 First Novel! In 19th century Bombay,
 Captain Jim Agnihotri channels his idol,
 Sherlock Holmes, in Nev March's Minotaur
 Books/Mystery Writers of America First
 Crime Novel Award-winning debut. In
 1892, Bombay is the center of British
 India. Nearby, Captain Jim Agnihotri lies in
 Poona military hospital recovering from a
 skirmish on the wild northern frontier, with
 little to do but re-read the tales of his idol,
 Sherlock Holmes, and browse the daily

papers. The case that catches Captain
 Jim's attention is being called the crime of
 the century: Two women fell from the busy
 university's clock tower in broad daylight.
 Moved by Adi, the widower of one of the
 victims — his certainty that his wife and
 sister did not commit suicide — Captain
 Jim approaches the Parsee family and is
 hired to investigate what happened that
 terrible afternoon. But in a land of divided
 loyalties, asking questions is dangerous.
 Captain Jim's investigation disturbs the
 shadows that seem to follow the Framji
 family and triggers an ominous chain of
 events. And when lively Lady Diana Framji
 joins the hunt for her sisters' attackers,
 Captain Jim's heart isn't safe, either.

The Girl With All the Gifts Penguin
 "A damn good read."—Alan Furst A
 brilliant debut novel, at once teasing
 literary thriller and a darkly comic blend of
 history and invention, *The Torqued Man* is
 set in wartime Berlin and propelled by two
 very different but equally mesmerizing
 voices: a German spy handler and his Irish
 secret agent, neither of whom are quite
 what they seem. Berlin—September, 1945.
 Two manuscripts are found in rubble, each
 one narrating conflicting versions of the
 life of an Irish spy during the war. One of
 them is the journal of a German military
 intelligence officer and an anti-Nazi cowed
 into silence named Adrian de Groot,
 charting his relationship with his agent,
 friend, and sometimes lover, an Irishman

named Frank Pike. In De Groot's narrative, Pike is a charismatic IRA fighter sprung from prison in Spain to assist with the planned German invasion of Britain, but who never gets the chance to consummate his deal with the devil. Meanwhile, the other manuscript gives a very different account of the Irishman's doings in the Reich. Assuming the alter ego of the Celtic hero Finn McCool, Pike appears here as the ultimate Allied saboteur. His mission: an assassination campaign of high-ranking Nazi doctors, culminating in the killing of Hitler's personal physician. The two manuscripts spiral around each other, leaving only the reader to know the full truth of Pike and De Groot's relationship, their ultimate loyalties, and their efforts to resist the fascist reality in which they are caught.

Bernie Gunther enters a dangerous battleground when he investigates crimes on the Eastern Front at the height of World War 2 in this gripping historical mystery from New York Times bestselling author Philip Kerr. Berlin, 1943. A month has passed since Stalingrad. Though Hitler insists Germany is winning the war, morale is low and commanders on the ground know better. Then Berlin learns of a Red massacre of Polish troops near Smolensk, Russia. In a rare instance of agreement, both the Wehrmacht and Propaganda Minister Goebbels want irrefutable evidence of this Russian atrocity. And so Bernie Gunther is dispatched. In Smolensk, Bernie finds an enclave of Prussian aristocrats who look down at the wise-cracking, rough-edged Berlin bull. But Bernie doesn't care about fitting in. He only wants to uncover the identity of a savage killer—before becoming a victim himself.

A Man Without Breath HarperCollins
For six months in 1942, Stalingrad is the center of a titanic struggle between the Russian and German armies—the bloodiest campaign in mankind's long history of warfare. The outcome is pivotal. If Hitler's forces are not stopped, Russia will fall. And with it, the world.... German soldiers call the battle Rattenkrieg, War of the Rats. The combat is horrific, as soldiers die in the smoking cellars and trenches of a ruined city. Through this twisted carnage stalk two men—one

Russian, one German—each the top sniper in his respective army. These two marksmen are equally matched in both skill and tenacity. Each man has his own mission: to find his counterpart—and kill him. But an American woman trapped in Russia complicates this extraordinary duel. Joining the Russian sniper's cadre, she soon becomes one of his most talented assassins—and perhaps his greatest weakness. Based on a true story, this is the harrowing tale of two adversaries enmeshed in their own private war—and whose fortunes will help decide the fate of the world.

Voluptuous Panic Picador

A thrilling epic about an ancient clash reignited in our time--between a hidden society and heaven's darkest creatures. There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bore children to them. --Genesis 6:5 Sister Evangeline was just a girl when her father entrusted her to the Franciscan Sisters of Perpetual Adoration in upstate New York. Now, at twenty-three, her discovery of a 1943 letter from the famous philanthropist Abigail Rockefeller to the late mother superior of Saint Rose Convent plunges Evangeline into a secret history that stretches back a thousand years: an ancient conflict between the Society of Angelologists and the monstrously beautiful descendants of angels and humans, the Nephilim. For the secrets these letters guard are desperately coveted by the once-powerful Nephilim, who aim to perpetuate war, subvert the good in humanity, and dominate mankind. Generations of angelologists have devoted their lives to stopping them, and their shared mission, which Evangeline has long been destined to join, reaches from her bucolic abbey on the Hudson to the apex of insular wealth in New York, to the Montparnasse cemetery in Paris and the mountains of Bulgaria. Rich in history, full of mesmerizing characters, and wondrously conceived, Angelology blends biblical lore, the myth of Orpheus and the Miltonic visions of Paradise Lost into a riveting tale of ordinary people engaged in a battle that will determine the fate of the world.

If the Dead Rise Not MacLehose Press

'I work to earth my heart.' Time Lived, Without Its Flow is an astonishing, unflinching essay on the nature of grief from critically acclaimed poet Denise Riley. From the horrific experience of maternal grief Riley wrote her lauded collection Say Something Back, a modern classic of British poetry. This essay is a companion piece to that work, looking at the way time stops when we lose someone suddenly from our lives. A book of two discrete halves, the first half is formed of diary-like entries written by Riley after the news of her son's death, the entries building to paint a live portrait of loss. The second half is a ruminative post script written some years later with Riley looking back at the experience philosophically and attempting to map through it a literature of consolation. Written in precise and exacting prose, with remarkable insight

and grace this book will form kind counsel to all those living on in the wake of grief. A modern-day counterpart to C. S. Lewis's *A Grief Observed*. Published widely for the first time, this revised edition features a brand new introduction by Max Porter, author of *Grief is A Thing With Feathers*.
