This classic series of duets for like instruments is recognizable to nearly everyone who has ever studied an instrument. The wealth of material

supplements musical development and provides a rich experience for growing musicians. Duet playing is often a student's first form of ensemble experience - technique, tone quality, intonation and balance are introduced as students do one of the things they enjoy most - making music with a friend. And duet playing leads easily and naturally to competent performance in larger ensembles. (Vol. 1 - Easy to Medium, Vol. 2 - Medium to Advanced) Rubank Elementary Method Rubank Publications

Teachers and flutists at all levels have praised Nancy Toff's *The Flute Book*, a unique one-stop guide to the flute and its music.

Organized into four main parts--The Instrument, Performance, The Music, and Repertoire Catalog--the book begins with a description of the instrument and its making, offers information on choosing and caring for a flute, sketches a history of the flute, and discusses differences between members of the flute family. In the Performance section, readers learn about breathing, tone, vibrato, articulation, technique, style, performing, and recording. In the

extensive analysis of flute literature that follows, Toff places individual pieces in historical context. The book ends with a comprehensive catalog of solo and chamber repertoire, and includes appendices with fingering charts as well as lists of current flute manufacturers, repair shops, sources for flute music and books, and flute clubs and related organizations worldwide. In this Third Edition, Toff has updated the book to reflect technology's advancements--like new digital recording technology and recordings' more prevalent online availability--over the last decade. She has also accounted for new scholarship on baroque literature; recent

developments such as the contrabass flute, quarter-tone flute, and various manufacturing refinements and experiments; consumers' purchase prices for flutes; and a thoroughly updated repertoire catalog and appendices.
