BARTLETT WEBB

Boy's Club Simon and Schuster
A New York Times Best Seller If you could read my mind, you wouldn't be smiling. Samantha McAllister looks just like the rest of the popular girls in her junior class. But hidden beneath the straightened hair and expertly applied makeup is a secret that her friends would never understand: Sam has Purely-Obsessional OCD and is consumed by a stream of dark thoughts and worries that she can't turn off.

Second-guessing every move, thought, and word makes daily life a struggle, and it doesn't help that her lifelong friends will turn toxic at the first sign of a wrong outfit, wrong lunch, or wrong crush. Yet Sam knows she'd be truly crazy to leave the protection of the most popular girls in school. So when Sam meets Caroline, she has to keep her new friend with a refreshing sense of humor and no style a secret, right up there with Sam's weekly visits to her psychiatrist. Caroline introduces Sam to Poet's Corner, a hidden room and a tight-knit group of misfits who have been ignored by the school at large.

Sam is drawn to them immediately, especially a guitar-playing guy with a talent for verse, and starts to discover a whole new side of herself. Slowly, she begins to feel more "normal" than she ever has as part of the popular crowd . . . until she finds a new reason to question her sanity and all she holds dear. "Clueless meets Dead Poets Society with a whopping final twist." -Kirkus Reviews "This book is highly recommended-readers will connect with Sam, relating to her anxiety about her peers, and root for her throughout the book." -VOYA "A thoughtful romance with a strong message about

self-acceptance, [this] sensitive novel boasts strong characterizations and conflicts that many teens will relate to. Eminently readable." -Booklist "A brilliant and moving story about finding your voice, the power of words, and true friendship. I couldn't put it down?" -Elizabeth Eulberg, Author of *The Lonely Hearts Club* "Brilliant, brave, and beautiful." -Kathleen Caldwell, *A Great Good Place for Books* "A riveting story of love, true friendship, self-doubt and self-confidence, overcoming obstacles, and truly finding oneself." -Melanie Koss, Professor of Young Adult Literature, Northern Illinois University "Romantic, unpredictable, relatable, and so very enjoyable." -Arnold Shapiro, Oscar- and Emmy-winning Producer "Characters to love and a story to break your heart. Readers will want to turn page after page and read every last word. Then do it all over again." -Marianne Follis, Teen Librarian, Valley Ranch (Irving) Public Library

 The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world.

You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

 Explore the powers of DC Comics' greatest characters like never before through stunning anatomical cutaways and in-depth commentary from the Dark Knight. Concerned about the threat that so-called "metahumans" may pose to the world, Batman has begun compiling a detailed dossier on their incredible physiology and abilities. From villains like Killer Croc, Bane, and Brainiac, to Batman's own comrades, including Superman and Cyborg, the file brings together the Dark Knight's fascinating personal theories on the unique anatomical composition of these formidable individuals. This stunning

and unique book delves into the incredible abilities of DC Comics characters like never before. Using beautifully illustrated anatomical cross sections depicting twelve different DC characters, the book, told from Batman's unique perspective, will explore how these "metahumans" physical makeup differs significantly from that of the average person. From detailed theories on how Superman's eyes shoot heat rays to an in-depth exploration of how Aquaman is able to breathe under water, the book delves into the deepest secrets of these classic characters. Also featuring chapters on the anatomy and abilities of Doomsday, Aquaman, Swamp Thing, Darkseid, Martian Manhunter, and more, this one-of-a-kind book will change the way you look at metahumans forever. *Onyx Penguin*

Nazi Wives is a fascinating look at the personal lives, psychological profiles, and marriages of the wives of officers in Hitler's inner circle. Goering, Goebbels, Himmler, Heydrich, Hess, Bormann—names synonymous with power and influence in the Third Reich. Perhaps

less familiar are Carin, Emmy, Magda, Margaret, Lina, Ilse and Gerda... These are the women behind the infamous men—complex individuals with distinctive personalities who were captivated by Hitler and whose everyday lives were governed by Nazi ideology. Throughout the rise and fall of Nazism these women loved and lost, raised families and quarreled with their husbands and each other, all the while jostling for position with the Fuhrer himself. Until now, they have been treated as minor characters, their significance ignored, as if they were unaware of their husbands' murderous acts, despite the evidence that was all around them: the stolen art on their walls, the slave labor in their homes, and the produce grown in concentration camps on their tables. James Wyllie's *Nazi Wives* explores these women in detail for the first time, skillfully interweaving their stories through years of struggle, power, decline and destruction into the post-war twilight of denial and delusion.

Jim Henson's The Dark Crystal Creation Myths: The Complete

Collection Latin American Women Historical Perspectives
 After things went south with my last roommate, I'm determined to hide my little side until I graduate from college. That's not possible once Jayden learns my secret... Being a little in the dorms isn't easy. When my first roommate found out, he freaked. With a new semester and a new roommate, I promise myself I'll keep my gear locked away. Except at night when everyone is sleeping... Jayden's not nearly as inclined to let me hide after he finds my binkie in the laundry. Correction, after his mom finds it. Shoot me now. Even though he's never considered himself to be a Caregiver, Jayden makes it his mission to help me find a daddy. Neither of us knew he'd be the best fit for the job. He's always there and he's a natural caretaker. No matter how close we get, the D word is off-limits for him. Will he ever accept the role he's assumed in my life? Or will I start the next school year once again looking for a place to stay? Rooming Together is the first in a new series set in the kinky town of Annandale featuring binkies, stuffies, and adorably padded backsides. It features cameo

appearances from The Lodge series characters but can be read as a standalone.

Lore Olympus: Volume One Entangled: Teen

This collection of essays illuminates the experiences of pre-20th-century Latin American women....There is surprisingly rich information about Indian and black women....The diverse patterns of family roles and sex polarizations, trends in the feminist movement, and women's political participation are themes of significant importance in the essays. A welcome

contribution to women's studies and to Latin American history, especially since there is little available in English covering this.

Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that

night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did... and my life changed forever. This is not a love story. It is an unlove story. From the author of Five Point Someone and 2 States, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

Maurice Horn, the editor of World Encyclopedia of Comics, has described cartoonist PRAN as Walt Disney of India. Entertaining generation after generation, his comics have been constant companion of all the growing youngsters providing fun

and amusement through his famous characters like CHACHA CHAUDHARY, SABU, SHRIMATIJI, PINKI, BILLOO, RAMAN etc. More than 600 of his titles are selling well in the market, and numerous comic strips are regularly appearing in various newspapers. His CHACHA CHAUDHARY comics had already been adapted for a TV Serial, and ran continuously for 600 episodes on a premier channel. Travelling widely over the globe, he delivers lectures at various International Conferences. He has also been honoured with 'People of The Year Award' by Limca Book of Records for popularizing comics. His comic book 'United We Stand' was released in 1983 by the then Prime Minister Mrs. Indira Gandhi, and is still very popular among children. Chacha Chaudhary And Swachh Bharat P & R Publishing

Cassie Palmer, chief seer of the supernatural world, faces her biggest challenge yet--her own allies! Everything's on the line in the latest thrilling entry in the New York Times bestselling urban fantasy series. Cassie Palmer has been chief seer of the supernatural world for a little over four months. In that time, she's battled two gods, fallen in love with two

men, and confronted the two sides of her own nature, both god and human. So it's not surprising that she currently finds herself facing two adversaries, although they have a single purpose: to wipe out the supernatural community's newest

fighting force, leaving it vulnerable to enemies in this world and beyond. To prevent catastrophe, the vamps, mages, and demons will have to do the one thing they've never managed before and come together as allies. Cassie has the difficult task of keeping the uneasy coalition intact,

and of persuading her own two opposing forces, a powerful mage with a secret and a master vampire with a growing obsession, to fight at her side. She just hopes they can do it without tearing each other apart.
