LOGAN BARTLETT

Worth a Thousand Words Teaching and Learning Company

Offers ideas for using the listed childrens books in grades up to high school in such areas as math, drama, and writing

National Geographic - Japan Stackpole Books

Describes traditional toys and how they are made in countries around the world. Each chapter includes illustrated instructions for making a variety of toys from each country.

Learning About Cultures (ENHANCED eBook) National Geographic Books

A thoroughly entertaining exploration, this book travels back in time to shed light on the snowman's enigmatic past -- from the present day, in which the snowman reigns as the King of Kitsch, to the Dark Ages, with the creation of the very first snowman. Eckstein's curiosity began playfully enough, but soon snowballed into a (mostly) earnest quest of chasing Frosty around the world, into museums and libraries, and seeking out the advice of leading historians and scholars.

The result is a riveting history that reaches back through centuries and across cultures -- sweeping from fifteenth-century Italian snowballs to eighteenth-century Russian ice sculptures to the regrettable "white-trash years" (1975-2000). The snowman is not just part of our childhood memories, but is an integral part of our world culture, appearing -- much like a frozen Forrest Gump -- alongside dignitaries and celebrities during momentous events. Again and again, the snowman pops up in rare prints, paintings, early movies, advertising and, over the past century, in every art form imaginable. And the jolly snowman -- ostensibly as pure as the driven snow -- also harbors a dark past full of political intrigue, sex, and violence. With over two hundred illustrations, *The Illustrated History of the Snowman* is a truly original winter classic -- smart, surprisingly enlightening, and quite simply the coolest book ever.

Jewish Culture Stackpole Books

Experience Korean culture through literature, celebrations, games and crafts. This packet includes an introduction, a discussion of this culture's role in U.S. history, and an extensive selection of recommended literature.

Based on a popular folk tale, this familiar story is adapted to music and performed as a musical drama. The children design the costumes, set decorations, and libretto through various art activities to incorporate all aspects of the production into the curriculum. The book contains songs, music, step-by-step directions for classroom use or performance, and related activities. The CD contains both songs with lyrics, and piano accompaniment only. Material is designed for non-musical teachers.

Travel to Japan and discover Tokyo's best sushi and saké spots, stroll Kyoto's gardens, and climb sacred Mount Fuji--with National Geographic as your trusted guide. The latest edition of this popular guidebook, updated by Japan travel expert Perrin Lindelauf, covers all the main cities, towns, and regions of Japan, helping travelers negotiate one of Asia's most popular yet challenging destinations. Travel information tips for Tokyo and Japan's eight main islands and regions are fully revised and updated in this latest edition, with useful new sidebars giving simple directions on getting to and from popular destinations. This book outlines detailed city walks and regional drives, complete with maps and reservation information. Also included are features on the Age of the Samurai, Buddhism, Geisha, Shinto, Sacred Mount Fuji-San, Japan After Dark, and the remarkable Blue Zone of Okinawa. A brand-new feature will explore the future of travel, Japanese style--including a look at ANA's Dreamliner Aircraft. The National Geographic Traveler guidebooks are aimed at readers who value experiential travel. Each book provides inspiring photography, insider tips, and expert advice for a more authentic, enriching experience of the destination. These books serve a readership of active, discerning travelers, and supply information, historical context, and cultural interpretation not available on the Internet.
