American writer Patricia Cornwell. It is the tenth book of the Dr. Kay Scarpetta series. Black Notice - Wikipedia 3.5 of 5 stars (rounded up due to the topic in the book) for Black Notice, the 10th book in the "Kay Scarpetta" thriller and suspense series, written in 1999 by Patricia Cornwell. For me, this was a transitional book in the series, not so much from good to bad, but in the terms of who Kay Scarpetta is and what happens with the people in her life. Black Notice (Kay Scarpetta, #10) by Patricia Cornwell Black notice Good read but excessive scatological language. This author could probably do better without all the f'ing and blind'ing.
