BROOKLYN HARPER

Comparative analysis of original by Elvis Presley and cover versions by UB40 and A-Teens Hal Leonard Corporation

From the author of Hot Dog Girl comes a fresh and funny queer YA contemporary novel about two teens who fall in love in an indie comic book shop. Jubilee has it all together. She's an elite cellist, and when she's not working in her stepmom's indie comic shop, she's prepping for the biggest audition of her life. Ridley is barely holding it together. His parents own the biggest comic-store chain in the country, and Ridley can't stop disappointing them--that is, when they're even paying attention. They meet one fateful night at a comic convention prom, and the two can't help falling for each other. Too bad their parents are at each other's throats every chance they get, making a relationship between them nearly impossible . . . unless they manage to keep it a secret. Then again, the feud between their families may be the least of their problems. As Ridley's anxiety spirals, Jubilee tries to help but finds her focus torn between her fast-approaching audition and their intensifying relationship. What if love can't conquer all? What if each of them needs more than the other can give? "A deep dive into first love while learning to manage significant mental health challenges . . . Dugan's strength is in creating a diverse cast of characters. Ridley is bisexual, Jubilee struggles with how to identify and label her sexuality, and most of the supporting characters are queer-identified." --School Library Journal

Elvis! Greatest Hits Hal Leonard Corporation

(Easy Piano Personality). Over 25 Presley classics, including: All Shook Up * Are You Lonesome Tonight? * Blue Suede Shoes * Don't Be Cruel * Heartbreak Hotel * Hound Dog * In the Ghetto * Return to Sender * Suspicious Minds * and more.

Can't Help Falling in Love (Sheet Music) Hal Leonard Publishing Corporation

When Columbia Records finally decided to open up the voluminous Bob Dylan vaults, unleashing thousands of hours of long-sought-after, oft-rumored, unreleased material, it was hard to keep up. Included in the release were six CDs of Blood On The Tracks outtakes, six CDs of the complete Basement Tapes, 10 CDs of Rolling Thunder Revue live material, the six extraordinary CDs of The Cutting Edge from Dylan's game-changing 1965-66 sessions, and a stunning 36 CD release of Dylan's stormy 1966 world tour that some say changed the face of popular music. It is all explored here. This updated examination of Dylan's five-decade career provides a comprehensively analyzes his writing and recording history and the historical impact of Dylan's prolific creative output. It features critical commentary on every song and album, including many rare bootleg recordings and the recent new discoveries from Columbia Records. Later chapters also list and discuss Dylan's numerous appearances in film, in literature, on radio, and on television. Including his Nobel Prize speech and lecture, an extensive bibliography of books on Dylan old and new, and a brand-new introduction with updated Billboard charts, this is the ultimate book on Bob.

Stand By Me (Sheet Music) Word on Fire

A Thousand Years (Sheet Music) Albert Whitman & Company

Through curated essays, readers will experience a deeply personal and engaging survey of key figures in jazz in the book that Publishers Weekly calls "a cheerful celebration of an uniquely American musical form." Whether in the compositions of foundational figures like Jelly Roll Morton, Thomas "Fats" Waller, and Earl "Fatha" Hines; swing pioneers such as Teddy Wilson and Joe Bushkin; torch-bearers like Mary Lou Williams and her student Thelonious Monk; technical masters including Bud Powell and Bill Evans; or modern mixologists such as Sun Ra and Keith Jarrett, the piano has been the site of historic innovations in jazz, and the stage on which some of its most colorful personalities have cemented their legacies. It's no coincidence that several legendary pianists—Duke Ellington, Count Basie, Nat King Cole—are named after royalty. As one of the leading writers on jazz today, author, journalist, and historian Will Friedwald has witnessed over a half-century of epochal developments in the genre and the central role that the piano has played in its evolution. *Nights at the Red Steinway* collects key writings (from the Wall Street Journal and elsewhere) to form a deeply personal and engaging survey of key figures from Abrams to Zawinul. Irreverent when it wants to be but serious when it counts, Friedwald's writing offers a wide-ranging, deeply considered tour through the history of jazz piano. It is an indispensable collection for fans of all stripes.

The Rosary with Bishop Barron Hal Leonard Publishing Corporation

In the first fully comprehensive study of one of the world's most iconic musical instruments, Stephen Cottrell examines the saxophone's various social, historical, and cultural trajectories, and illustrates how and why this instrument, with its idiosyncratic shape and sound, became important for so many different music-makers around the world. After considering what led inventor Adolphe Sax to develop this new musical wind instrument, Cottrell explores changes in saxophone design since the 1840s before examining the instrument's role in a variety of contexts: in the military bands that contributed so much to the saxophone's global dissemination during the nineteenth century; as part of the rapid expansion of American popular music around the turn of the twentieth century; in classical and contemporary art music; in world and popular music; and, of course, in jazz, a musical style with which the saxophone has become closely identified.

[Elvis The #1 Hits](#) Univ of California Press

The stories behind the luck, inspiration, and timing that brought hits like "Heartbreak Hotel," "Don't Be Cruel," "In the Ghetto," and "A Little Less Conversation" to life are told in this look at some of the world's most popular hits. Fans will be given the inside story of how these and other of the best known rock songs were written, why they were recorded, and how they became hits. Along the way, they will meet and get to know the men and women who wrote songs for the "King," follow the route these songs took to Elvis, and understand how he reshaped the songs to fit his vision. The author spent countless hours interviewing songwriters, digging through dusty charts, and listening to demos in order to uncover the great stories he tells here. Each song in this book is a commentary on where the world was and what was making it tick, making these songs as much a glimpse into the life of America as into the life of Elvis.

Dave Matthews Band GRIN Verlag

This is a complete edition of the correspondence of the most famous of J.S. Bach's sons. Very few of these letters have appeared previously in English translation. They provide a fascinating picture of an eighteenth-century composer hard at work publishing his own music, debating aesthetic matters, and championing the music and teachings of his father. The readable translation, detailed index, extensive cross referencing, and glossary of names make this an accessible and useful volume.

[Love Me Tender Sheet Music](#) Hal Leonard Publishing Corporation

A nationally best-selling volume of wise, powerful poetry from the first Native American Poet Laureate of the United States. In this stunning collection, Joy Harjo finds blessings in the abundance of her homeland and confronts the site where the Mvskoke people, including her own ancestors, were forcibly displaced. From her memory of her mother's death, to her beginnings in the Native rights movement, to the fresh road with her beloved, Harjo's personal life intertwines with tribal histories to create a space for renewed beginnings.
