One of the Best books
of the Year: The New
York Times, The
Washington Post, NPR,
The Boston Globe, The

Seattle Times, HuffPost, Esquire, Minneapolis Star Tribune Look for Whitehead's acclaimed new novel, *The Nickel Boys*, available now Cora is a young slave on a cotton plantation in Georgia. An outcast even among her fellow Africans, she is on the cusp of womanhood-- where greater pain awaits. And so when Caesar, a slave who has recently arrived from Virginia, urges her to join him on the Underground Railroad, she seizes the opportunity and escapes with him. In Colson Whitehead's ingenious conception, the Underground Railroad is no mere metaphor: engineers and conductors operate a secret network of actual tracks and tunnels

beneath the Southern soil. Cora embarks on a harrowing flight from one state to the next, encountering, like Gulliver, strange yet familiar iterations of her own world at each stop. As Whitehead brilliantly re-creates the terrors of the antebellum era, he weaves in the saga of our nation, from the brutal abduction of Africans to the unfulfilled promises of the present day. The Underground Railroad is both the gripping tale of one woman's will to escape the horrors of bondage-- and a powerful meditation on the history we all share. **'Freedom'** Duke University Press Books In *Freedom with Violence*, Chandan Reddy develops a new paradigm for

understanding race, sexuality, and national citizenship. He examines a crucial contradiction at the heart of modernity: the nation-state's claim to provide freedom from violence depends on its systematic deployment of violence against peoples perceived as nonnormative and irrational. Reddy argues that the modern liberal state is organized as a "counterviolence" to race even as, and precisely because, race persists as the condition of possibility for the modern subject. Rejecting liberal notions of modernity as freedom from violence or revolutionary ideas of freedom through violence, Reddy contends that liberal modernity is a structure for

authorizing state violence. Contemporary neoliberal societies link freedom to the notion of legitimate (state) violence and produce narratives of liberty that tie rights and citizenship to institutionalized violence. To counter these formulations, Reddy proposes an alternative politics of knowledge grounded in queer of color critique and critical ethnic studies. He uses issues that include asylum law and the military's "don't ask, don't tell" policy to illustrate this major rethinking of the terms of liberal modernity. Freedom's Lawmakers Oxford University Press, USA Freedom Time reconsiders decolonization from

the perspectives of Aimé Césaire (Martinique) and Léopold Sédar Senghor (Senegal) who, beginning in 1945, promoted self-determination without state sovereignty. As politicians, public intellectuals, and poets they struggled to transform imperial France into a democratic federation, with former colonies as autonomous members of a transcontinental polity. In so doing, they revitalized past but unrealized political projects and anticipated impossible futures by acting as if they had already arrived. Refusing to reduce colonial emancipation to national independence, they regarded decolonization as an opportunity to remake

the world, reconcile peoples, and realize humanity's potential. Emphasizing the link between politics and aesthetics, Gary Wilder reads Césaire and Senghor as pragmatic utopians, situated humanists, and concrete cosmopolitans whose postwar insights can illuminate current debates about self-management, postnational politics, and planetary solidarity. *Freedom Time* invites scholars to decolonize intellectual history and globalize critical theory, to analyze the temporal dimensions of political life, and to question the territorialist assumptions of contemporary historiography. *A Call for the Emancipation of the*

Generous Energies of a People University of Michigan Press
 Productivity Secrets: More time. More money. More freedom. No matter what kind of job you'll be happier, healthier and wealthier if you are more productive! If you're stuck in a rut of being unproductive and getting as much done as you know you can I have good news...you do not have to "go with the flow" or stick it out. You can choose today to become more productive, get unstuck and have everything you have ever wanted! You can make it happen! Here is just a sample of what you will learn: Finding your 20% goals
 Increasing your income 2-3x
 Having fun along the way
 Relieving stress with better

organization
 Reducing harmful distractions
 Self-discipline secrets
 Finding your true motivation
 And much, much more!
 I usually only sell this type of coaching to my high level coaching clients but my goal was to write a book that will help over 1 million people have more money, more time and more freedom!
 So now you can get my "productivity secrets" for just a fraction of the cost.
 Get started today!

The Underground Railroad Scholastic Inc.

The Story: Jenika's life changed in an instant. One day she lived in the countryside with her mother and ten siblings, and the next she moved with her aunt to the city, where she was promised an

education but was instead forced into a life of cooking, cleaning, and despair. The only thing that kept her going was her singing. Read this inspiring tale of a girl who overcame the odds, written by girls who understand her struggle. *The Story Behind the Story: Written by a team of young women served by the Restavek Freedom Foundation, Jenika Sings For Freedom* aims to raise awareness about the inhumanity and injustice of child slavery in Haiti. At the same time, the books give these young women the opportunity to shape the stories of their own lives with power and possibility and hope. This project was a collaboration between Restavek

Freedom Foundation and Shout Mouse Press. Restavek Freedom Foundation is a nonprofit organization based in Port-au-Prince, Haiti and Cincinnati, Ohio with a mission to end child slavery in Haiti in our lifetime. Since its inception in 2007, Restavek Freedom has worked on behalf of the 300,000 children living as restavek in Haiti. We advocate for children by providing educational opportunities for those living in restavek, influencing communities to help change cultural norms regarding restavek, and mobilizing community leaders to stand up for freedom. To learn more, visit www.RestavekFreedom.org. Shout Mouse Press is a nonprofit

writing program and publishing house for unheard voices. We were founded in Washington, DC in 2014. Shout Mouse partners with nonprofit organizations serving communities in need to design book projects that help further their mission. Our authors have produced original children's books, memoir collections and novels-in-stories. To learn more and to see a full catalog of Shout Mouse titles, visit www.ShoutMousePress.org.

Being a Brief History of the Labors of a Lifetime in Behalf of the Slave, with the Stories of Numerous Fugitives, who Gained Their Freedom Through His Instrumentality, and Many Other Incidents Gateway to Freedom: The Hidden

History of the Underground Railroad Author of *The Fiery Trial*, winner of the Pulitzer Prize in History, the Bancroft Prize, and the Lincoln Prize In 1835, the New York Vigilance Committee was organized by free blacks working with white abolitionists to protect blacks from kidnappers and slave catchers on the streets. Soon such committees proliferated in the North, and began a collaboration known as the underground railroad. Until now, their stories have remained largely unknown. Building on fresh evidence, Eric Foner elevates the underground railroad from folklore to history. [Class Politics and Black Freedom Struggle in St.](#)

Louis, 1936-75

Bloomsbury Publishing
Contagious Acts of Freedom is a short collection of poems and memoirs celebrating the bold act of exercising freedom despite the constraints and demands of life. Even the tiniest acts of expression can be daring demonstrations of self-determination amidst the confining forces of our world.

The legendary Bruce Lee was one of the most influential martial artists of the 20th Century. But Lee's physical abilities were only the tip of the iceberg. Besides being one of the world's top martial artists and cinematic superstar,

Bruce Lee was also a philosopher and one of the original champions of self-help and human achievement. As Lee evolved his revolutionary, "non-restrictive" approach to martial art training and combat, he simultaneously evolved a unique, non-restrictive philosophy toward life and living. Built around the same fundamental principles he applied to his martial art, the central theme of this philosophy is "personal liberation" -- liberation of body, mind, and spirit through greater self-knowledge. Here, for the first time, are the fundamental tenets of Lee's philosophy of self-actualization and personal liberation taken out of the martial arts arena and put into the arena of

daily living. A ground-breaking guide, LIBERATE YOURSELF doesn't offer you a set, rigid, one-size-fits-all philosophy, but rather a fluid set of operating principles you can use to cultivate a flexible, highly adaptable attitude toward living life to its fullest, develop the skills and confidence required to free yourself from the chains of limitation, whether of physical or psychological origin, and raise your living to the level of an art form. LIBERATE YOURSELF can help you: - Become more at ease with yourself and the world around you - Take charge of your attitude and fully realize your innate potential in all aspects of your life - Adapt to and deal effectively with whatever situation

you find yourself in - Break down barriers and overcome obstacles that keep you from achieving your goals and enjoying success
The Kilkenny Cat - Book Three

 Few things have defined America as much as slavery. In the wake of emancipation the story of the Underground Railroad has become a seemingly irresistible part of American historical consciousness. This stirring drama is one Americans have needed to tell and retell and pass on to their children. But just how much of the Underground Railroad is real, how much legend and mythology, how much invention?
 Passages to Freedom

sets out to answer this question and place it within the context of slavery, emancipation, and its aftermath. Published on the occasion of the opening of the National Underground Railroad Freedom Center in Cincinnati, Ohio, *Passages to Freedom* brings home the reality of slavery's destructiveness. This distinguished yet accessible volume offers a galvanizing look at how the brave journey out of slavery both haunts and inspires us today. *The Hidden History of the Underground Railroad* Createspace Independent Publishing Platform
 With *Freedom's* Lawmakers, Eric Foner has assembled the first comprehensive directory of the over

1,500 African Americans who held political office in the South during the Reconstruction era. He has compiled an impressive amount of information about the antebellum status, occupations, property ownership, and military service of these officials -- who range from U.S. congressmen to local justices of the peace and constables. This revised paperback edition also contains new material on forty-five officials who were not included in the first edition. In his Introduction, Foner ably analyzes and interprets the roles of the black American officeholders. Concise biographies, in alphabetical order, trace the life histories of individuals -- many previously unknown --

who played important parts in the politics of the period. This useful and informative volume also includes an index by state, by occupation, by office during Reconstruction, by birth status, and by topic.

A New History of the Civil War W. W.

Norton & Company
When Joseph and Phebe Fessenden came to the peaceful village of South Bridgton, Maine to serve the newly founded Congregational church in 1829, they soon found themselves embroiled in controversy over the abolition of slavery and the evils of "demon rum." Tempers ran high and Parson Joe often found himself running counter to public opinion. Mobs threatened him with

tar and feathers, cannonballs, and kidnapping. Still, he stood tall and fought tirelessly for the rights of all those who lived in chains beneath freedom's wing.

Eternity Chris Kent

"Think of your life as a car. By taking responsibility for your life, you are no longer a passenger but you replace yourself as the driver. Indeed, you are still in the same car, driving down the same road, but you have now regained control of the vehicle and when you decide, you can change direction and, ultimately, arrive at a destination of your choosing."- Samuel J Owens

Take Responsibility, Regain Control is not your typical self-help book. It is a toolkit filled with the peak performance

strategies and mindset alterations that the top 1% of people use to transform themselves into happier, dependable, and more successful individuals. "You cannot change the circumstances, the seasons, or the wind, but you can change yourself." - Jim Rohn

Therefore, we must begin to equip ourselves with the strategies, behaviours, and mindset required to flourish in the world, no matter the circumstances. *You may not be able to control everything that happens around you, but what if you could control your reaction to the curveballs life throws, and rather than striking out, you could instead hit a home run? *What if you were able to build

unstoppable self-confidence and unwavering resilience so that when adversity strikes, you have an unshakable belief that things are happening FOR you and not TO you? *What if you believed you could overcome anything? Because you can. It just takes peak performance strategies and the ability to actually DO the things you say you're going to do on a daily basis. Whether you would like to become a better parent, partner, professional, or friend, this book will help YOU become the antidote to life's problems.

My Overdue Book Book Publishing Academy

This author's works have been praised by numerous celebrities, the most notable being Nelson Mandela who

described two of his African stories as 'Wonderful', the late Princess Diana who used to read two of his books to the Princes William and Harry when they were aged 9 and 7 years, and a former Chief Inspector of Schools for The Office for Standards in Education, Children's Services and Skills (OFSTED), who described the author's writing to the press as being of 'High quality literature.' The Kilkeny Cat has been written as a trilogy. Book One deals with the theme of 'truth', Book Two with 'justice', and Book Three on the theme of 'freedom'. All three books seek to show that truth, justice or freedom cannot exist in isolation, and that the only way one can experience any one of

them is when one is able to experience all three. Book Three is set in the English North and has as its backdrop, the riots that embraced this area from the 1990s onwards. Recent riots all around the country merely reflect how deeply rooted the 'gang culture' of Great Britain has since become. The trilogy is designed to show that every country on the face of the Earth exercises discrimination against some of its citizens. The nature of discrimination may subtly change and vary from one country and situation to another in both shape and form, but it will always be present in some degree for those of us who care to look. Particular forms of

discrimination looked at in this trilogy include the issues of colour, race, religion, age, culture, sexism, disability, homophobia, gypsies, asylum seekers, refugees and economic migrants. These issues are looked at through the eyes of travelling cats, whose experiences mirror those of human society. Overarching all the themes of this trilogy is the issue of 'Good' versus 'Evil', where the terms 'God' and 'Satan' are used to denote opposing values, qualities and lifestyles. The speech of the cat characters who come from Jamaica is distinguished from the speech used by non-Jamaican cats by changing the word 'you' to 'ya' and its linguistic associates,

and no attempt has been made to replicate the patois more commonly used by many Jamaican citizens. The Kilkenny Cat Trilogy is an allegorical story of all manner of discrimination practised throughout the world; and particularly in Ireland, Jamaica and England. Told through the eyes and experiences of travelling gypsy cats, it is a must for all cat lovers and students of the discrimination, the 'Northern Riots', Ireland, Jamaica and Northern England and 'Good v Evil.' It is suitable for reading by teenagers and adults. *Passages to Freedom*

Robin H. Meeks is an environmental services manager and certified nursing assistant in

suburban Chicago. Her husband is a computer virtuoso. Meet the rest of her family, which includes God. My Words: Gateway to Financial Freedom features ways to manage your finances, and tells how to get out of debt and stay out of debt. The author believes our first concern should be helping others, and then God will come on board to help us. Her manual on financial freedom covers a period of twelve years in her family's life, as they go from debt to finding God lighting the way to financial strength. "This book by Robin Meeks emerges directly from her personal experiences with God and the pages of scripture. She speaks of the importance of the Tithe

and the benefits of living God's Word. If you are looking for ways to understand sowing and reaping or simply want to get the most of your financial portfolio we encourage you to read this book." - Dr. Stephen and Kellie Swisher, Kenneth Copeland Ministries "Wonderfully written and based on sound biblical scripture! By following God's Word regarding sowing and tithing, Robin tells her amazing story of how her family was removed from debt and how GOD continued to bless them! This book will touch your heart through scripture that will inspire you to GIVE in God's name." - Kerry Richards, Realtor 2Mac Home and Ranch Realty.

Sustaining Our

Freedom in Christ

LSU Press

In this uniquely interdisciplinary work, Lisa Lowe examines the relationships between Europe, Africa, Asia, and the Americas in the late eighteenth- and early nineteenth- centuries, exploring the links between colonialism, slavery, imperial trades and Western liberalism. Reading across archives, canons, and continents, Lowe connects the liberal narrative of freedom overcoming slavery to the expansion of Anglo-American empire, observing that abstract promises of freedom often obscure their embeddedness within colonial conditions. Race and social difference, Lowe contends, are enduring

remainders of colonial processes through which “the human” is universalized and “freed” by liberal forms, while the peoples who create the conditions of possibility for that freedom are assimilated or forgotten. Analyzing the archive of liberalism alongside the colonial state archives from which it has been separated, Lowe offers new methods for interpreting the past, examining events well documented in archives, and those matters absent, whether actively suppressed or merely deemed insignificant. Lowe invents a mode of reading intimately, which defies accepted national boundaries and disrupts given chronologies,

complicating our conceptions of history, politics, economics, and culture, and ultimately, knowledge itself.

Stories of the Underground Railroad as Told by Levi Coffin and William Still

In *Force and Freedom*, Kellie Carter Jackson provides the first historical analysis exclusively focused on the tactical use of violence among antebellum black activists. Through tactical violence, argues Carter Jackson, abolitionist leaders created the conditions that necessitated the Civil War.

in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter

bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to

have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

 Strategic Book Publishing
 If this really is the land of the free, then why do many of us feel so trapped? Why do we often feel deeply unsatisfied? Isn't there even more possible

than what we're experiencing right now? There must be! And there is. Whether the issue is strained relationships, limited finances, unrealized careers, distressing body image, or negative patterns of behavior that serve us poorly, it all comes down to one simple fact: we don't feel free. In this revolutionary new book, coauthors Sharon Brick and Donna Fullerton will introduce you to The Freedom Zone, a place where you can come to terms with loss and disappointment and build a new life with a sense of previously unimaginable freshness and joy. The Freedom Zone is a way of being, a way of thinking, a way of comprehending and living life unlike

anything you may have experienced so far. It's an approach to healing the past, loving the present, and creating a breathtaking future. You belong in The Freedom Zone. Let Sharon and Donna take you on the journey of your life. Your new life

of Freedom.
