KEAGAN ALEXANDER

Ink 3ring Press

WINNER OF A NATIONAL JEWISH BOOK AWARD A USA TODAY BESTSELLER "A gifted writer, astonishingly adept at nuance, narration, and the politics of passion."—Toni Morrison Set in London of the 1660s and of the early twenty-first century, *The Weight of Ink* is the interwoven tale of two women of remarkable intellect: Ester Velasquez, an emigrant from Amsterdam who is permitted to scribe for a blind rabbi, just before the plague hits the city; and Helen Watt, an ailing historian with a love of Jewish history. When Helen is summoned by a former student to view a cache of newly discovered seventeenth-century Jewish documents, she enlists the help of Aaron Levy, an American graduate student as impatient as he is charming, and embarks on one last project: to determine the identity of the documents' scribe, the elusive "Aleph." Electrifying and ambitious, *The Weight of Ink* is about women separated by centuries—and the choices and sacrifices they must make in order to reconcile the life of the heart and mind.

Inked Abingdon Press

An erotic paranormal romance about the tenderness of beasts... Alice is twenty-four, far old enough to know that a change of scenery can't repair the cracks in a relationship long strained. Yet when her lover insists on a trip to a remote cabin to get away and recharge, Alice agrees and discovers that among the beasts of the forest, there is one that shouldn't exist and yet does: a wolf that changes into a man and a man who changes into a wolf. He's savage, suspicious, and feral. And he's as undeniably interested in her as she is in him...

Riddled Deceit Crystal Kaswell

What do you do when your past won't let you move on and your future is sprinting toward you? I grew up in a very controlling, turbulent, household. But if I thought my upbringing was bad, its nothing compared to how it ended. Now I am faced with repeating the mistakes of my mother. Or am I? All I know is that Eldridge Monte-q is everything I shouldn't want, and possibly exactly what I need. Now I just have to stop reliving my past long enough to realize it. Before I lose the best thing to ever happen to me.

Accidental Husband HarperCollins

He parties like a rockstar. She's there to make sure no one finds out... Jess James has her eye on the prize. She is finding the

money to pay for law school. Period. It doesn't matter how lonely she feels three thousand miles from home, how exhausted she is from working overtime as a cocktail waitress, or how deep the knife wound in her back cuts. She is going to be a lawyer, whatever it takes. Only she doesn't have what it takes. She can barely afford to pay her rent. Sinful Serenade bassist Pete Steele has enough to pay Jess's rent and buy her a small island in the Caribbean. The famous, talented rock star has everything... except the one thing his manager wants. Pete rose to fame as a devoted boyfriend. Doesn't matter that his ex slept with his best friend. He needs to stop screwing his way through Los Angeles to keep the record company happy. The sweet blond waitress is exactly the girl he needs on his arm if he wants to clean up his dirty reputation. Their arrangement is simple: he pays her tuition, she plays his girlfriend. They'll lie to the world but not to each other. Especially not when they're alone, in his bed, him figuring out exactly which buttons to push to get her moaning his name. Jess is good at keeping up appearances. She can play the enigmatic rock star's girlfriend. But Pete shouldn't play games with a girl who's been broken before... ***Play Your Heart Out is a full-length, standalone romance set in the Sinful Serenade universe.*** Sinful Serenade, a new adult romance series, follows the men of rock band Sinful Serenade and the women they love. Each book can be read as a standalone.

The Tattooed Heart Simon and Schuster

In this follow-up to *Clipped Wings*, the emotional love story continues between Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. In the wake of losing Tenley Page, tattooist Hayden Stryker's tumultuous past is haunting him. Plagued by nightmares about the murder of his parents, Hayden reaches out again to Tenley. Having run from the man she doesn't believe she deserves, Tenley finally lays her guilt to rest. Despite their intense physical attraction, Hayden and Tenley struggle to repair their fragile emotional connection. As Hayden gets closer to the truth, he must find a way to reconcile his guilt over his parents' death in order to keep the woman who finally cracked his armor, and found her way into his heart.

Ink My Heart Blvnp Incorporated

Good girls don't date rock stars. They certainly don't have rock star f-buddies. Still a virgin at 21, Meg Smart walks a straight and narrow path. She aces her classes, excels at her part time job, and carefully avoids trouble--no drinks, no drugs, and especially, no boyfriends. Rock star Miles Webb doesn't do "boyfriend." He skips over intimacy and love in favor of easy distraction--a beautiful woman under him, screaming his name. Meg is drawn to the pain in his gorgeous, tortured voice. But the man she hears on the radio is nothing like the player she meets at a mutual friend's house party. When she walks in on one of his trysts, she's embarrassed enough to die. His merciless teasing leaves her blushed and frustrated, but she's intrigued by his wit, his confidence, his casual offer to give her a night she'll never forget. Neither of them wants a relationship, so they strike up an arrangement: They'll be friends with benefits, nothing more, nothing less. There are only three rules: no secrets, no feelings, no falling in love. Only neither one of them can quite abide by the terms. ***Sing Your Heart Out is a full-length, standalone new adult romance.*** Sinful Serenade, a new adult romance series, follows the men of rock band Sinful Serenade and the women they love. Tattoos on the Heart Chronicle Books

Early in the AIDS epidemic, Gracie -- a hard-luck girl with a haunting secret -- loses her best friend and lover, Marcus. But just before he dies, Marcus makes her promise to get pregnant and bear a child in his memory. He knows she'll need someone to live for when he's gone; but he can't know how tough and twisted Gracie's journey will become.

Under the Skin Simon and Schuster

Tattoos have been around for thousands of years. (The ancient Egyptians seemed to have favored geometric figures.) Regarded by many who wear them today as a form of personal identification, tattoo designs range from symbols of courage and patriotism to expressions of love and affection. This collection of colorable tattoos — all adapted from patterns created during the first half of the 20th century — lets colorists of all ages apply their own eye-catching hues to thirty pages of intriguing designs. From frightening figures and powerful beasts to good luck symbols, pretty girls, and pierced hearts, the traditional tattoos represent a unique form of body art — and a great source of coloring fun.

Tell Me a Tattoo Story Skyscape

My life had become full of scribbles and lies, the lines smudged too many times to know the truth. Small town girl, eyes full of hope, I never thought my life would come to this. It had started out so simple, and then somewhere between first loves and now, it went majorly off course. All the lies caught up to them, and I no longer knew who to trust. Everything was muddled, and no one knew the full truth of what had happened the day when everything changed. We'd become too twisted in our pain to look beyond it, believing the lies we were told, or perhaps wanted to believe. Our inked confessions began as a safe way to share our fears and hopes, but with this betrayal, everything was riddled with deceit, and I wasn't sure if any of us would ever find our way back to one another. And yet, their love was a permanent tattoo on my heart, three smudged lines I couldn't erase, nor would I ever want to, no matter how deep the pain pierced. But the music didn't lie, and my heart was nowhere near a love song. He'd made sure of that. When all you had left was your gut feeling, was it enough?

The First Taste Simon and Schuster

"Parents with or without tattoos will be touched by [this] heartwarming tale about sharing your past with your children—it leaves a mark" (Real Simple). It's after dinner and a little boy wants a story from his father. It's story he's heard many times before, one etched all over his father's body. So, dad once again tells his little son the story behind each of his tattoos, and together they go on a beautiful journey through family history. There's a tattoo from a favorite book his mother used to read him, one from something his father used to tell him, and one from the longest trip he ever took. And there is a little heart with numbers inside—which might be the best tattoo of them all. Tender pictures by the New York Times–bestselling illustrator Eliza Wheeler complement this lovely ode to all that's indelible—ink and love.

Inked St. Martin's Press

Alyssa never thought she'd cheat. She has no time for the kind of passion that inspires such a tryst. Her priorities are clear—get healthy and get back to her acting career—and that means staying with her workaholic boyfriend, Ryan. He may not be the most attentive guy around, but she needs someone to keep her from falling down the rabbit hole of bulimia. Enter Luke. He's not the kind of guy who gives up on what he wants, and he wants Alyssa. He sees something in her, a loneliness he wants to take away. He knows she's with someone else, and he knows she should be off

limits. But there's no way in hell he can resist someone who calls him on his bullshit and blushes at the mere brush of his fingertips. It starts off as flirting. Friendship even. Until it's more. His touch is electric. Together, they're white-hot. There's no turning back, even if this might destroy both their lives.

Classic Tattoo Designs Coloring Book Crystal Kaswell

Tracy Lorraine's *Inked* is a heart-wrenching, emotionally charged, steamy, contemporary romance written in K. Bromberg's *Driven Worlds* project. Some might say I'm running... I say I'm embarking on the life I've always dreamed of. It's all I have left. LA is everything I hoped it would be—a distraction from the life I'm desperate to escape. Fresh air and a fresh start. A chance to rediscover myself. But before I can do that, I discover her. Harlow Winters. She falls into my lap, and everything changes. The artist in me recognizes her beauty. The broken man relates to the darkness threatening to consume her. Suddenly, the future isn't quite as daunting. I'm trying to escape my past... but she refuses to let hers go. With the scars of our past inked onto our skin and tattooed on our hearts, can we salvage a future under the weight of our memories, or will they crush us both?

Sing Your Heart Out Sourcebooks, Inc.

Do you dare? You might never see my name in lights or flashed across the stage, but my roots were southern, my eyes bright, and my sass a mix of feisty-sweet. I was ready to take on anything life had to throw at me... until it did. I used to be a romantic, hopeful someday I'd fall in love with Mr. Right. After a slew of dating disasters, though, I'd convinced myself I was cursed. Now, almost twenty-six, I found myself working at a tattoo shop, wondering if it was time to try again. If only the men in my life would get a clue. Slade—the bossnemy—who liked to push my buttons. Simon—the one who got away—who wasn't even an option. Thane—the perfect guy—who swooped in to rescue me. It began so innocently, our inked confessions, a modern-day love story unfolding between us, but when the line between truth and lies blurred, how was I to know what was real? It was hidden somewhere between all the riddled deceit. The question was, was I even brave enough to unravel it? I'm Lennox James, and this is my story. *This is a why choose novel, meaning the main female character doesn't have to choose between love interests. This is a contemporary romantic suspense novel with some dark elements. This is an adult romance and intended for readers 18+ due to language and content. This series will contain MM.

Tempting Anchor

Shelby is nervous to start her senior year after spending the whole summer away from home. After all, it's hard to be carefree when you're trying to protect a secret. Shelby was in a devastating car accident, and everyone in town thinks that she was undergoing more physical therapy in Denver. Instead, Shelby's mother enrolled her in a clinical program to stop the panic attacks that started after the crash. The treatment erased Shelby's memory of the accident, but she can't help feeling as if a piece of herself is missing, that the treatment took more than the doctors claimed. So when Shelby starts hallucinating a boy with dark and mysterious eyes, she knows it must be a side-effect of the clinical program. Except you can't kiss hallucinations. And this boy insists that they know each other and are in love...

The Baby Bargain Courier Corporation

A tattoo can tell a lot about a person. Some reflect a rebellious season, like the demons that cover Josh Hamilton of the Texas Rangers. Some express religious ties, like actor Mark Wahlberg's once tattooed rosary. Some are symbols of love and loyalty; Some serve as remembrances, like rapper Lil Wayne's teardrops, representing deaths of loved ones. Inked by Janet E. Kusiak and Kimberly D. Goad uses the language of tattoos to explore the question: what has marked your life? Is it a deep well of pain? Is it emotional baggage? Is it depression? In spite of events that are so deeply etched into our hearts, we have the power to change the marks that life makes on us. An estimated quarter of Americans ages 18-50 have a tattoo. What better way to show how one of the most polarizing of cultural icons can, in fact, be a metaphor for what people have in common? Using stories and slang from tattoo culture, the authors look at the new way Christ desires that we be inked by Him, as the authors explore the marks that have been made on our hearts.

Ink Mulholland Books

An emotional love story that follows the touch-and-go relationship of Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. Their body art is hot. Their chemistry is even hotter. From her dark hair sweeping below her waist to her soft, sexy curves, Tenley Page intrigues tattoo artist Hayden Stryker in a way no one else ever has... especially when she asks him to ink a gorgeous, intricate design on her back. Yet for all her beauty, there is something darkly tragic and damaged about Tenley that Hayden is everything. Covered in ink and steel, Hayden is everything Tenley has never dared to want, awakening a desire to explore more than the art adorning his stunning body. Trapped by a past that leaves her screaming from nightmares, Tenley sees Hayden as the perfect escape. Although he has secrets too, if they both keep themselves guarded perhaps their intense physical connection will remain only that. But nothing, not even passion, can keep them safe from their pasts...

The Tattoo Encyclopedia Entangled: Lovestruck

PULITZER PRIZE FINALIST • "A stunning exposé of why Black people in our society 'live sicker and die quicker'—an eye-opening game changer."—Oprah Daily From an award-winning writer at the New York Times Magazine and a contributor to the 1619 Project comes a landmark book that tells the full story of racial health disparities in America, revealing the toll racism takes on individuals and the health of our nation. In 2018, Linda Villarosa's New York Times Magazine article on maternal and infant mortality among black mothers and babies in America caused an awakening. Hundreds of studies had previously established a link between racial discrimination and the health of Black Americans, with little progress toward solutions. But Villarosa's article exposing that a Black woman with a college education is as likely to die or nearly die in childbirth as a white woman with an eighth grade education made racial disparities in health care impossible to ignore. Now, in *Under the Skin*, Linda Villarosa lays bare the forces in the American health-care system and in American society that cause Black people to "live sicker and die quicker" compared to their white counterparts. Today's medical texts and instruments still carry fallacious slavery-era assumptions that Black bodies are fundamentally different from white bodies. Study after study of medical settings show worse treatment and outcomes for Black patients. Black people live in dirtier, more polluted communities due to environmental racism and neglect from all levels of government. And, most powerfully, Villarosa describes the new understanding that coping with the daily scourge of racism ages Black people prematurely. Anchored by unforgettable human stories and offering incontrovertible proof, *Under the Skin* is dramatic, tragic, and necessary reading.

Inked in Lies Simon and Schuster

The red string of fate that connects the two soul mates was broken by him, not me, never me. The fate that was decided by the moon goddess..he tried to change it, not me. Why then, was I punished..? Zairiya grew up believing herself a curse and an outcast to the people she belonged to. She was banished by her pack as she entered this world. Mother Nature took pity on her and granted her only wish, Aeran as her mate, but even that was a cruel joke played on her by the fate. She loved and loved from

the very core of her being, she gave everything for that love, for Aeran, crossing all boundaries to acquire the unattainable love of her mate. But maybe that was not enough. Then something disastrous happened and her very soul blackened, turning all that love to hatred so cruel that nothing mattered to her anymore. Finally she gave in and lost herself forever.... Let me tell you a story of love, a story of betrayal, a story of death, a story of Zairi and Aeran
