 "A triumph of investigative journalism."  
 —Tom Wright, New York Times  
 bestselling coauthor of *Billion Dollar Whale* "Truly one of the most nail-biting, page-turning, terrifying true-crime books I've ever read." —Nick Bilton, New York Times bestselling author of *American Kingpin* From award-winning journalists Matthew Campbell and Kit Chellel, the gripping, true-crime story of a notorious maritime hijacking at the heart of a massive conspiracy—and the unsolved murder that threatened to unravel it all. In July 2011, the oil tanker *Brillante Virtuoso* was drifting through the treacherous Gulf of Aden when a crew of pirates attacked and set her ablaze in a devastating explosion. But when David Mockett, a maritime surveyor working for Lloyd's of London, inspected the damaged vessel, he was left with more questions than answers. How had the pirates gotten aboard so easily? And if they wanted to steal the ship and bargain for its return, then why did they destroy it? The questions didn't add up—and Mockett would never answer them. Soon after his inspection, David Mockett was murdered. *Dead in the Water* is a shocking expose of the criminal inner workings of international shipping, told through the lens of the *Brillante* hijacking and its aftermath. Through first-hand accounts of those who lived it—from members of the ship's crew and witnesses to the attacks, to the ex-London detectives turned private investigators seeking to solve Mockett's murder and bring justice to his family—award-winning Bloomberg reporters Matthew Campbell and Kit

Chellel piece together the astounding truth behind one of the most brazen financial frauds in history. The ambitious culmination of more than four years of reporting, *Dead in the Water* uncovers an intricate web of conspiracy amidst the lawless, old-world industry at the backbone of our new global economy. A Daily Devotional InterVarsity Press  
 In these sermons Wright explores many of the sites that travelers usually visit on a tour of the Holy Land, explaining not only what is to be seen but also the context of faith that makes these sites significant. He adds reflections on the nature of pilgrimage generally and with discussion of vital contemporary issues related to the Holy Land.

### **A Novel** Zondervan

Named a Best Book of 2018 by the Financial Times and Fortune, this "thrilling" (Bill Gates) New York Times bestseller exposes how a "modern *Gatsby*" swindled over \$5 billion with the aid of Goldman Sachs in "the heist of the century" (Axios). Now a #1 international bestseller, *BILLION DOLLAR WHALE* is "an epic tale of white-collar crime on a global scale" (Publishers Weekly, starred review), revealing how a young social climber from Malaysia pulled off one of the biggest heists in history. In 2009, a chubby, mild-mannered graduate of the University of Pennsylvania's Wharton School of Business named Jho Low set in motion a fraud of unprecedented gall and magnitude—one that would come to symbolize the next great threat to the global financial system. Over a decade, Low, with the aid of Goldman Sachs and others, siphoned billions of dollars from an investment fund—right under the nose of global financial industry watchdogs. Low used the money to finance elections, purchase luxury real estate, throw champagne-drenched parties, and

even to finance Hollywood films like *The Wolf of Wall Street*. By early 2019, with his yacht and private jet reportedly seized by authorities and facing criminal charges in Malaysia and in the United States, Low had become an international fugitive, even as the U.S. Department of Justice continued its investigation. *BILLION DOLLAR WHALE* has joined the ranks of *Liar's Poker*, *Den of Thieves*, and *Bad Blood* as a classic harrowing parable of hubris and greed in the financial world.

*Lent for Everyone: Mark, Year B* provides readers with a gentle guide through the Lenten season, from Ash Wednesday through the week after Easter. Popular biblical scholar and author N. T. Wright provides his own Scripture translation, brief reflection, and a prayer for each of the days of the season, helping the reader ponder how the text is relevant to their own life today. Suitable for both personal and group reflection, Wright's guide through Lent will make the Bible--and the season--come alive in inspiring new ways.

**Matthew for Everyone** InterVarsity Press

A tale inspired by the life of Frank Lloyd Wright is presented from the

perspectives of four very different women who loved him and offers insight into the eminent architect's enduring struggles against conventional boundaries. 75,000 first printing.

*The Way of the Lord* SPCK

With a scholar's mind and a pastor's heart, N. T. Wright guides us through the New Testament book of Acts, moving us from the world in which it was lived into the world in which we must live it again. Twenty-four sessions for group or personal study.

**The New Magdalen** Presbyterian Publishing Corp

Making use of his true scholar's understanding, yet writing in an approachable and anecdotal style, Tom Wright captures the verve and sparkle of these letters. Paul wrote the letters while in prison facing possible death, but their passion and energy are undimmed. They reveal Paul's longing to see young churches grow in faith and understanding, rooted in Jesus himself, and to see this faith worked out in practice - in one case, through the rehabilitation of a runaway slave. Wright's stimulating comments are combined with his own translation of the Bible text.

*Paul for Everyone: The Prison Letters - Ephesians, Philippians, Colossians and Philemon (New Testament for Everyone)*

Fortress Press

With a scholar's mind and a pastor's heart, Tom Wright walks you through Romans in this guide designed especially with everyday readers in mind. Perfect for group use or daily personal reflection, this study uses the popular inductive method combined with Wright's thoughtful insights to bring contemporary application of Scripture to life.

*John* InterVarsity Press

Enlarged print edition now available! Writing in an approachable and anecdotal style, Tom Wright helps us see the great sweep of this letter. Romans has long been viewed as the book above all in which Paul puts forth the basic doctrines of the faith, and the picture of God's life for us. It is the classic setting-out of the Gospel. Tom Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions. *A Novel* Academy Editions Limited

Enlarged print edition now available! Making use of his scholar's understanding, yet writing in an approachable and anecdotal style, Tom Wright manages to unravel the great complexity of the extraordinary Gospel of John. He describes it as "one of the great books in the literature of the world; and part of its greatness is the way it reveals its secrets not just to a high-flown leaning but to those who come to it with humility and hope." Wright's stimulating comments are combined with his own fresh and inviting translation of the Bible text. The Gospel means good news, but what makes it news? If the message has been around for 2,000 years, what could possibly be newsworthy about it? And what makes it good? Surely not the stories we hear of damnation, violence, and an angry God. Tom Wright believes many Christians have lost sight of what the 'good news' of the gospel really is. In *Simply Good News*, he shows how a first-century audience would have received the gospel message, what the 'good news' means for us today and how it can transform our lives.

*Justification* Penguin

With a scholar's mind and a pastor's heart, N. T. Wright helps us learn from Paul's writing in Phillipians the art of seeing God's purposes working out through problems and difficulties, and deepen our own confidence in God's power. Includes eight sessions for group or personal study.

**Ephesians** Fortress Press

N. T. Wright is well known for his view that the majority of Second Temple Jews saw themselves as living within an ongoing exile. This book engages a lively conversation with this idea, beginning with a lengthy thesis from Wright, responses from eleven New Testament scholars, and a concluding essay from Wright responding to his interlocutors. *The Englishman's House ... Wilkie Collin's intriguing story about a blind girl, Lucilla Finch, and the identical twins who both fall in love with her, has the exciting complications of his better

known novels, but it also overturns conventional expectations. Using a background of myth and fairy-tale to expand the boundaries of nineteenth century realist fiction, Collins not only takes a blind person as his central character but also explores the idea of blindness and its implications. His sensitive presentation of the difficulties, disappointments, and occasional delights which follow the recovery of sight by someone blind since infancy is still one of the best accounts in fiction of a problem which continues to intrigue philosophers, psychologists, and the general public, as it has done since it was first discussed by Locke and Berkeley in the eighteenth century.

The Women InterVarsity Press

Why is justice fair? Why are so many people pursuing spirituality? Why do we crave relationship? And why is beauty so beautiful? N. T. Wright argues that each of these questions takes us into the mystery of who God is and what he wants from us. For two thousand years Christianity has claimed to answer these mysteries, and this renowned biblical scholar and Anglican bishop shows that it still does today. Like C. S. Lewis did in his classic *Mere Christianity*, Wright makes the case for Christian faith from the ground up, assuming that the reader is starting from ground zero with no predisposition to and perhaps even some negativity toward religion in general and Christianity in particular. His goal is to describe Christianity in as simple and accessible, yet hopefully attractive and exciting, a way as possible, both to say to outsiders "You might want to look at this further," and to say to insiders "You may not have quite understood this bit clearly yet."

In *Creation, Power and Truth*, Tom Wright invites readers to consider the crucial ways in which the Christian gospel challenges and subverts the intellectual, moral and political values that pervade contemporary culture. In doing so, he asks searching questions about three defining characteristics of our time: neo-gnosticism, neo-imperialism and postmodernity. Employing a robust Trinitarian framework, Wright looks afresh at key elements of the biblical story while drawing out new and unexpected connections between ancient and modern world-views. The result is a vigorous critique of common cultural assumptions and controlling narratives, past and present, and a compelling read for all who want to hear, speak and live the gospel of Christ in a world of cultural confusion.

Who Was Jesus? Westminster John Knox Press

Why did Christianity begin, and why did it take the shape it did? To answer this question -- which any historian must face -- renowned New Testament scholar N. T. Wright focuses on the key points: what precisely happened at Easter? What did the early Christians mean when they said that Jesus of Nazareth had been raised from the dead? What can be said today about this belief? This book, third in Wright's series *Christian Origins and the Question of God*, sketches a map of ancient beliefs about life after death, in both the Greco-Roman and Jewish worlds. It then highlights the fact that the early Christians' belief about the afterlife belonged firmly on the Jewish spectrum, while introducing several new

mutations and sharper definitions. This, together with other features of early Christianity, forces the historian to read the Easter narratives in the gospels, not simply as late rationalizations of early Christian spirituality, but as accounts of two actual events: the empty tomb of Jesus and his "appearances." How do we explain these phenomena? The early

Christians' answer was that Jesus had indeed been bodily raised from the dead; that was why they hailed him as the messianic "son of God." No modern historian has come up with a more convincing explanation. Facing this question, we are confronted to this day with the most central issues of the Christian worldview and theology.
