JERAMIAH LAWRENCE

Furious Hours Penguin

A “miraculous” (Newsweek) human drama, based on a true story, from the renowned author of *The Prince of Tides* and *The Great Santini* The island is nearly deserted, haunting, beautiful. Across a slip of ocean lies South Carolina. But for the handful of families on Yamacraw Island, America is a world away. For years the people here lived proudly from the sea, but now its waters are not safe. Waste from industry threatens their very existence unless, somehow, they can learn a new way. But they will learn nothing without someone to teach them, and their school has no teacher—until one man gives a year of his life to the island and its people. Praise for *The Water Is Wide* “Miraculous . . . an experience of joy.”—Newsweek “A powerfully moving book . . . You will laugh, you will weep, you will be proud and you will rail . . . and you will learn to love the man.”—Charleston News and Courier “A hell of a good story.”—The New York Times “Few novelists write as well, and none as beautifully.”—Lexington Herald-Leader “[Pat] Conroy cuts through his experiences with a sharp edge of irony. . . . He brings emotion, writing talent and anger to his story.”—Baltimore Sun [The Adventures of Tom Sawyer and the Adventures of Huckleberry Finn](#) University Press of Kentucky A tale inspired by the 1976 attempted assassination of Bob Marley spans decades and continents to explore the experiences of journalists, drug

dealers, killers, and ghosts against a backdrop of social and political turmoil.

To Kill a Mockingbird 40th Harper Collins

A powerfully moving novel from a three-time Newbery Honor-winning author Evie Thomas is not who she used to be. Once she had a best friend, a happy home and a loving grandmother living nearby. Once her name was Toswiah. Now, everything is different. Her family has been forced to move to a new place and change their identities. But that’s not all that has changed. Her once lively father has become depressed and quiet. Her mother leaves teaching behind and clings to a new-found religion. Her only sister is making secret plans to leave. And Evie, struggling to find her way in a new city where kids aren’t friendly and the terrain is as unfamiliar as her name, wonders who she is. Jacqueline Woodson weaves a fascinating portrait of a thoughtful young girl’s coming of age in a world turned upside down A National Book Award Finalist

Tarzan And The Ant Men Turtleback Books

Harper Lee’s Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred. One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to

defend a black man unjustly accused of a terrible crime.

To Kill a Mockingbird (Enhanced Edition) Facing History & Ourselves National Foundation, Incorporated

A Pulitzer Prize winner interviews workers, from policemen to piano tuners: “Magnificent . . . To read it is to hear America talking.” —The Boston Globe
A National Book Award Finalist and New York Times bestseller Studs Terkel’s classic oral history *Working* is a compelling look at jobs and the people who do them. Consisting of over one hundred interviews with everyone from a gravedigger to a studio head, this book provides a “brilliant” and enduring portrait of people’s feelings about their working lives. This edition includes a new foreword by New York Times journalist Adam Cohen (Forbes). “Splendid . . . Important . . . Rich and fascinating . . . The people we meet are not digits in a poll but real people with real names who share their anecdotes, adventures, and aspirations with us.” —Business Week
“The talk in *Working* is good talk—earthy, passionate, honest, sometimes tender, sometimes crisp, juicy as reality, seasoned with experience.” —The Washington Post

To Kill a Mockingbird Red Globe Press

A NEW YORK TIMES TOP 10 BOOK OF 2021
LONGLISTED FOR THE 2021 NATIONAL BOOK AWARD IN FICTION ONE OF BARACK OBAMA’S FAVORITE 2021 READS
AN INSTANT NATIONAL BESTSELLER
A BEST BOOK OF 2021 FROM Washington Post, Vogue, Time, Oprah Daily, New York Times, Los Angeles Times, San Francisco Chronicle, Atlantic, Kirkus and Entertainment Weekly
“Intimacies is a haunting, precise, and morally astute novel that reads like a psychological thriller.... Katie Kitamura is a wonder.” —Dana Spiotta, author of *Wayward* and *Eat the Document*
“One of the best novels I’ve read in 2021.” – Dwight Garner, The New York Times
A novel from the author of *A Separation*, an electrifying story about a woman caught between many truths. An interpreter has come to The Hague to escape New York and work at the International Court. A woman of many languages and identities, she is looking for a place to finally call home. She’s drawn into simmering personal dramas: her lover, Adriaan, is separated from his wife but still entangled in his marriage. Her friend Jana witnesses a seemingly random act of violence, a crime the interpreter becomes increasingly obsessed with as she befriends the victim’s sister. And she’s pulled into an explosive political controversy when she’s asked to interpret for a former president accused of war crimes. A woman of quiet passion, she confronts power, love, and violence, both in her personal intimacies and in her work at the Court. She is soon pushed to the precipice, where betrayal and heartbreak threaten to overwhelm her, forcing her to decide what she wants from her life.

Intimacies BoD – Books on Demand

The inspiring true story of Harper Lee, the girl who grew up to write *To Kill a Mockingbird*, from Bethany Hegedus and Erin McGuire. Perfect for fans of *The Right Word* and *I Dissent*. This nonfiction picture book is an excellent choice to share during homeschooling, in particular for children ages 4 to 6. It’s a fun way to learn to read and as a supplement for activity books for children. Nelle Harper Lee grew up in the rocky red soil of Monroeville, Alabama. From the get-go she was a spitfire. Unlike most girls at that time and place, Nelle preferred overalls to dresses and climbing trees to tea parties. Nelle loved to watch her daddy try cases in the courtroom. And she and her best friend, Tru, devoured books and wrote stories of their own. More than anything Nelle loved words. This love eventually took her all the way to New York City, where she dreamed of becoming a writer. Any chance she had, Nelle sat at her typewriter, writing, revising, and chasing her dream. Nelle wouldn’t give up—not until she discovered the right story, the one she was born to tell. Finally, that story came to her, and Nelle, inspired by her childhood, penned *To Kill a Mockingbird*. A groundbreaking book about small-town injustice that has sold over forty million copies, Nelle’s novel resonated with readers the world over, who, through reading, learned what it was like to climb into someone else’s skin and walk around in it. --School Library Journal

An astounding work of fiction from New York Times bestselling author Jason Mott, always deeply honest, at times electrically funny, that goes to the heart of racism, police violence, and the hidden costs exacted upon Black Americans and America as a whole
In Jason Mott’s *Hell of a Book*, a Black author sets out on a cross-country publicity tour to promote his bestselling novel. That storyline drives *Hell of a Book* and is the scaffolding of something much larger and more urgent: Mott’s novel also tells the story of Soot, a young Black boy living in a rural town in the recent past, and The Kid, a possibly imaginary child who appears to the author on his tour. As these characters’ stories build and converge, they astonish. For while this heartbreaking and magical book entertains and is at once about family, love of parents and children, art and money, it’s also about the nation’s reckoning with a tragic police shooting playing over and over again on the news. And with what it can mean to be Black in America. Who has been killed? Who is The Kid? Will the author finish his book tour, and what kind of world will he leave behind? Unforgettably told, with characters who burn into your mind and an electrifying plot ideal for book club discussion, *Hell of a Book* is the novel Mott has been writing in his head for the last ten years. And in its final twists, it truly becomes its title.

Choose from the suggestions in the book to suit your style; adapt and expand on activities as they suit your students. Above all, this book is meant to be a tool to assist you in intensifying your students’ involvement with the text and with the way literature helps to make sense of

The Midnight Ride HarperCollins

To Kill a Mockingbird is one of the most widely read novels in American literature. It’s also a perennial favorite in highschool English classrooms across the nation. Yet onetime author Harper Lee is a mysterious figure who leads a very private life in her hometown of Monroeville, Alabama, refusing to give interviews or talk about the novel that made her a household name. Lee’s life is as rich as her fiction, from her girlhood as a rebellious tomboy to her days at the University of Alabama and early years as a struggling writer in New York City. Charles J. Shields is the author of the New York Times bestselling biography *Mockingbird: A Portrait of Harper Lee*, which he has adapted here for younger readers. What emerges in this riveting portrait is the story of an unconventional, high-spirited woman who drew on her love of writing and her Southern home to create a book that continues to speak to new generations of readers. Anyone who has enjoyed *To Kill a Mockingbird* or *Go Set a Watchman* will appreciate this glimpse into the life of its fascinating author, which includes photographs of Harper Lee, her family, and the film version of *To Kill a Mockingbird* starring Gregory Peck. I Am Scout is a 2009 Bank Street - Best Children’s Book of the Year.

To Kill a Mockingbird is a novel by Harper Lee published in 1960. It was immediately successful, winning the Pulitzer Prize, and has become a classic of modern American literature

The Power of the Dog Penguin

Provides a background for Harper Lee’s famous novel by looking at relevant biographical details about her life and providing historical details that place the story in context, with a literary analysis of the novel.

The Water Is Wide Houghton Mifflin Harcourt

An instant New York Times bestseller! From the bestselling author of *But What if We’re Wrong*, a wise and funny reckoning with the decade that gave us slacker/grunge irony about the sin of trying too hard, during the greatest shift in human consciousness of any decade in American history. It was long ago, but not as long as it seems: The Berlin Wall fell and the Twin Towers collapsed. In between, one presidential election was allegedly decided by Ross Perot while another was plausibly decided by Ralph Nader. In the beginning, almost every name and address was listed in a phone book, and everyone answered their landlines because you didn’t know who it was. By the end, exposing someone’s address was an act of emotional violence, and nobody picked up their new cell phone if they didn’t know who it was. The 90s brought about a revolution in the human condition we’re still groping to understand. Happily, Chuck Klosterman is more than up to the job. Beyond epiphenomena like “Cop Killer” and Titanic and Zima, there were wholesale shifts in how society was perceived: the rise of the internet, pre-9/11 politics, and the paradoxical belief that nothing was more humiliating than trying too hard. Pop culture accelerated without the aid of a machine that remembered everything, generating an odd comfort in never being certain about anything. On a 90’s Thursday night, more people watched any random episode of *Seinfeld* than the finale of *Game of Thrones*. But nobody thought that was important; if you missed it, you simply missed it. It was the last era that held to the idea of a true, hegemonic mainstream before it all began to fracture, whether you found a home in it or defined yourself against it. In The Nineties, Chuck Klosterman makes a home in all of it: the film, the music, the sports, the TV, the politics, the changes regarding race and class and sexuality, the yin/yang of Oprah and Alan Greenspan. In perhaps no other book ever written would a sentence like, “The video for ‘Smells Like Teen Spirit’ was not more consequential than the reunification of Germany” make complete sense. Chuck Klosterman has written a multi-dimensional masterpiece, a work of synthesis so smart and delightful that future historians might well refer to this entire period as Klostermanian.

The Gray Ghost Penguin

Many of the world’s most studied works of literature are deeply entwined with a significant social issue, and viewing such works through the lens of that issue enriches and broadens a reader’s understanding.

Go Set a Watchman Heinemann-Raintree Library

Teaching Mockingbird presents educators with the materials they need to transform how they teach Harper Lee’s novel *To Kill a Mockingbird*.

Interweaving the historical context of Depression-era rural Southern life, and informed by Facing History’s pedagogical approach, this resource introduces layered perspectives and thoughtful strategies into the teaching of *To Kill a Mockingbird*. This teacher’s guide provides English language arts teachers with student handouts, close reading exercises, and connection questions that will push students to build a complex understanding of the historical realities, social dynamics, and big moral questions at the heart of *To Kill a Mockingbird*. Following Facing History’s scope and sequence, students will consider the identities of the characters, and the social dynamics of the community of Maycomb, supplementing their understanding with deep historical exploration. They will consider challenging questions about the individual choices that determine the outcome of Tom Robinson’s trial, and the importance of civic participation in the building a more just society. *Teaching Mockingbird* uses Facing History’s guiding lens to examine *To Kill a Mockingbird*, offering material that will enhance student’s literary skills, moral growth, and social development.

The Nineties Penguin

Tom Santopietro, an author well-known for his writing about American popular culture, delves into the heart of the beloved classic and shows readers why *To Kill a Mockingbird* matters more today than ever before. With 40 million copies sold, *To Kill a Mockingbird*'s poignant but clear-eyed examination of human nature has cemented its status as a global classic. Tom Santopietro's new book, *Why To Kill a Mockingbird Matters*, takes a 360-degree look at the *Mockingbird* phenomenon both on page and screen. Santopietro traces the writing of *To Kill a Mockingbird*, the impact of the Pulitzer Prize, and investigates the claims that Lee's book is actually racist. Here for the first time is the full behind-the-scenes story regarding the creation of the 1962 film, one which entered the American consciousness in a way that few other films ever have. From the earliest casting sessions to the Oscars and the 50th Anniversary screening at the White House, Santopietro examines exactly what makes the movie and Gregory Peck's

unforgettable performance as Atticus Finch so captivating. As Americans yearn for an end to divisiveness, there is no better time to look at the significance of Harper Lee's book, the film, and all that came after.
