back into the enchanted
Mirrorworld once again.
Together with Fox, his
beautiful shapeshifting

and flying carpets. But
what exactly is the Dark
One running from? Could
it be the same danger
that threatens Jacob and
Fox? The third book in the

a thrilling tale of courage
and fear, jealousy and
forbidden desire; in which
love has the power both

Burn Our Bodies Down
HarperCollins Australia
From masterfully funny and poignant Jordan Sonnenblick, a story that will have everyone searching for their inner Zen. Meet San Lee, a (sort of) innocent teenager, who moves against his will to a new town. Things get interesting when he (sort of) invents a new past for himself, which makes him incredibly popular. In fact, his whole school starts to (sort of) worship him, just because he (sort of) accidentally gave the impression that

he's a reincarnated mystic. When things start to unravel, San needs to find some real wisdom in a hurry. Can he patch things up with his family, save himself from bodily harm, stop being an outcast, and maybe even get the girl?

Afterworlds: The Book of Doom Columbia University Press
In Venice, magic is not unusual. Merle is apprenticed to a magic mirror maker, and Serafin—a boy who was once a master thief—works for a weaver

of magic cloth. Merle and Serafin are used to the mermaids who live in the canals of the city and to the guards who patrol the streets on living stone lions. Merle herself possesses something magical: a mirror whose surface is water. She can reach her whole arm into it and never get wet. But Venice is under siege by the Egyptian Empire; its terrifying mummy warriors are waiting to strike. All that protects the Venetians is the Flowing Queen. Nobody knows who or what she

is—only that her power flows through the canals and keeps the Egyptians at bay. When Merle and Serafin overhear a plot to capture the Flowing Queen, they are catapulted into desperate danger. They must do everything they can to rescue the Queen and save the city—even if it means getting help from the Ancient Traitor himself.

Over the last decade there has been a dramatic increase in publications

on media and translation. In fact, there are those who believe that so much has been published in this field that any further publications are superfluous. But if one views media and translation as anything ranging from film and television drama to news-casting, commercials, video games, web-pages and electronic street signs, it would seem that research in media and translation has barely scratched the surface. The research in this field is shared largely by

scholars in communication and translation studies, often without knowledge of each other or access to their respective methods of scholarship. This collection will rectify this lack of communication by bringing such scholars together and creating a context for a theoretical discussion of the entire emerging field of Media and Translation, with a preference for theoretical work (rather than case studies) on translation and communications of various forms, and

through various media. *Chicken House*
A boy and a dragon team up to keep the Pegasus from extinction in this “not-to-be-missed” sequel to the #1 New York Times–bestselling *Dragon Rider* (School Library Journal). The last Pegasus in the world has been discovered and when Ben learns the legendary horse has three unhatched eggs that need to be protected, he vows to help. But the only way the eggs will ever hatch—and continue the survival of this incredible

magical species—is if they are placed under a griffin’s feather. But griffins are the most dangerous creatures in the world, and their mortal enemies are dragons . . . Ben vows not to tell his beloved dragon *Firedrake* about his quest, if only to protect him. But as Ben sets off for a remote island where the terrible griffins are rumored to live, he may just need the help of his best friend and dragon . . . “A richly imagined, adeptly illustrated adventure with a strong

message of respect for all species of creatures.”

Jacob Reckless has only a few months left to live. He's tried everything to shake the Fairy curse that traded his life for his brother's--legends such as the All-Healing Apple, the Well of Eternal Youth, the blood of a northern Djinn.

And yet hope after hope is extinguished. After months of fruitless searching, Jacob journeys through his father's mirror one final time to deliver the bad news to Fox. But there they hear of one last possibility--an item so legendary that not even Mirrorworlders believe it exists: a crossbow that can kill thousands, or heal one, when shot through the heart. But a Goyl treasure hunter is also searching for the prized crossbow. Jacob must find it first--and somehow convince Fox to do

whatever it takes to save him.

Reckless I: The Petrified Flesh

Pushkin Children's Books
The New York Times–bestselling author of Inkheart and Dragon Rider delivers an “inventive re-imagining of the knight-in-shining-armor story” (Publishers Weekly, starred review). Igraine dreams of becoming a famous knight just like her great grandfather, but the truth is, life at the family castle is rather boring. Until the

nephew of the baroness-next-door shows up. He’s got a dastardly plan to capture the castle and claim as his own the wonderful singing spell books that belong to Igraine’s magician parents. To make matters worse, at the very moment of the siege, her mom and dad botch a spell, turning themselves into pigs! Aided by a Gentle Giant and a Sorrowful Knight, it’s up to Igraine to be brave and save the day—and the books! “Illustrated with pen-and-ink sketches of

Igraine in action, plus many tiny tomes sporting stubby limbs and animated faces, this engaging read, or read-aloud, is ‘joust’ the ticket for all young fans of non-gender-specific knightly valor.” —Kirkus Reviews *Bad Witch Burning Ember*
For use in schools and libraries only. With the fate of the world resting on the outcome of his battle against the mud-dripping minotaur, Tom's final exam is one that is certain to test his combined knowledge in the field and, if he
