 Newly single school counselor Josie Butler just made herself a Sexy To-Do list (featuring Bad Boys only). To her mortification, her best friend's gorgeous older brother Mack finds it...and laughs. But when Josie goes looking for some sexy fun, Mack's nice guy side turns all hot bad-assery, and suddenly she's pinned against an alley wall. Hottest. Sex. Ever. Veterinarian Mack Kennedy can't believe Josie wants to ditch her sweet, girl-next-door lifestyle. Even worse, that she'd consider doing it with anyone but him. When she leaves for London they'll go back to being 'just friends' but until then, he's going to show her just how bad nice guys can be. And it's the perfect plan, as

long as no one finds out... and no one falls in love. Each book in the Naughty or Nice series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 No More Mr. Nice Guy Book #2 Ask Me Nicely

No More Mister Nice Guy Bethany House #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. 12 Rules for Life shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

This is the guidebook for the newly emerging paradigm of masculinity. One that includes and celebrates both the primal and divine aspects of men. *The Art of Manliness* Entangled: Brazen Named one of Cosmopolitan's Best Books of 2018 From the husband and wife writing duo Jennifer Miller and Jason Feifer comes *Mr. Nice Guy*, a funny and all too real comedy about the pursuit of success in life--and love--in today's working world. Lucas Callahan, a man who gave up his law degree, fiancée and small-town future for a shot at making it in the Big Apple. He snags an entry-level job at *Empire* magazine, believing it's only a matter of time before he becomes a famous writer. And then late one night in a downtown bar he meets a gorgeous brunette who takes him home... Carmen Kelly wanted to be a hard-hitting journalist, only to find herself cast in the role of *Empire's* sex columnist thanks to the boys' club mentality of Manhattan magazines. Her latest piece is about an unfortunate—and unsatisfying—encounter with an awkward and nerdy guy, who was nice enough to look at but horribly inexperienced in bed. Lucas only discovers that he's slept with the infamous Carmen Kelly—that is, his own magazine's sex columnist!—when he reads her printed take-down. Humiliated and furious, he pens a rebuttal and signs it, "Nice Guy." *Empire* publishes it, and the pair of columns go viral. Readers demand more. So the magazine makes an arrangement: Each week, Carmen and Lucas will sleep together... and write dueling accounts of their sexual exploits. It's the most provocative sexual relationship any couple has had, but the columnist-lovers are soon engaging in more than a war of words: They become seduced by the city's rich and powerful, tempted by fame, and more attracted to each other than they're willing to admit. In the end, they will have to choose between ambition, love, and the consequences of total honesty. "The Devil Wears Prada meets Sex and the City—a page-turner that's part sex diary, part coming-of-age story." —Carolyn Kylstra, editor in chief, SELF "I COULD NOT PUT THIS BOOK DOWN!!! It totally messed up my week, it messed up my deadlines, but I absolutely loved it." —Kevin Kwan, author of *Crazy*

"You can become irresistibly attractive to women without changing who you are." So says Mark Manson, superstar blogger and author of the international bestseller, *The Subtle Art of Not Giving A F*ck*, a self help book that packs a punch. Mark brings the same approach to teaching men what they need to know about attracting women. In *Models* he shows us how much it sucks trying to attract women using the tricks and tactics recommended by other books. Instead, he says, men need to focus on seduction as an emotional process not a physical or social one. What matters is the intention, the motivation, the authenticity. To improve your dating life you must improve your emotional life - how you feel about yourself and how you express yourself to others. Funny, irreverent and confronting, *Models* is a mature and honest guide on how a man can attract women by giving up the bullsh*t and becoming an honest broker. "A detailed guide to modern sexual ethics" Sydney Morning Herald "There's nothing subtle about Mark Manson. He's crude and vulgar and doesn't give a f*ck . . . He's as painfully honest as he is outrageously funny" Huffington Post

Do you (or does someone you know)... -- Apologize frequently or for things you are not responsible for? --Get preoccupied with what other people think of you? -- Become unhappy when your partner isn't happy? --Feel worried or fretful so often it seems normal? --Often not know what you want? --Constantly second-guess yourself? Chronic Niceness affects multitudes, causing severe anxiety and depression, crippling self-esteem, and undermining and destroying relationships *Anxious to Please* reveals the primary psychological cause of Chronic Niceness--Anxious Attachment. Anxious Attachment drives the Nice Person to accommodate, acquiesce and avoid conflict. Nice People take what they're given rather than asking for what they want, often sacrificing relationship, careers and their own integrity. *Anxious to Please* presents seven powerful practices designed to bring about: resilient self-esteem; a happier and calmer emotional life; a reality-based optimism for the future; fulfilling sex; and satisfying relationships.
