## DIAZ CAREY

---

Mad Muse Bloomsbury Publishing  
Maybe the only thing new about sexual abuse is quality discussion from several professions (psychology, theology, and pastoral care). Here are the insights of over two dozen psychologists, theologians, and those in pastoral care, all targeting the issue of sexual abuse. Designed as a resource for Christian educators, therapists, pastors, social workers, group leaders, and survivors, *The Long Journey Home* combines current research in mental health with rich theological reflection, global concern with fervent pastoral wisdom for the local faith community. Whether you are a counselor, professor, pastor, or spouse of a survivor, you hold in your hand a fresh resource of information and advocacy for those suffering from the devastating effects of sexual abuse and rape. The breadth of material, biblical insight, discussion questions, and helpful resources gathered here just may be the tool of a generation.

Child Pornography and Sexual Grooming  
Bloomsbury Publishing

First place, Large Nonprofit Publishers Illustrated Covers, 2010 Washington Book Publishers Named one of the Top Five Books of 2009 by Anne Grant, *The Providence Journal* This history of father-daughter incest in the United States explains how cultural mores and political needs distorted attitudes toward and medical knowledge of patriarchal sexual abuse at a time when the nation was committed to the familial power of white fathers and the idealized white family. For much of the nineteenth century, father-daughter incest was understood

to take place among all classes, and legal and extralegal attempts to deal with it tended to be swift and severe. But public understanding changed markedly during the Progressive Era, when accusations of incest began to be directed exclusively toward immigrants, blacks, and the lower socioeconomic classes. Focusing on early twentieth-century reform movements and that era's epidemic of child gonorrhea, Lynn Sacco argues that middle- and upper-class white males, too, molested female children in their households, even as official records of their acts declined dramatically. Sacco draws on a wealth of sources, including professional journals, medical and court records, and private and public accounts, to explain how racial politics and professional self-interest among doctors, social workers, and professionals in allied fields drove claims and evidence of incest among middle- and upper-class white families into the shadows. The new feminism of the 1970s, she finds, brought allegations of father-daughter incest back into the light, creating new societal tensions. Against several different historical backdrops—public accusations of incest against “genteel” men in the nineteenth century, the epidemic of gonorrhea among young girls in the early twentieth century, and adult women's incest narratives in the mid-to late twentieth century—Sacco demonstrates that attitude shifts about patriarchal sexual abuse were influenced by a variety of individuals and groups seeking to protect their own interests.

**Bad Girls and Dirty Pictures** Springer Nature

This groundbreaking tour de force presents the gripping, true account of one of America's most notorious serial rapists and the tough female journalist

assigned to cover his case. Following an exhaustive manhunt and his capture in 2005, Brent Brents sent letters and his journal to Denver Post reporter Amy Herdy-with the condition that she alone tell his story. Here, then, in his raw and uncensored words, Brents reveals shocking details about his childhood abuse and the monstrous acts he later committed. Going way beyond just the facts, he gives us an unprecedented look inside the twisted mind of a sociopath. At the same time, Amy has a personal story to tell. Rocked to the core by Brents' disturbing case, she sets out to understand this ruthless criminal only to be confronted with her own troubled past. Ultimately, she must make a choice that will change her life forever.

Notable American Women UNC Press Books

BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

**Tweenhood** Pluto Press

For well over a decade, half-baked

analysis and phony science have been used by some feminists to side-track the women's movement into puritanical campaigns against sexual material and imaginative sexual exploration. Many feminists would say that this widely publicised version of feminism is itself sexist, and that the increasingly vocal anti-pornography campaigns are founded on theoretical dead-ends that have allowed feminists to deviate drastically from the basic goals of women's liberation. *Bad Girls & Dirty Pictures* puts these anti-sex, anti-porn arguments under the microscope of a more thorough and considered feminist analysis. It examines the flaws in the research that purports to prove the harm of pornography and warns against the continuing use of censorship by politicians and the moral right, as well as exposing the dangers of anti-porn feminist arguments. Contributions from a wide range of women, including sex workers and academics, remind us that pornography does not have a special place in our oppression, and that censorship must still be seen as dangerous enemy of women. *Bad Girls & Dirty Pictures* is a much-needed antidote to falsehoods, shabby thinking, and patronising sexism that have fuelled anti-pornography campaigns and misled the women's movement.

*The Building news and engineering journal* SAGE Publications

The Incest Diary Bloomsbury Publishing  
New York Medical Journal Wipf and Stock Publishers

Child pornography and sexual grooming provide case study exemplars of problems that society and law have sought to tackle to avoid both actual and potential harm to children. Yet despite the considerable legal, political and societal concern that these critical

phenomena attract, they have not, thus far, been subjected to detailed socio-legal and theoretical scrutiny. How do society and law construct the harms of child pornography and grooming? What impact do constructions of the child have upon legal and societal responses to these phenomena? What has been the impetus behind the expanding criminalisation of behaviour in these areas? Suzanne Ost addresses these and other important questions, exploring the critical tensions within legal and social discourses which must be tackled to discourage moral panic reactions towards child pornography and grooming, and advocating a new, more rational approach towards combating these forms of exploitation.

### **Child Pornography and Sex Rings**

Amy Herdy

An exploration of how specific historical contexts, narrative conventions, and cultural politics shape the ways that stories of incest are told and heard *Friends Journal* Univ. Press of Mississippi A comprehensive survey of sex offenders and sexual offenses This succinct and highly accessible text provides a comprehensive overview of a wide range of sexual behaviors and sex crimes, thoroughly addressing criminal actions from "nuisance" sex crimes, such as voyeurism and exhibitionism, to the most extreme, including rape, sex crimes against children, lust and serial murders, and more. Including unique and engaging case studies and first-person accounts from sex offenders, *Sex Crimes: Patterns and Behavior*, Third Edition provides unique insight into sex crimes, deviance, and criminal behavior theory and analysis. This engaging and easy-to-read text provides information on psychological profiling of sex offenders, the crimes they commit, the

effects on their victims, and attempted treatments, in an engaging style that compels students to continue reading—even ahead of the syllabus. Key Features Two new chapters address Internet-related sex crimes and sexually motivated homicides Photos and tables have been updated to provide the most cutting-edge information and reflect the thorough updating the book throughout Other helpful pedagogical aids include case files and boxed news accounts that bring key concepts to life, and first-person accounts from sex criminals, medical and legal insights into the behaviors described A glossary of sexual behavior and related terms is provided at the back of the text Intended Audience Suitably brief to serve as a core text in conjunction with readings or as a supplement to another text, this provocative textbook will spark lively discussion in undergraduate courses such as Sex Crimes, Deviance, Criminal Behavior, and Violent Crimes in departments of criminology, criminal justice, sociology, social work, and counseling.

### California. Court of Appeal (6th Appellate District). Records and Briefs

Jossey-Bass In the early 1970s, a new wave of public service announcements urged parents to "help end an American tradition" of child abuse. The message, relayed repeatedly over television and radio, urged abusive parents to seek help. Support groups for parents, including Parents Anonymous, proliferated across the country to deal with the seemingly burgeoning crisis. At the same time, an ever-increasing number of abused children were reported to child welfare agencies, due in part to an expansion of mandatory reporting laws and the creation of reporting hotlines across the nation. Here, Mical Raz examines this history of

child abuse policy and charts how it changed since the late 1960s, specifically taking into account the frequency with which agencies removed African American children from their homes and placed them in foster care. Highlighting the rise of Parents Anonymous and connecting their activism to the sexual abuse moral panic that swept the country in the 1980s, Raz argues that these panics and policies—as well as biased viewpoints regarding race, class, and gender—played a powerful role shaping perceptions of child abuse. These perceptions were often directly at odds with the available data and disproportionately targeted poor African American families above others.

**Journal of Integrative and Eclectic Psychotherapy** University of Michigan Press

This volume presents cutting-edge cognitive and behavioral applications for understanding and treating trauma-related problems in virtually any clinical setting. Leading scientist-practitioners succinctly review the "whys," "whats," and "hows" of their respective approaches. Encompassing individual, group, couple, and parent-child treatments, the volume goes beyond the traditionally identified diagnosis of PTSD to include strategies for addressing comorbid substance abuse, traumatic revictimization, complicated grief, acute stress disorder, and more. It also offers crucial guidance on assessment, case conceptualization, and treatment planning.

Lynda Barry Dorrance Publishing

Have you ever wanted to read through the entire Bible? You can! Join Al Lowry as he reads through the Bible in a year using this Daily Bible Reading Guide. Each daily reading is accompanied by a

few words from Al to gently nudge you to do what he once thought was impossible—to read through the most important book ever written. FROM THE INTRODUCTION I began writing this journal 9 years ago when a friend told me of a "Guilt-Free" reading plan that went through the entire Bible. He explained that the principle was to just take time to read or listen to that day's passage— and if you miss a few days, to skip ahead to the current day's reading. He said people will read through more of the Bible this way than if they stop part way for lack of "keeping up." Then they can read it again the next year and pick up the passages they missed the first time around. I responded I just might be the poster child for quitting, as I would start well many a January, only to fall hopelessly away when tedious books like Numbers, Leviticus or Deuteronomy would sideline me in the first quarter. Then he challenged me in a very big way. He had one of the first online ministries called, "The Ranch," at [theranch.org](http://theranch.org). I read about it in USA Today and through a set of rather unusual circumstances, we became connected as good friends. He suggested I invite readers to follow along with me, and that 1st day of the year, I introduced a Facebook page with that very purpose. He gave me an invitation to include my plan in one of his online sermons and put out an open invitation to whoever might be inclined to join me. About 450 people signed up, and that set me on course with a lot of accountability partners with whom I would share a devotional each day. At the end of that year, I could not believe I'd finally accomplished this challenge of reading Genesis through Revelation. So what next—just be done with it? I decided to do it again the next year, and

the next, and the next... I believe God has a sense of humor and turned me into the Forrest Gump of Bible reading. (Remember how he kept running back-and-forth across the country?) I mentioned we started with about 450 in our Facebook group the first year and now there are over 1500. This year, I decided to put the devotionals in book form so readers would have the option to join me online or by paperback. Regardless of your own motivation to read the Bible, I sure would be privileged to walk by your side. The goal is still the same as when we started—to grow in our faith by reading through as much of the Bible as we can. Hopefully, my light commentaries can give you that gentle nudge that helps you also do what I felt was impossible—to read the Bible in its entirety.

### **Indian Journal of Social Research**

North Atlantic Books

Throughout her childhood and adolescence, the anonymous author of *The Incest Diary* was raped by her father. Beneath a veneer of normal family life, she grew up in and around this all-encompassing secret. Her sexual relationship with her father lasted, off and on, into her twenties. It formed her world, and it formed her deepest fears and desires. Even after she broke away, even as she grew into an independent and adventurous young woman, she continued to seek out new versions of the violence, submission and secrecy she had struggled to leave behind. In this graphic and harrowing memoir, the author revisits her early traumas and their aftermath - not from a clinical distance, but from deep within - to explore the ways in which her father's abuse shaped her, and still does. As a matter of psychic survival, she became both a sexual object and a detached

observer, a dutiful daughter and the protector of a dirty secret. And then, years later, she made herself write it down. With lyric concision, in vignettes of almost unbearable intensity, this writer tells a story that is shocking but that will ring true to many other survivors of abuse. It has never been faced so directly on the page.

### **What the Bible Says About Sex**

Cambridge University Press

Over the past several decades, Reformed theologian and biblical scholar James B. Jordan has produced a unique body of work. His electrifying commentaries and essays on Scripture, along with his penetrating writings on Trinitarian theology, liturgics, music, and culture have inspired a growing number of pastors and theologians. In this Festschrift, Jordan's friends and associates celebrate his contributions by applying his methods and insights to a range of biblical, theological, liturgical, and cultural questions. *The Glory of Kings* aims to bring Jordan's work to the attention of a wider audience and to introduce the work of a scholar that R. R. Reno has called "one of the most important Christian intellectuals of our day."

### **The Sense of an Ending** Skylight Press

This book of essays is the first to probe Anais Nin's achievements as a literary artist. With an introduction by the editor, Suzanne Nalbantian, the collection examines the literary strategies of Nin in their psychoanalytical and stylistic dimensions. Various contributors scrutinize Nin's artistry, identifying her unique modernist techniques and her poetic vision. Others observe the transfer of her psychoanalytical positions to narrative. The volume also contains fresh views of Nin by her brother Joaquin Nin-Culmell as well as innovative

analyses of the reception of her works.

[A Word With You: My Journal Through The Bible](#) Taylor & Francis

Many of the well-respected scholarly studies of autobiographical writing have little or nothing to say about mental illness. This book uncovers the mysterious relationship between mood disorders and creativity through the lives of seven writers, demonstrating how mental illness is sometimes the driving force behind creativity.

[Handbook of Child and Adolescent Sexual Problems](#) Vintage

The Grandma Diaries By: Kishan Mills

The Grandma Diaries is complete fiction set in the state of Florida. These are two short stories of women who balance family and business with a sense of humor and wisdom. They're grandmothers, Milly Blackwood and Jackie VanDoren, who bring us joy and laughter. Milly, age seventy, runs a brothel in a trailer park, surrounded by rednecks. Jackie VanDoren is a widow in her fifties struggling to keep her head above water during a pandemic. These stories will keep you cheering for grandma.

**Diary of a Predator** BRILL

This text reviews the major advances that have taken place over the past 20 years in the management of human sexual aggression. This work is intended to reflect what is known and what is not known about the most effective management practices and strategies for sexual offenders. It includes complete discussions of classification, assessment, and prediction. In addition, major controversies in the field are addressed with the goal of separating supposition from fact and myth from reality. By employing an empirical litmus

test throughout, the authors are able to identify what is known; what are sound, yet empirically based, hunches; what is speculation; and what lies strictly in the realm of mythology. Written by a forensic psychologist and a forensic nurse, the book offers a unique dual perspective. With over 1400 references, this represents an important source of every facet of the management and disposition of known sex offenders.

**The Glory of Kings** Springer Science & Business Media

This latest volume brings the project up to date, with entries on almost 500 women whose death dates fall between 1976 and 1999. You will find here stars of the golden ages of radio, film, dance, and television; scientists and scholars; civil rights activists and religious leaders; Native American craftspeople and world-renowned artists. For each subject, the volume offers a biographical essay by a distinguished authority that integrates the woman's personal life with her professional achievements set in the context of larger historical developments.

[The Grandma Diaries](#) Eric Elder Ministries

Diary as Sin is the powerful and evocative story of a blind girl, Rosanna Galvez. Confined to a private Catholic home in New Mexico, she unveils her beginnings as an incest baby - and moves through the odyssey beyond - with powerful incantatory language. Through poetic and often painful recall, Rosanna weaves a diary that will spellbind the reader with its imagistic and visionary prowess. Alexander cites Beckett, Bernhard and Goytisoló as an "ancestral trilogy" for the work, living up to his forebears with some aplomb.
