Master All Subjects on the TABE Level A

Whether you hope to enter college, take a job with the government, or work for a private company, a high score on the TABE will help you reach your goal.

Written by leaders in adult education, this book is designed to help you sharpen the skills you need to succeed on all sections of the TABE. You'll discover the strategies that make learning and test-taking easier for you. And you'll learn essential skills by using familiar, everyday items, including work documents, job postings, letters, and

telephone messages. This book includes:

- Practice questions just like the ones on the test--with complete explanations for every answer
- Real-life materials and examples to help you build the skills you need
- Complete coverage of all test topics, including reading, mathematics, language, and spelling
- Strategies that show you how to work smarter, not harder--and get the most out of your study time

About the Authors Phyllis Dutwin, MA, is president of Dutwin Associates, consulting with major publishers in developing books for adult students. Richard Ku, MA, has taught

mathematics at the secondary level since 1985 in both private and public schools and is the author of several test-preparation books. Carol J. Altreuter, MEd, has more than two decades of diverse experience in adult education. Kathleen A. Peno, PhD, is a professor in the School of Education at the University of Rhode Island.

Mometrix Test Preparation's TABE Test Study Guide 11 and 12 - TABE Secrets Study Guide is the ideal prep solution for anyone who wants to pass their Test of Adult Basic Education. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: * Practice test questions with detailed answer explanations * Step-by-step video tutorials to help you master difficult concepts * Tips and strategies to help you get your best test performance * A complete review of all TABE test sections * Mathematics * Reading * English Mometrix Test

Preparation is not affiliated with or endorsed by any official testing organization. All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your TABE exam: the concepts, procedures, principles, and vocabulary that the CTB/McGraw-Hill expects you to have mastered before sitting for your exam. The Mathematics section covers: * Numbers and their classifications * Operations * Fractions, percentages, and related concepts * Equations and graphing * Systems of equations * Geometry concepts * Angles * Circles * Probability * Statistics The Reading section covers: * Main ideas * Purposes for writing * Writing devices * History and culture * Responding to literature * Literary genres * Opinions, facts, and fallacies * Organization of the text * Drawing conclusions * Types of tables and charts The English section covers: * Nonessential clauses and phrases * Independent clauses * Parenthetical expressions * Hyphens * Semicolons * Contextual clues * Punctuation * Adjectives * Logic *

Transitional words ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix TABE study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of TABE practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass

standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our TABE Test Study Guide 11 and 12 - TABE Secrets Study Guide is no exception. It's an excellent investment in your future. Get the TABE review you need to be successful on your exam.
