CLINTON TURNER

A Math Myth Longman
 In the predawn hours of a gloomy
 February day in 1994, two thieves
 entered the National Gallery in Oslo and

made off with one of the world's most
 famous paintings, Edvard Munch's
 Scream. It was a brazen crime
 committed while the whole world was
 watching the opening ceremonies of the
 Winter Olympics in Lillehammer. Baffled
 and humiliated, the Norwegian police
 turned to the one man they believed

could help: a half English, half American undercover cop named Charley Hill, the world's greatest art detective. The *Rescue Artist* is a rollicking narrative that carries readers deep inside the art underworld -- and introduces them to a large and colorful cast of titled aristocrats, intrepid investigators, and thick-necked thugs. But most compelling of all is Charley Hill himself, a complicated mix of brilliance, foolhardiness, and charm whose hunt for a purloined treasure would either cap an illustrious career or be the fiasco that would haunt him forever.

A Case-based Approach Open Road + Grove/Atlantic

A secret world full of magic, unicorns and friendship! The brand-new series from the bestselling Daisy Meadows, author of *RAINBOW MAGIC* and *MAGIC ANIMAL FRIENDS*, and the most-borrowed children's author in UK libraries. Snowstar is a little unicorn with a big problem - his mum has been kidnapped by evil unicorn Selena! Until he can get her back, all of Unicorn Valley is in danger. Can Aisha and Emily help Snowstar save his mum, and the rest of the kingdom, from an icy fate?

& Other Stories Vintage

The name Fenelon has stood for spiritual depth and insight for 300 years. Seeking Christians throughout the years have turned to his writings for guidance and help in their quest for a deeper walk with Christ. Here are his works and letters.

A True Story of Art, Thieves, and the Hunt for a Missing Masterpiece Twelve

Years a Slave

A story about how the very messy French philosopher, René Descartes, invented an ingenious way to keep track of his possessions.

Women Hachette UK

Recent Advances in Surgery 35 is the

latest volume in a series that reviews current topics in general surgery and in its major subspecialties. Divided into five sections, this volume includes chapters on perioperative care, cardiopulmonary exercise testing for abdominal surgery, breast reconstruction, facial paralysis, a range of gastrointestinal subjects and the diabetic foot, as well as a review of randomised trials and meta-analyses in surgery. With contributions from recognised experts, the majority from throughout the UK, this new volume covers all the latest developments within surgery, providing excellent revision material for professional examinations, and helping consultant surgeons keep up to date across the specialty. Key points Latest volume in series bringing postgraduates and consultants up to date with the latest developments in general surgery and its subspecialties Includes review of randomised clinical trials and meta-analyses in surgery Contributions from recognised experts, mainly in the UK Includes more than 80 images and illustrations

Tacky Longman Scientific and Technical

It is difficult to be really bad at something, but the people in this book manage to succeed The book features tales of drivers who can't drive, travellers who get lost all the time and policemen who can't catch criminals.

CoursePoint The same trusted solution, innovation and unmatched support that you have come to expect from

CoursePoint is now enhanced with more engaging learning tools and deeper analytics to help prepare students for practice. This powerfully integrated, digital learning solution combines learning tools, case studies, real-time data and the most trusted nursing education content on the market to

make curriculum-wide learning more efficient and to meet students where they're at in their learning. And now, it's easier than ever for instructors and students to use, giving them everything they need for course and curriculum success! Coursepoint includes: Engaging course content provides a variety of learning tools to engage students of all learning styles. A more personalized learning approach gives students the content and tools they need at the moment they need it, giving them data for more focused remediation and helping to boost their confidence and competence. Powerful tools, including varying levels of case studies, interactive learning activities, and adaptive learning powered by PrepU, help students learn the critical thinking and clinical judgement skills to help them become practice-ready nurses. Unparalleled reporting provides in-depth dashboards with several data points to track student progress and help identify strengths and weaknesses. Unmatched support includes training coaches, product trainers, and nursing education consultants to help educators and students implement CoursePoint with ease.

Nudes Seedsowers

Tom (Royal T.) Ripley has his hands full trying to cope with his stroke-debilitated, adoptive father, "Pop", and their small Arizona ranch. He's delivering a calf when a blow to his head triggers memories that yank him back to the summer of 1978, his eighteenth year. One day Pop up and retired after thirty-six years as an Episcopal priest, and moved them halfway across the country to a twenty-acre ranch in the Arizona mountains. The Arizona ranch was a dream come true for young Royal T., who believed his life was finally

complete. That is until he met Cat and Goody, two exotic teenagers who were on a mystical search for answers to Goody's recent near-death experience. Royal T. didn't expect to be drawn into a web of drug-crazed suicide attempts, and bizarre spiritual adventures. And the last thing he expected was to find the love of his life-then tragically lose it. "I was touched by Sojourners, and found it to be a book of love, suspense, true spiritual values, and with a great cast of characters."-John Randolph Price, best-selling author of *The Superbeings*, and *The Abundance Book* "I love the way you work deep esoteric truth into the story. It is dear and sweet and packed with wisdom."-Jan Price, best-selling author of *The Other Side of Death*

Stand Firm Prabhat Prakashan

In an age of skepticism and disenchantment, people long for something that satisfies our mind's search for truth and our heart's desire for beauty and meaning. *Stand Firm: Apologetics and the Brilliance of the Gospel* argues that the gospel satisfies both of these needs. It is true and rational, but it is also inherently attractive and provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty, goodness and the meaningful life it offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

Special 1 B&H Academic

The wildly inventive debut collection of stories by the Oscar-nominated star of *The Social Network*. "Hilarious . . . It's a hoot" (People, The Best New Books). Jesse Eisenberg, known for his iconic film roles, his regular pieces in the *New Yorker* and two critically acclaimed plays, proves himself "a deeply original comic voice" in these 28 stories" about the funniness, sadness, and strangeness of everyday life and they really made me laugh" (Roz Chast). Moving from contemporary LA to the dorm rooms of an American college to ancient Pompeii, Eisenberg throws the reader into a universe of social misfits, reimagined scenes from history, and ridiculous overreactions; a college freshman forced to live with a roommate is stunned when one of her ramen packets goes missing ("She didn't have 'one' of my ramens. She had a chicken ramen."); Alexander Graham Bell has teething problems with his invention ("I've been calling Mabel all day, she doesn't pick up! Yes, of course I dialed the right number—2!"); and in the title story, a precocious and privileged nine-year-old boy finds himself in the uncomfortable position as an amateur restaurant critic. Featuring illustrations by award-winning cartoonist Jean Jillian, this "alphabet soup of sketches, riffs, and innovations" (Seattle Times) explores the various insanities of the modern world, "playfully bringing both familiar and wholly original scenarios to life" (Marie Claire). "Six-Gun Gorilla" by Anonymous. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is

to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Sojourners iUniverse

'A beautiful read / a perfect primer for an explosive lesbian affair / an essential truth' Lena Dunham 'I have meditated repeatedly on what it was about Finn that had me so dismantled.' A young woman moves from the countryside to the city. Inexplicably, inexorably and immediately, she falls in love with another woman for the first time in her life. Finn is nineteen years older than her, wears men's clothes, has a cocky smirk of a smile - and a long-term girlfriend. With precision, wit and tenderness, *Women* charts the frenzy and the fall out of love.

Twelve Years a Slave Good Press

An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the *Catapult* column "Store-Bought Is Fine" Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to "good" taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, *Sex and the City*, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay

about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in "You Wanna Be On Top," Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. A VINTAGE ORIGINAL

Tropical Plant Science JP Medical Ltd

Fiction. Women's Studies. Short Stories. Beginning with a story of an ex sex-worker drifting through a small rural town in the south, and ending with a young woman's wedding night, who learns from her new husband what it takes to kill a man, Nash writes across the complications of working class women, rendering their desires with visceral prose and psychologically dissecting the fundamental root that threads her work: craving and the conflicts within.

Snowstar and the Big Freeze

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt
