiki Dark times have arrived on the Sea of Thieves, as skeletons have stolen several dangerous artefacts from The Order of Souls - the aptly named Dark Relics!

This new event begins on August 14th and brings a close to the previous event, a cycle that players can expect to see continue into the future. Sea of Thieves - Recover the Dark Relics If You Dare! Relics, Legends, and Cursed Treasures I'd love to hear more about these things in game. I personally think it would be awesome to quest for one of these relics and then have the option to either turn in for lots of gold or add them to your ship for a buff. Relics, Legends, and Cursed

Treasures :
Sea of Thieves The Dark Relic voyages are comprised of four chapters. Two of the four chapters are Order of Souls quests: you will be going to an island to hunt and kill multiple skeleton captains. The other two chapters will be an x-marks-the-spot quests, but—instead of digging up chests or gunpowder barrels—you will be digging up treasures the skellies stole!
