The Book on Tax Strategies for the Savvy Real Estate Investor ClydeBank Media LLC
 Mastering the Art of Commercial Real Estate Investing is a comprehensive guide about the time-proven principles and common-sense practices for successfully investing in real estate. Do you want to supplement your current income by investing in commercial real estate? Better yet, would you like to someday quit your day job and devote your energies exclusively to your rental properties? With over 35 years of commercial real estate experience, including a decade of personally investing in rental properties, real estate finance and investment expert Doug Marshall has explored every aspect of the commercial real estate process. Now, he's sharing his knowledge to show readers how to add to or even replace their current income with commercial real estate investments. Mastering the Art of Commercial Real Estates is for both those who are new to investing and those who may need a little help learning investing's time-proven principles, showing readers how to: Tap into the six immutable laws of commercial real estate investing to

build wealth and grow income fast Find the best possible loan for their property to optimize the property's cash flow Best manage their property to reduce risks and remove pitfalls to keep their investing profitable When to buy, and when NOT to buy their next rental property, and much, much more! If you like easy-to-follow, step-by-step instructions coupled with solid advice and insight, then you'll love Doug Marshall's life-changing, wealth-growing guide to make real estate work for you.

[The Best Ways To Invest In Real Estate To Achieve Financial Freedom In A Few Years](#)

Biggerpockets Publishing, LLC

Before you start investing in rentals, you should know what you're getting into. If you're looking to become financially free before you reach your sixties, investing in real estate is a blueprint that's been proven to work. In the past 50 years, over 70% of American taxpayers declaring more than a million dollars on their income tax returns have invested in real estate, according to the IRS. And it's not hard to see why. From fighting off inflation and generating cash flow to property

appreciation and tax benefits, real estate gives investors multiple ways to build and keep wealth. And while there are several ways to invest in real estate, investing in rental properties is an ideal starting point for beginners, even those without any real estate background. Unlike flipping or wholesaling, rental properties are simple enough to understand, and with the right knowledge and research, strategies to make money off them are not difficult to implement. However, just because it's simple doesn't mean it's something you can just get into without proper education and preparation. You have a wide range of options you need to consider when investing in rental properties—from location, type of property, type of rental arrangement, financing, and investment strategy. Ultimately, the decisions will be up to you, but before you can make the right one, you need to have all the information you need. In *Rental Property Strategies*, you'll find valuable knowledge and helpful advice based on years of experience in real estate. Inside, here is just a fraction of what you will discover: How to get other people to pay for your mortgage, while you continue to stay in your own house The simple method to figure out how many rental properties you need to invest in to achieve financial freedom Why you should never buy a rental property based on its potential for appreciation How to grow your portfolio from one rental property to six in less than 10 years, while keeping your debt obligations down How to peacefully and compassionately deal with tenants who fail to pay rent on time How to legally defer paying taxes on your investment property when you upgrade your investment Quick and easy ways to increase your rental income without any additional effort or expenditure The must-have back-up for every rental property to ensure you can continue your mortgage payments, no matter the economic situation And much more. Although real estate can be very lucrative, there are still quite a number of real estate investors who lose money in their investments. Whether it's taking on too much risk, getting into more than they can manage, or not studying the market beforehand, there's a lot that can go wrong when you are ill-prepared to take on a big investment. By equipping yourself with the right knowledge and surrounding yourself with the right people, you can protect yourself from losses and set yourself up for financial independence, sooner rather than later. If you want to build up your rental property portfolio in a sustainable and profitable way, then scroll up and click the "Add to Cart" button right now.

[Long-Distance Real Estate Investing The Book on Rental Property Investing](#)How to Create Wealth and Passive Income Through Smart Buy & Hold Real Estate Investing

This book is about investing in sub \$30k properties (under \$30,000) and becoming a wealthy real estate investor enjoying the profits now, rather than later ... with only 2-5 properties instead of hundreds or overly priced properties. This book on investing in rental properties for beginners is the foundation of what I've built 47,000 person social media platform on - helping the average person get involved in rental properties on an average income, and building the cash flow of their dreams with 2-5 properties. That's it. This will teach you (the ordinary investor) how to tailor your investment strategy to your pocketbooks (and no one else's). You don't need to ask your parents or friends for loans because the best approach to building a rental portfolio is by purchasing units in modest neighborhoods that offer really high rents (i.e. purchase a \$44,000 rental that earns \$1200 a month in rents). If being a real estate investor is your dream and being a landlord is not, this is the book for you! The author will personally take you through the steps she's used on over 560 people to build their dream income and lifestyle.

No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and experienced landlords in mind, *The Book on Managing Rental Properties* takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Inside, you'll discover: - The subtle mindset shift that will increase your chance at success 100x! - Low-cost strategies for attracting the best tenants who won't rip you off. - 7 tenant types we'll NEVER rent to--and that you shouldn't either! - 19 provisions that your rental lease should have to protect YOU. - Practical tips on training your tenant to pay on time and stay long term. - How to take the pain and stress out of your bookkeeping and taxes. - And much more!

Live where you want, and invest anywhere it makes sense. "It is a common misperception in real estate investing that you should buy only where you live. David Greene has put that myth to rest... This is a must-read for investors who want to expand their real estate empire nationwide." --David Osborn, bestselling author of *Wealth Can't Wait* Are you interested in real estate investing, but you live in a hot market that is not suited for buy and hold investing? Do you want to take advantage of wealth-building opportunities, but that seems impossible until the next market crash? Real estate investing is one of the greatest vehicles to build wealth, but it doesn't make sense in every market. Some locations provide incredible returns, while others make it almost impossible to find a single

property that profits. Traditionally, investing out of state has been considered risky and unwise. But the rules, technology, and markets have changed: No longer are you forced to invest only in your backyard! In his book, real estate investor and police officer David Greene shows you exactly how he's built a multi-million dollar portfolio through buying, managing, and flipping out-of-state properties, often without ever even seeing the properties in person. David shares every tip, trick, and system he has put in place for over twenty rental properties, so you can avoid making mistakes and shorten your learning curve immensely! What's inside: How to assemble an all-star team to handle each aspect of a deal from A-Z. How to find great deals in any state, regardless of where you live. How to rehab a project from thousands of miles away without worry or complication. How to speak the language of the agents, contractors, lenders, and property managers you will use. How to quickly and easily know which neighborhoods to buy, and which to pass in. How to choose the best materials for your rehab projects and pay the least amount of money. ...And more! Don't let your location dictate your financial freedom. Get the inside scoop to invest--and succeed--anywhere!

[Real Estate Investing Guide for Beginners](#) McGraw Hill Professional

This no-fluff book contains detailed, step-by-step training perfect for both the complete newbie or seasoned pro looking to build a killer house-flipping business. In this book you'll discover: --How to get financing for your deals, even with no cash and poor credit! --How to evaluate a potential market or "farm" area! --What types of properties you should buy, where and from whom! --How to find great deals from motivated sellers! --How to evaluate deals quickly and accurately! --How to make competitive offers and complete your due diligence efficiently and effectively! --How to create a Scope of Work, a Budget and a Schedule! --How to hire the best contractors and manage

your rehab to completion! --How to get your properties under contract for top dollar! --How to get your property to the closing table as efficiently as possible so you can collect your check!

The problem that affects almost everyone today is being stuck in a career they hate. People are conditioned to work their lives away for someone else and only get paid for the hour they work. Follow the proven path to financial freedom that many have already successfully navigated.

[Expanded and Updated - A Step-By-Step Guide to Retire Early with Real Estate Investing and Passive Income](#) White Coat Investor LLC

Many Americans dream of financial freedom, but they're stuck in dead-end jobs and don't know how to get there. You don't need to be one of them. If you invested \$35,000 in the stock market today, it could take 52 years for that investment to grow to \$1 million. But if you invested that same amount into one single-family \$140,000 rental property, it would only take 19 years. With

just two rental properties, you could generate \$417,000 in profit in just 10 years. Skeptical? Good, because that's the first sign of a smart investor. This book will tackle that skepticism head on... and give you confidence and a path to financial freedom. THIS BOOK WILL TEACH YOU HOW TO: - Secure your investment money - Find your ideal market--and a positive-cash-flow property - Efficiently manage your property - Handle your record keeping - Boost revenues and cut costs - File your taxes using a step-by-step process - Build your real estate portfolio
