Why Do People Hate America? Simon and Schuster

Let's make America great again. Can we actually make America great again? If we must make America great again then we need to start from the discovering the root of her problem. Getting right the true desire of our founding fathers? A true democracy...but ironically, does the Democrat party stand for this? In this blessed book, renowned author Franklin J. Anderson takes us on a voracious and holistic exposition of the: 1. History of the Democrat party from the 19th century down to the 21st century. 2. The Holistic Philosophy of the Democrat Party. 3. Regime of political parties in USA. 4. A Democratic Society's place for political parties. 5. Political Parties and Democracy's purposes. 6. The argument that U.S Political parties are declining. 7. Influence of Political Action Committees (PACs) on American Politics. 8. The real problem of the Democrat party. This book is packed with so much value that'll leave you questioning what you actually think you know!

The Liberty Amendments Simon and Schuster

A new book on how to fix the U.S. government by the #1 New York Times best-selling author of *Liberty and Tyranny* and *Ameritopia*.

The Blessing Of America Simon and Schuster

Since the day Aaron Burr, the sitting vice president of the United States, shot and killed Alexander Hamilton, one of the Founding Fathers, the Democratic Party has been at war with America. With a history that includes murder, treason, slavery, segregation, sedition, bribery, and systemic vote theft, it can be argued that the Democrats are, at root, the anti-American party. In this incendiary *Broadside - a heartfelt 'accuse'* Michael Walsh traces the illicit and immoral history of the Democrats from Burr and the founding of the quintessential big-city political machine, Tammany Hall, to the "by any means necessary," Saul Alinsky-inspired presidency of Barack Obama and his Windy City cronies. The prosecutorial argument: The Democrats, in essence, are nothing less than a criminal organization masquerading as a political party.

NEW YORK TIMES BESTSELLER • A savvy guidebook for beating Trump's tricks, traps, and tweets from a founder of The Lincoln Project, now updated with new material on the historic battle between Trump and Joe Biden—and how the pandemic has changed the race “If you believe America’s future depends on Donald Trump’s political machine being crushed at the polls next year, then Rick Wilson’s *Running Against the Devil* is a must-read.”—Joe Scarborough, MSNBC Donald Trump is exactly the disaster we feared for America. Hated by a majority of Americans, Trump’s administration is corrupt, inept, and rocked by daily scandals. In the handling of 2020’s coronavirus pandemic, its incompetence has been deadly. Trump can’t win in 2020, right? Wrong. As 2016 proved, Trump can’t win, but Joe Biden can sure as hell lose. Only one thing can save Trump, and that’s a Democratic campaign that runs the race Trump wants Democrats to run instead of the campaign they must run to win in 2020. Wilson combines decades of national political experience and insight in his take-no-prisoners analysis, hammering Trump’s destructive and dangerous first term in a case-by-case takedown of the worst president in history and describing the terrifying prospect of four more years of Trump. Like no one else can, Wilson blows the lid off Trump’s 2020 political war machine, showing the exact strategies and tactics Republicans will use against Biden, and how the Democrats can avoid the catastrophes waiting for them if they fall into Trump’s traps. *Running Against the Devil* is sharply funny, brutally honest, and infused with Wilson’s biting commentary. It’s a vital indictment of Trump, a no-nonsense, no-holds-barred road map to saving America, and the guide to making Donald Trump a one-term president. The stakes are too high to do anything less.

The Iron Triangle HarperCollins

Not just another 9/11 book, this controversial United Kingdom bestseller is for those who are trying to understand why America is a target for hate. The authors explore the global impact of America’s foreign policy, corporate power, and the TV and Hollywood machine.

Hillary's America Simon and Schuster

FROM THE AUTHOR OF THE #1 NATIONAL BESTSELLER *JUSTICE ON TRIAL* Stunned by the turbulence of the 2020 election, millions of Americans are asking the forbidden question: what really happened? It was a devastating triple punch. Capping their four-year campaign to destroy the Trump presidency, the media portrayed a Democratic victory as necessary and inevitable. Big Tech, wielding unprecedented powers, vaporized dissent and erased damning reports about the Biden family’s corruption. And Democratic operatives, exploiting a public health crisis, shamelessly manipulated the voting process itself. Silenced and subjected, the American people lost their faith in the system. *RIGGED* is the definitive account of the 2020 election. Based on Mollie Hemingway’s exclusive interviews with campaign officials, reporters, Supreme Court justices, and President Trump himself, it exposes the fraud and cynicism behind the Democrats’ historic power-grab. Rewriting history is a specialty of the radical left, now in control of America’s political and cultural heights. But they will have to contend with the determination, insight, and eloquence of Mollie Hemingway. *RIGGED* is a reminder for weary patriots that truth is still the most powerful weapon. The stakes for our democracy have never been higher.

Vince Ellison is America’s most fearless truth teller. Agree or disagree with his thesis, open-minded readers must grapple with the persuasive power of his arguments, his mastery of facts, and his passionate love for mankind and our Creator. As a young man, Ellison began his career in the belly of the beast—as a prison guard working in the worst cellblock imaginable—the one housing mass murderers, rapists, child molesters, and others who would never be released, and whose crimes would never be redeemed in this world. Vince Ellison saw the face of evil up close. He knows it like few of us ever could. And it was to his dismay and sadness that he has seen that same evil later in life. This time, not in the faces of hardened, incarcerated criminals. But rather in the eyes of the leaders of the Democratic party. In this stunningly persuasive work, Vince marshals his own experience and couples it with a learned and original analysis to conclude that the leaders of America’s “progressive” party aren’t just wrong on their policy stances—they are deliberately and intently destructive. Ellison painstakingly dismantles the twenty-five lies underlying Democratic policies and arguments, and provides readers with the tools they need to understand and refute these myths and deceptions. Finally, Ellison implores his fellow Americans and Christians to open their eyes to the damage being done to the nation’s heart and soul in the name of progressivism.

The people have had enough! The hateful impeachment of Donald Trump began long before he was elected. The left wants him gone, period. Trump hammers back at the political establishment & they hate him for his success. We’re sick of the hate. James D. Veltmeyer, MD from LaJolla nailed it: “The savagery, frenzy, and outright hysteria displayed by the President’s enemies within the Democratic Party, the media, and various power centers of the globalist elites, have no prior precedent.” Donald Trump got elected because the majority of the voters had begun to no longer trust Democrats or Republicans. The regular people in America decided that they could trust Trump and in fact, they continue to trust him to do what is best for America. Trump has not let the people down. The left cannot stand that fact. Americans had gotten sick of the elected officials in all levels of government doing the bidding of slimy politicians or political donors and hacks in the various government swamps. Donald Trump came across as the only candidate for president who offered Americans a breath of fresh air from the stodgy, bossy, establishment elites in both major parties. That’s why I voted for Trump. He was brave enough to defy the status quo of rich donors controlling the

government for their personal benefit. Trump is rich enough thanks to his father's and his own cunning business sense that he alone of all candidates did not have to suck up to the seedy side of life just to get elected. Everybody has an opinion but too many people have their opinion shaped by crooked politicians and crooked news media. The Crooked News Network, CNN tops the untrustworthy media scoundrel list. So many of my good friends who are otherwise smart people believe CNN like it is Christ's gospel. I mean even good people that cannot see their own faults because CNN tells them how it is. Too many people for example get all their news from crooked CNN. Yet it is now fact that at 9:00AM daily, CNN executives get their marching orders from the president of this network news organization. More or less, they are told to avoid being fired, they must continually strengthen all aspects of the political (no facts needed) effort to disparage to the death, President Trump. That must be their focus above the people's news-or they better read the WANT Ads. Trump holds rallies of from 20,000 to 50,000 people who believe that Donald J. Trump loves America and American traditional values. Look at the goodness that he instilled into his own children. He is not a liberal fool or a progressive socialist tool who hates America. He is simply for America and Americans first. So are you and I if we really think about it. The corrupt anti-American mainstream press has recently merged with the corrupt Democrat Party. Together they regurgitate the most obnoxious collection of hate known since the Civil War. So, now together, they hate Trump because he represents normal Americans and not the fringe actors who have together decided to unseat him as president and crown Hillary for the job. This pond scum has no rallies like Trump because there would be few attendees. Moreover, the stench of their corruption would be too strong for normal breathing assistance devices. Americans who love America could not endure the mephitic. Nefarious shameful left-leaning political leaders preach that Trump is bad, bad, bad. Good people are swayed by the miscreants who care little for the truth. Trump calls them all out as the fakes they are. They hate him because he is not controlled by anyone-Dem Party or wimpy swamp-rat-dwelling Republicans. Neither give Trump an inch and they undermine America by undermining our president. When America is gone, then what?

"Today's Democrats are pushing policies that are simply insane, and David Limbaugh proves it in his terrific, and tremendously important, new book, *Guilty by Reason of Insanity*." — MARK LEVIN "Few pundits can match David Limbaugh for research, depth of knowledge, and political insight, and in this book, perhaps his best political book, he shows how the Democrat Party has completely lost its mind." — SEAN HANNITY The left has truly lost its mind. The party out of power used to be "the loyal opposition." No longer. Now it's "the Resistance." The left, abandoning any pretense of fairness and decency, has declared political war on President Trump. Waged by a stunningly broad array of militants—the Democratic Party, countless left-wing interest groups, radical academics, the liberal mainstream media, Antifa shock troops, Hollywood, and the tech oligarchs—this political war is aimed not only at conservative ideas but also at Trump supporters, even teenagers wearing MAGA hats. In his shocking new book, *Guilty by Reason of Insanity*, national #1 bestselling author David Limbaugh explains how the left lost its mind—and the threat it now poses to us all. No book you read this year could be more important.

This is a book about winning elections in an age when security has trumped almost every other issue and the technology of political effectiveness is evolving with lightning quickness. Hewitt offers real-world tactics for individuals who (1) care about the future of the United States and (2) want to work effectively to help elect candidates who will lead the country on a national or local level in the right direction. In this book, Hugh Hewitt does more than rehash conservative grievances, preach to the choir, or even preach to the choir plus the undecideds. He aims to change the behavior of the choir, one reader at a time. Hewitt includes material targeted to people of faith when appropriate and appeals to all readers who consider themselves conservative or center-right. Material has been updated to cover current events in 2006.

#1 New York Times Bestseller America's top-rated cable news host offers his first book in ten years: a look at America's fight against those who would reverse our tradition of freedom—a fight we can't afford to lose in 2020. America is great for a reason. Built on principles of freedom, rugged individualism, and self-sufficiency, no country has ever accumulated more power and wealth, abused it less, or used that power more to advance the human condition. And yet, as America blossomed, leftwing radicalism and resentment festered beneath the surface, threatening to undermine democracy first in the sixties and now—more insidiously than ever—in the form of social justice warriors, the deep state, and compromised institutions like academia and the mainstream media. Our fate if we succumb to a Democratic victory in 2020? A big step toward full-blown socialism along with the economic dysfunction and social strife that are its hallmarks. With radical Democrats demanding the Green New Deal, socialized medicine, abortion on demand, open borders, abolishing the Electoral College, packing the Supreme Court, and an end to free speech, our great nation will be fundamentally transformed beyond recognition. Ronald Reagan once said, "Freedom is but one generation away from extinction," and his words have never rung truer. In *Live Free or Die*, Sean demonstrates why now is an All Hands on Deck moment to save the Republic. His solution is simple: if all you can do is vote, then vote. But if you can inform people of the truth, that's even better. And the truth is that the future of American freedom rests on Donald Trump's reelection.

The DARK SIDE of American politics. It's worse than anyone ever imagined. Far, far worse. This book tells the true story of the deceitful, vile, corrupt, arrogant, elitist individuals and entities determined to engineer the outcome of our presidential election to suit their own ends: and WHY they are doing this. People, entities and organizations so villainous that one would think they could only come from a political novel. Tragically, they are all too real and they are still very much engaged in these very much subversive and anti-American activities: Activities, which are designed to take power away from the people and vest it instead, in the state. And that state, of course, is to be transformed into a socialist "totalitarian" state, in which their party (the Democratic Party) and their president would preside over and rule the country under the aegis of a world government. This is why they had to try to steal the presidency: if told the truth; no one would vote for this. Find out the REAL REASON for the Democrats' hatred of America... and us. A copy of The United States Constitution is included with the purchase of this book. 10% of the proceeds of this book will be donated to the following charities: St Jude Children's Hospital, CBN charities, TBN.

Fox News personality and radio talk show host Levin explains how the dangers he warned against have come to pass"--

Stealing America Threshold Editions

Six-time New York Times bestselling author, FOX News star, and radio host Mark R. Levin "trounces the news media" (The Washington Times) in this timely and groundbreaking book demonstrating how the great tradition of American free press has degenerated into a standardless profession that has squandered the faith and trust of the public. Unfreedom of the Press is not just another book about the press. In "Levin's finest work" (Breitbart), he shows how those entrusted with news reporting today are destroying freedom of the press from within—not through actions of government officials, but with its own abandonment of reportorial integrity and objective journalism. With the depth of historical background for which his books are renowned, Levin takes you on a journey through the early American patriot press, which proudly promoted the principles set forth in the Declaration of Independence and the Constitution. This is followed by the early decades of the Republic during which newspapers around the young country were open and transparent about their fierce allegiance to one political party or another. It was only at the start of the Progressive Era and the 20th century that the supposed "objectivity of the press" first surfaced, leaving us where we are today: with a partisan party-press overwhelmingly aligned with a political ideology but hypocritically engaged in a massive untruth as to its real nature.

The Democrat Party Actually Dislikes America Simon and Schuster

America was built on stolen lands. Jim Crow segregation lives on. Remnants of slavery persist. Systemic racism is everywhere. Women are oppressed. Abortions are to be celebrated. Religion is divisive. Please don't mention God. Illegal Immigrants come before citizens. Police are bad. You are a victim. The Second Amendment is on the way out. There is inequality all around. Dump the constitution. It's time for a new social contract. Is this really America 2020? Yes. That's how the Democrats see it. It's written in their platform. But it wasn't always this way. Not long ago, Democrats advocated for traditional American values: Personal responsibility, faith, family and a common American story. They wrote these values into their platform election after election. In *Broken Values*, Gideon Israel takes on the cultural issues underlying the policy changes in the Democrat Party Platform. He tells the story of the Democrat Party's collapse from an assuredly patriotic party to today's culturally woke parade led by the likes of Bernie Sanders and "the squad", which has betrayed the values that were once shared by all Americans. In *Broken Values* you will learn: Why party platforms matter. How personal responsibility was once a hallmark of the Democrat Party. Why pro-abortion groups didn't like Bill Clinton. Why the Democrats stopped discussing family values. How the Democrats advocate for open borders without saying it. How the Democrat Party is distancing itself from Israel. The Democrats surprising obsession with gun control going back 50 years. Why the Democrats can't unite America.

Americans were shocked and outraged to see chaos unfold at the Capitol on January 6, 2021. The melee shut down plans by some Republican lawmakers to object to Congress's official certification of the 2020 presidential election results. Democrats, the news media, and many leading Republicans immediately blamed the roughly four-hour disturbance on President Trump. The president "incited an insurrection," the American public was told. It prompted a second impeachment trial of Donald Trump after he left office. But one year later, the original narrative of what happened that day has crumbled while hundreds of Americans have been swept up in an unprecedented investigation led by Joe Biden's Justice Department to punish them for their involvement in the January 6th protest. The public has been misled—and flat-out lied to—about a number of aspects related to that day. This book exposes them all.
