Spiritual Discernment Christian Fellowship Publishers

Watchman Nee uses the lives of Abraham, Isaac, and Jacob to show that God is able to turn our failure into success and our weakness into strength. God's sufficiency in the face of our failure is seen only as we surrender to Him and are changed into His likeness.

Changed Into His Likeness Living Stream Ministry

For more than seventy years, *The Spiritual Man*, Watchman Nee's classic on spiritual growth, has helped believers advance in their pursuit of gaining Christ by showing them the way to let the Lord fully gain them. According to Nee, "The most frustrating experience of believers today is that in seeking for progress in the spiritual path, they do not find the proper way. As a result, they grope in darkness, being at times high or low, lingering around the crossroads year in and year out, and having no one to consult for direction. The author of this book was such a one. For this reason, the book emphasizes clear guidance on the proper path. Every chapter of this book is for the purpose of directing the believers on the right course. Therefore, all those who seek after God with an honest heart can go step by step accordingly. Almost every chapter begins from the position of the sinner and goes on step by step toward the peak of spiritual life." This electronic book is the first of the three volumes of *The Spiritual Man*.

The All-inclusive Christ Living Stream Ministry

God's desire is to commune with man. God being spirit, the man who worships Him must worship in spirit and truth. It is therefore essential for man to be spiritual. This is what the gospel of Jesus Christ is all about. Salvation is the way to spirituality. The original three volume set of *The Spiritual Man* by Watchman Nee serves as a guide, not as a manual, to walk in spiritual life as well as to fight the spiritual warfare. It was written under tremendous spiritual conflict. Only through the grace of God and the victory of Christ was Watchman Nee able to finish the writing. Now having become a Christian classic, it may be considered as Watchman Nee's legacy to the Church. Condensed in this new volume, there are 42 lessons to be learned in journeying towards the spiritual. May we be guided by the Spirit of God to heartily learn these necessary lessons all to the glory of God.

The Ten Great Critical "ones" for the Building Up of the Body of Christ Living Stream Ministry

I consider Watchman Nee to be a unique gift given by the Head to His Body.... I fully respect him as such a gift....I am more than grateful to the Lord that immediately after being saved I was brought into such a profitable relationship with Watchman Nee and put into the closest relationship with him

in the work of His recovery through so many events over a long period of time. The revelations concerning Christ, the church, the Spirit, and life which I saw through Watchman Nee, the infusions of life which I received from him, and the things concerning the work and the church which I learned from him will require eternity to evaluate their true worth. By Witness Lee

The Heavenly Man CLC Publications

From Romans to the seven epistles in the book of Revelation, the life-giving Spirit, spoken of in 1 Corinthians 15:45, is the general subject of all the New Testament Epistles. In the Gospels the Lord Jesus is presented as the Word who became flesh, while in the Epistles He is presented as the One who became the life-giving Spirit in resurrection for us to receive, experience, and enjoy. In the Spirit in the Epistles Witness Lee speaks of the believers being one spirit with the Lord, that is, of the mingling of the divine Spirit with our regenerated human spirit. Since the Spirit is the essence of the revelation in the Epistles, Witness Lee also emphasizes our practical need to take Christ as life by turning to the indwelling Spirit, by setting our mind on the spirit, and by living and walking in the spirit that we may live in the Lord, who is the Spirit.

Lesson Book Living Stream Ministry

"Every Christian who has believed into Christ and received Him has a desire to grow in Him. The greatest hindrances to the experience of the growth in life are not outward circumstances and environmental hardships; rather, they are a mind in need of renewing, a will in need of submission to God, and an emotion in need of stability. In *The Breaking of the Outer Man and the Release of the Spirit* Watchman Nee provides a clear picture of the need for the breaking of the outer man so that the life of Christ in our spirit can flow out as rivers of living water to refresh and build up the people of God. In a new and revised translation of this spiritual classic, Watchman Nee provides crucial insight into the Biblical revelation of the necessity of the dividing of our soul from our spirit"--Back cover
