Though over the past 1400 years,
thousand of books have been written on
the different aspects of the life of the
Prophet Muhammad (S). Even then it

cannot claim to be true and exhaustive
picture of his multidimensional life as has
been successfully projected in this
book. The author has tried to look at his
family life from a sociological perspective,
an approach different from that of other
writers. Her attempt is to place at the
disposal of young English speaking people,
a wider view of the family life of the
Prophet, so that they may learn something
from it to make their own lives more
fruitful and happy. In the last few years
and especially after 9/11, interest in Islam
and Islamic literature has increased
tremendously. Non believers are in a
dilemma. On one hand Islam is suppose to
be a religion of peace, while on the

other,terrorism association with Muslims is on the rise. By making an attempt to depict an objective picture of the life of Prophet Muhammad(S), the author has tried to underline the fact that Islam is not a religion of violence but of peace and the life of the Prophet provides convincing evidence of the same and whatever is being done under the name of Muslim by a handful people has hardly any relation with Islam. The book may be a source of interest to those non Muslims who are keen to know more about Islam.

The Qur'an and the Bible Yale

University Press

A biography of Muhammad, the founder of Islam.

Ar-raheeq Al-makhtum London : Oxford University Press

This book presents the example of how one of the greatest hadith scholars of the past century, Shaikh al-Hadith Muhammad Zakariyya, and other notable scholars, left their religious duties of teaching Qur'an and hadith to devote their time in austere devotion and worship of Allah in the blessed month. Despite his busy schedule and scholarly work of hadith, Shaikh al-Hadith Muhammad Zakariyya devoted the

whole month of Ramadan to connect those who came to sit in his pious company with Allah and to ignite the flame of love of Allah, love for the Blessed Prophet (peace be upon him), and perpetual remembrance of Allah in their lives. This book is an excellent firsthand account of how the great scholars of Islam utilized each moment of this blessed month. It is an inspirational and motivational book which will, inshallah, change the way we view and utilize the blessed month of Ramadan.

Prophet Muhammad (pbuh) was born in Makkah to Amina and Abdullah. Abdullah passed away before Muhammad (pbuh) was born and was brought up by Amina, his mother. When he was six, his mother passed away and then he was looked after by his loving grandfather Abdul Mutallib. Two years later, Abdul Mutallib also passed away and Muhammad (pbuh) was brought up by his uncle Abu Talib. Muhammad (pbuh) lived a simple life, marrying Khadija when he was twenty five years old. At the age of forty, the first verses came from Allah in the month of Ramadan. The Angel Jibrael brought these

first five verses to Muhammad (pbuh). These words were written down by the scribes and memorised by the Muslims. This message continued for twenty three years and is known as the Qu'ran - the word of Allah. The Qu'ran is this pure message that was revealed to Muhammad 1400 years ago. These are the words of Allah that were sent to the prophet Muhammad (pbuh). Allah has guarded it and kept it pure from changes and errors. The purpose or mission of the prophet (pbuh) was to deliver this message to Mankind and to follow its teachings. The Prophet Muhammad (pbuh) was kind and honest. He looked after his family and friends. He had good character and respected the elders. He looked after the orphans and the poor. He was concerned for the wellbeing of all people. He never stole or swore at anyone. He was loved and respected by everyone - the Muslims and the non-Muslims. The prophet's character and actions are also recorded in the Hadith books which give us an insight into this great man. Many people try and follow the example of the prophet (pbuh), indeed he is a role model for all Muslims. We should also be kind and good -

following the example of the prophet (pbuh) throughout our lives. In this Seerah Book, Children will learn a lot about the prophet (pbuh) and about his life.

"Gabriel Said Reynolds tells the story of Islam in this brief illustrated survey, beginning with Muhammad's early life and rise to power, then tracing the origins and development of the Quran juxtaposed with biblical literature, and concluding with an overview of modern and fundamentalist narratives of the origin of Islam. Reynolds offers a fascinating look at the structure and meaning of the Qur'an, revealing the ways in which biblical language is used to

advance the Qur'an's religious meaning. Reynolds' analysis identifies the motives that shaped each narrative Islamic, Jewish, and Christian. The book's conclusion yields a rich understanding of diverse interpretations of Islam's emergence, suggesting that its emergence is itself ever-developing" -- Publisher description. *The Origins and Evolution of Islam* Madania Publications

This book portrays one of the most significant personalities in the history of Islam. Taking the misunderstandings and defamation about her into consideration, Aisha needs to be understood correctly. This study by Dr Resit Haylamaz, an expert on the life of the Prophet and his leading Companions, reflects her life in various aspects based on reliable reports. The book clarifies her critical role at establishing the Islamic teaching, with particular reference to her role in the transmission of private matters concerning women and marital relations, as well as recording the authentic sayings of the Prophet. As her sensitivity at practicing religion is related in a rich variety of examples, much disputed issues like her marriage age and her stance about Ali ibn

Abi Talib are covered as separate topics. *Life History of Sultan ul Tarikeen Syed Mohammad Abdullah Shah* Fortress Press

Lessons from the Life of Muhammad Lulu Press, Inc

Acclaimed worldwide as the definitive biography of the Prophet Muhammad in the English language, Martin Lings' *Muhammad: His Life Based to the Earliest Sources* is unlike any other. Based on Arabic sources of the eighth and ninth centuries, of which some important passages are translated here for the first time, it owes the freshness and directness of its approach to the words of men and women who heard Muhammad speak and

witnessed the events of his life. Martin Lings has an unusual gift for narrative. He has adopted a style which is at once extremely readable and reflects both the simplicity and grandeur of the story. The result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. Muhammad: His Life Based to the Earliest Sources was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National Seerat Conference in Islamabad in 1983.

The Prophet Muhammad s treaties with

the Christians of his time, which John Andrew Morrow has rediscovered in obscure collections and often newly translated, uniformly state that Muslims are not to attack peaceful Christian communities, but defend them until the End of the World. Authored by the Prophet himself, they represent a third foundational pillar for Islam outside of Qur an and hadith. The Covenants Initiative within the book represents a movement by Muslims, both prominent and unknown, in support of Christians under attack. These treaties desperately need to be better known among Christians, Muslims, and the general public. For scholars, this book provides much difficult-to-obtain material: facsimiles of primary sources in Arabic and Persian; corrected versions in modern Arabic typescript; and alternate translations. They now have all they need to study the covenants in depth. "This narrative has the power to unite Muslim and Christian communities. A work of scholarship, its release is timely, and its content critical in fostering mutual respect and religious freedom."--IMAM FEISAL ABDUL RAUF, Chairman, Cordoba Initiative "In his indispensable contribution to the

study of the Abrahamic faiths, John Andrew Morrow tells the story of how the Prophet Muhammad used his desert experiences of hospitality and protection to bring Muslims and Christians together."--JOSEPH HOBBS, University of Missouri "These letters from the Prophet Muhammad to Christian communities can serve to inspire both Muslims and Christians about our ability to live together as God's people, as friends, as neighbors, and as custodians of the same small planet."--OMID SAFI, University of North Carolina "With painstaking effort and much dedication invested in this groundbreaking work, Professor Morrow will surely manage to attract the attention of Islamic studies students and specialists."--AMAR SELLAM, Mohamed I University "This book documents what is possibly the third foundational source of Islam: the Prophet's treaties and covenants among people of the Abrahamic faiths. Dr. Morrow brings forth exceptionally important findings that dictate peaceful coexistence among Jews, Christians, and Muslims."--BRIDGET BLOMFIELD, University of Nebraska [The Life of Muhammad \(PBUH\)](#) goodword

"While the Hebrew Bible and the New Testament are understood to be related texts, the sacred scripture of Islam, the third Abrahamic faith, has generally been considered separately. Noted religious scholar Gabriel Said Reynolds draws on centuries of Qur'anic and Biblical studies to offer rigorous and revelatory commentary on how these holy books are intrinsically connected."--Dust jacket. *Aisha Bilal Muslim Mission of Tanzania* Named by Time magazine as one of the 100 most important innovators of the century, Tariq Ramadan is a leading Muslim scholar, with a large following especially among young European and American Muslims. Now, in his first book written for a wide audience, he offers a marvelous biography of the Prophet Muhammad, one that highlights the spiritual and ethical teachings of one of the most influential figures in human history. In the Footsteps of the Prophet is a fresh and perceptive look at Muhammad, capturing a life that was often eventful, gripping, and highly charged. Ramadan provides both an intimate portrait of a man who was shy, kind, but determined, as well as a dramatic chronicle of a leader

who launched a great religion and inspired a vast empire. More important, Ramadan presents the main events of the Prophet's life in a way that highlights his spiritual and ethical teachings. The book underscores the significance of the Prophet's example for some of today's most controversial issues, such as the treatment of the poor, the role of women, Islamic criminal punishments, war, racism, and relations with other religions. Selecting those facts and stories from which we can draw a profound and vivid spiritual picture, the author asks how can the Prophet's life remain -- or become again -- an example, a model, and an inspiration? And how can Muslims move from formalism -- a fixation on ritual -- toward a committed spiritual and social presence? In this thoughtful and engaging biography, Ramadan offers Muslims a new understanding of Muhammad's life and he introduces non-Muslims not just to the story of the Prophet, but to the spiritual and ethical riches of Islam.
