Heroines, new edition Europa Editions  
Now an Academy Award-winning Netflix film by Jane Campion, starring Benedict Cumberbatch and Kirsten Dunst: Thomas

Savage's acclaimed Western is "a pitch-perfect evocation of time and place" (Boston Globe) for fans of East of Eden and Brokeback Mountain. Set in the wide-open spaces of the American West, *The Power of the Dog* is a

stunning story of domestic tyranny, brutal masculinity, and thrilling defiance from one of the most powerful and distinctive voices in American literature. The novel tells the story of two brothers — one magnetic but cruel, the other gentle

and quiet — and of the mother and son whose arrival on the brothers' ranch shatters an already tenuous peace. From the novel's startling first paragraph to its very last word, Thomas Savage's voice — and the intense passion of his characters — holds readers in thrall. "Gripping and powerful...A work of literary art." —Annie Proulx, from her afterword *Camera Man* Verso Books A manifesto

reclaiming the wives and mistresses of literary modernism that inspired a generation of writers and scholars, reissued after more than a decade. I am beginning to realize that taking the self out of our essays is a form of repression. Taking the self out feels like obeying a gag order—pretending an objectivity where there is nothing objective about the experience of confronting and engaging

with and swooning over literature. On the last day of December 2009, Kate Zambreno, then an unpublished writer, began a blog called "Frances Farmer Is My Sister," arising from her obsession with literary modernism and her recent transplantation to Akron, Ohio, where her partner held a university job. Widely reposted, Zambreno's blog became an outlet for her highly informed and

passionate rants and melancholy portraits of the fates of the modernist “wives and mistresses,” reclaiming the traditionally pathologized biographies of Vivienne Eliot, Jane Bowles, Jean Rhys, and Zelda Fitzgerald: writers and artists themselves who served as male writers’ muses only to end their lives silenced, erased, and institutionalized. Over the course of two years, Frances Farmer Is My Sister helped

create a community of writers and devised a new feminist discourse of writing in the margins and developing an alternative canon. In *Heroines*, Zambreno extends the polemic begun on her blog into a dazzling, original work of literary scholarship. Combining theories that have dictated what literature should be and who is allowed to write it—she traces the genesis of a cultural template that

consistently exiles feminine experience to the realm of the “minor,” and diagnoses women for transgressing social bounds. “ANXIETY: When she experiences it, it’s pathological,” writes Zambreno. “When he does, it’s existential.” With *Heroines*, Zambreno provided a model for a newly subjectivized criticism, prefiguring many group biographies and forms of autotheory

and hybrid memoirs that were to come in the years to follow. A book that has become its own canon, *Heroin* was named one of the "50 Books that define the past 5 Years in Literature" by Flavorwire, an "Essential Feminist Manifesto" by Dazed, and one of the "50 Greatest Books by Women" in BuzzFeed. A novel in the bestselling quartet about two very

different women and their complex friendship: "Everyone should read anything with Ferrante's name on it" (The Boston Globe). The follow-up to *My Brilliant Friend*, *The Story of a New Name* continues the epic New York Times–bestselling literary quartet that has inspired an HBO series, and returns us to the world of Lila and Elena, who grew up together in post-WWII Naples, Italy. In *The Story of a New Name*,

Lila has recently married and made her entrée into the family business; Elena, meanwhile, continues her studies and her exploration of the world beyond the neighborhood that she so often finds stifling. Marriage appears to have imprisoned Lila, and the pressure to excel is at times too much for Elena. Yet the two young women share a complex and

evolving bond that is central to their emotional lives and a source of strength in the face of life's challenges. In these Neapolitan Novels, Elena Ferrante, "one of the great novelists of our time" (The New York Times), gives us a poignant and universal story about friendship and belonging, a meditation on love and jealousy, freedom and commitment—at once a masterfully plotted page-turner and an

intense, generous-hearted family saga.  Cromwell, a  
 man with only  
 his wits to rely  
 on, has no  
 great family to  
 back him, no  
 private army.  
 Despite

rebellion at home, traitors plotting abroad and the threat of invasion testing Henry's regime to the breaking point, Cromwell's robust imagination sees a new country in the mirror of the future. All of England lies at his feet, ripe for innovation and religious reform. But as fortune's wheel turns, Cromwell's enemies are gathering in the shadows. The inevitable question remains: how

long can anyone survive under Henry's cruel and capricious gaze? Eagerly awaited and eight years in the making, *The Mirror & the Light* completes Cromwell's journey from self-made man to one of the most feared, influential figures of his time. Portrayed by Mantel with pathos and terrific energy, Cromwell is as complex as he is unforgettable: a politician and a fixer, a husband and a

father, a man who both defied and defined his age. *The Science of Orphan Black* Random House Trade Paperbacks Concepts in Film Theory is a continuation of Dudley Andrew's classic, *The Major Film Theories*. In writing now about contemporary theory, Andrew focuses on the key concepts in film study -- perception, representation, signification, narrative structure, adaptation,

evaluation, identification, figuration, and interpretation. Beginning with an introductory chapter on the current state of film theory, Andrew goes on to build an overall view of film, presenting his own ideas on each concept, and giving a sense of the interdependence of these concepts. Andrew provides lucid explanations of theories which involve perceptual psychology and structuralism; semiotics and

psychoanalysis; hermeneutics and genre study. His clear approach to these often obscure theories enables students to acquire the background they need to enrich their understanding of film -- and of art. Those Who Leave and Those Who Stay Oxford University Press "A harrowing portrait of race relations in America, as beautiful as it is urgent."—Ente

tainment Weekly "Black satire with bite, like Zora Neale Hurston used to do, with a smile and a sharp elbow. A touch of Paul Beatty, a dose of Dolemite, and a serving of Dorothy Parker, too. Give My Love to the Savages announces Chris Stuck as a fearless talent, a debut that'll make your sides and your heart hurt."—Victor LaValle, author of *The Changeling* "Give My Love To The Savages is a

wildly inventive collection of provocative stories about navigating the minefield of black masculinity in America. Stuck's fresh and fearless perspective overturns assumptions about race and identity to reveal complex layers of absurdity. At times merciless, always darkly funny, these are stories of unexpected communion, connection, and compassion." —Chanelle

Benz, author of *The Gone Dead A* provocative and raw debut collection of short fiction reminiscent of Junot Diaz's *Drown*. A Black man's life, told in scenes—through every time he's been called nigger. A Black son who visits his estranged white father in Los Angeles just as the '92 riots begin. A Black Republican, coping with a skin disease that has turned him white, is forced to reconsider his

life. A young Black man, fetishized by an older white woman he's just met, is offered a strange and tempting proposal. The nine tales in *Give My Love to the Savages* illuminate the multifaceted Black experience, exploring the thorny intersections of race, identity, and Black life through an extraordinary cast of characters. From the absurd to the starkly realistic, these

stories take aim at the ironies and contradictions of the American racial experience. Chris Stuck traverses the dividing lines, and attempts to create meaning from them in unique and unusual ways. Each story considers a marker of our current culture, from uprisings and sly and not-so-sly racism, to Black fetishization and conservatism, to the obstacles placed in front

of Black masculinity and Black and interracial relationships by society and circumstance. Setting these stories across America, from Los Angeles, Phoenix and the Pacific Northwest, to New York and Washington, DC, to the suburbs and small Midwestern towns, Stuck uses place to expose the absurdity of race and the odd ways that Black people and white people converge and retreat, rub against and

bump into one another. Ultimately, *Give My Love to the Savages* is the story of America. With biting humor and careful honesty, Stuck riffs on the dichotomy of love and barbarity—the yin and yang of racial experience—and the difficult and uncertain terrain Black Americans must navigate in pursuit of their desires.  In 2001, Vanity Fair declared that the Age of Irony was over. Joan Didion has lamented that the United States in the era of Barack Obama has become an “irony-free zone.” Jonathan Lear in his 2006 book *Radical Hope* looked into America's heart to ask how might we dispose

ourselves if we came to feel our way of life was coming to an end. Here, he mobilizes a squad of philosophers and a psychoanalyst to once again forge a radical way forward, by arguing that no genuinely human life is possible without irony. Becoming human should not be taken for granted, Lear writes. It is something we accomplish, something we get the hang of, and like Kierkegaard

and Plato, Lear claims that irony is one of the essential tools we use to do this. For Lear and the participants in his Socratic dialogue, irony is not about being cool and detached like a player in a Woody Allen film. That, as Johannes Climacus, one of Kierkegaard's pseudonymou s authors, puts it, "is something only assistant professors assume." Instead, it is a renewed commitment

to living seriously, to experiencing every disruption that shakes us out of our habitual ways of tuning out of life, with all its vicissitudes. While many over the centuries have argued differently, Lear claims that our feelings and desires tend toward order, a structure that irony shakes us into seeing. Lear's exchanges with his interlocutors strengthen his claims, while his experiences

as a practicing psychoanalyst bring an emotionally gripping dimension to what is at stake—the psychic costs and benefits of living with irony.

From the New York Times—bestselling author of *My Brilliant Friend*, this novel of a deserted wife’s descent into despair—and rage—is “a masterpiece” (The Philadelphia Inquirer). *The Days of Abandonment* is the gripping story of an Italian woman’s experiences after being suddenly left by her husband after fifteen years

of marriage. With two young children to care for, Olga finds it more and more difficult to do the things she used to: keep a spotless house, cook meals with creativity and passion, refrain from using obscenities. After running into her husband with his much-younger new lover in public, she cannot even refrain from assaulting him physically. In a “raging, torrential voice” (The

New York Times), Olga conveys her journey from denial to devastating emptiness—and when she finds herself literally trapped within the four walls of their high-rise apartment, she is forced to confront her ghosts, the potential loss of her own identity, and the possibility that life may never return to normal. “Quick, furious, simultaneously steely and unhinged, and completely

"This is my

last column, after a year that has scared and inspired me." With these words, Elena Ferrante, the bestselling author of *My Brilliant Friend*, bid farewell to her year-long collaboration with the *Guardian*. For a full year she penned short pieces, the subjects of which were suggested by editors at the *Guardian*, turning the writing process into a kind of prolonged interlocution; the subjects

ranged from first love to climate change, from enmity among women to the adaptation of her novels to film and TV. As she said in her final column: "I have written as an author of novels, taking on matters that are important to me and that—if I have the will and the time—I'd like to develop within real narrative mechanisms." Here, then, are the seeds of possible future novels, the ruminations of

an internationally beloved author, and the abiding preoccupation of a writer who has been called "one of the great novelists of our time" (The New York Times). Gathered together for the first time and accompanied by an entirely new introduction written by Elena Ferrante and by Andrea Ucini's intelligent, witty, and beautiful illustrations, this is a must for all Ferrante

Dallas Morning News) Told with an immediacy and a rare expressive intensity that has earned it countless adoring readers and one of Italy's most prestigious literary prizes, *A Girl Returned* is a powerful novel rendered with sensitivity and verve by Ann Goldstein, translator of the works of Elena Ferrante. Set against the stark, beautiful landscape of Abruzzo in

central Italy, this is a compelling story about mothers and daughters, about responsibility, siblings, and caregiving. Without warning or explanation, an unnamed thirteen-year-old girl is sent away from the family she has always thought of as hers to live with her birth family: a large, chaotic assortment of individuals whom she has never met and who seem anything but welcoming. Thus begins a

new life, one of struggle, tension, and conflict, especially between the young girl and her mother. But in her relationship with Adriana and Vincenzo, two of her newly acquired siblings, she will find the strength to start again and to build a new and enduring sense of self. “An aching beautiful book, and an utterly devastating one.” —Minneapolis Star Tribune “Di

Pietrantonio [has a] lively way with a phrase (the translator, Ann Goldstein, shows the same sensitivity she does with Elena Ferrante) [and] a fine instinct for detail.” —The Washington Post “A gripping, deeply moving coming-of-age novel; immensely readable, beautifully written, and highly recommended.” —Kirkus Reviews (starred review) “Captivating.”

 “The Girl with  
 Ghost Eyes is  
 a fun, fun  
 read. Martial  
 arts and Asian  
 magic set in  
 Old San  
 Francisco  
 make for a  
 fresh take on  
 urban fantasy,  
 a wonderful  
 story that kept  
 me up late to  
 finish.” —#1

New York  
 Times  
 bestselling  
 author Patricia  
 Briggs It’s the  
 end of the  
 nineteenth  
 century in San  
 Francisco’s  
 Chinatown,  
 and ghost  
 hunters from  
 the Maoshan  
 traditions of  
 Daoism keep  
 malevolent  
 spiritual forces  
 at bay. Li-lin,  
 the daughter  
 of a renowned  
 Daoshi  
 exorcist, is a  
 young widow  
 burdened with  
 yin eyes—the  
 unique ability  
 to see the  
 spirit world.  
 Her spiritual  
 visions and  
 the death of  
 her husband

bring shame  
 to Li-lin and  
 her  
 father—and  
 shame is not  
 something this  
 immigrant  
 family can  
 afford. When a  
 sorcerer  
 cripples her  
 father, terrible  
 plans are set  
 in motion, and  
 only Li-lin can  
 stop them. To  
 aid her are her  
 martial arts  
 and a  
 peachwood  
 sword, her  
 burning paper  
 talismans, and  
 a wisecracking  
 spirit in the  
 form of a  
 human eyeball  
 tucked away  
 in her pocket.  
 Navigating the  
 dangerous  
 alleys and

backrooms of a male-dominated Chinatown, Lili must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore,

The Girl with Ghost Eyes is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to

publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York

Times a Hugo or quality books  
 bestseller, a Nebula award- from a diverse  
 national winner, we are group of  
 bestseller, or committed to authors.
