 The story of Yayati is perhaps one of the most intriguing and fascinating episodes of Mahabharata. Yayati was a great scholar and one of the noblest rulers of olden times. He followed the shastras and was devoted to the welfare of his subjects. Even the King of Gods, Indra, held him in high esteem. Married to seductively beautiful Devayani, in love with her maid Sharmishtha, and father of five sons from two women, yet Yayati unabashedly declares, 'My lust for pleasure is unsatisfied...' His quest for the carnal continued, sparing not even his youngest son, and exchanging his old age for his son's youth... Winner of the Jnanpith and Sahitya Akademi Awards.

Twelve Enduring Months Vintage

"Highly detailed and fast-paced, Charles Glass's They Fought Alone is a must-read for those whose passion is the Resistance literature of World War II." —Alan Furst, author of A Hero of France From the bestselling author of Americans in Paris and The Deserters, the astounding story of Britain's Special Operations Executive, one of World War II's most important secret fighting forces As far as the public knew, Britain's Special Operations Executive (SOE) did not exist. After the defeat of the French Army and Britain's retreat from the Continent in June 1940, Prime Minister Winston Churchill created the top-secret espionage operation to "set Europe ablaze." The agents infiltrated Nazi-occupied territory, parachuting behind enemy lines and hiding in plain sight, quietly but forcefully recruiting, training, and arming local French résistants to attack the German war machine. SOE would not only change the course of the war, but the nature of combat itself. Of the many brave men and women conscripted, two Anglo-American recruits, the Starr brothers, stood out to

become legendary figures to the guerillas, assassins, and saboteurs they led. While both brothers were sent across the channel to organize against the Germans, their fates in war could hardly have been more different. Captain George Starr commanded networks of résistants in southwest France, cutting German communications, destroying weapons factories, and delaying the arrival of Nazi troops to Normandy by seventeen days after D-Day. Younger brother Lieutenant John Starr laid groundwork for resistance in the Burgundy countryside until he was betrayed, captured, tortured, and imprisoned by the Nazis in France and sent to a series of concentration camps in Germany and Austria. Feats of boldness and bravado were many, but appalling scandals, including George's supposed torture and execution of Nazis prisoners, and John's alleged collaboration with his German captors, overshadowed them all. At the war's end, Britain, France, and the United States awarded both brothers medals for heroism, and George would become one of only three among thousands of SOE operatives to achieve the rank of colonel. Yet, their battle honors did little to allay postwar allegations against them, and when they returned to England, their government accused both brothers of heinous war crimes. Here, for the first time, is the story of one of the great clandestine organizations of World War II, and of two heroic brothers whose ordeals during and after the war challenged the accepted myths of Britain's wartime resistance in occupied France. Written with complete and unrivaled access to only recently declassified documents from Britain's SOE files, French archives, family letters, diaries, and court records, along with interviews from surviving wartime Resistance fighters, *They Fought Alone* is a real-life thriller. Renowned journalist and war correspondent Charles Glass exposes a dramatic tale of spies, sabotage, and the daring men and women who risked everything to change the course of World War II.

Shivaji The Grand Rebel Biblioasis

It is the tenth night of the great war between the Pandavas and Kauravas. Bhishma, the venerable patriarch of the families, lies fatally wounded on the plains of Kurukshetra. On his deathbed he offers Radheya, his nemesis, a chance to rule the Kuru kingdom by capturing Yudhishtira. In the Pandava camp, Yudhishtira, a reluctant warrior, tries desperately to hold his allies together and escape capture without appearing to be a coward. Meanwhile, his young and impulsive nephew, Abhimanyu, a warrior prince, dreams of glory and yearns for a chance to save the Pandava cause. The lives of these three warriors, Yudhishtira, Radheya and Abhimanyu, collide brutally on the thirteenth day. A story of how stories are created, how fact becomes fiction, how history becomes mythology and how men become legends, *The Thirteenth Day* re-imagines India's greatest epic like never before. A joyful celebration of books, reading, and all things literary is presented through an amusing collection of poems from the author of Scien-Trickery, and is enhanced with full-color illustrations from a debut artist.

Enemy of Aryavarta HarperCollins UK

'Who am I?' It was a question that had troubled him all his life. His whole life had seemed entangled in the answer. His dignity, his destination, his ambitions -- they all seemed linked to that entanglement. The irony was that the truth, instead of liberating him, had made him rudderless. In the Mahabharata, Karna is known to be the only warrior who could match Arjuna. Born of a god and a mother who abandons him at birth, Karna is mistreated from birth. Rejected by Drona, taunted by Draupadi, insulted by his blood brothers, misunderstood by many and manipulated even by the gods, Karna is the classic tragic hero. In his novel Radheya, Ranjit Desai, the author of Marathi classics like Shriman Yogi and Swami, gives voice to the angst and loneliness of Karna. Translated into English for the first time, the novel brings to surface the many sides to Karna's character: his compassionate

nature, his hurt and hubris, the love for his wife, his allegiance to Duryodhana, and his complicated relationship with Krishna.

A companion to Oliver Stone's ten-part documentary series of the same name, this guide offers a people's history of the American Empire: "a critical overview of US foreign policy...indispensable" (former Soviet president Mikhail Gorbachev); "brilliant, a masterpiece!" (Daniel Ellsberg); "Oliver Stone's new book is as riveting, eye-opening, and thought-provoking as any history book you will ever read. It achieves what history, at its best, ought to do: presents a mountain of previously unknown facts that makes you question and re-examine many of your long-held assumptions about the most influential events" (Glenn Greenwald). In November 2012, Showtime debuted a ten-part documentary series based on Oliver Stone and Peter Kuznick's *The Untold History of the United States*. The book and documentary looked back at human events that, at the time, went underreported, but also crucially shaped America's unique and complex history over the twentieth century. From the atomic bombing of Japan to the Cold War and fall of Communism, this concise version of the larger book is adapted for the general reader. Complete with poignant photos, arresting illustrations, and little-known documents, *The Concise Untold History of the United States* covers the rise of the American empire and national security state from the late nineteenth century through the Obama administration, putting it all together to show how deeply rooted the seemingly aberrant policies of the Bush-Cheney administration are in the nation's past and why it has proven so difficult for Obama to change course. In this concise and indispensable guide, Kuznick and Stone (who Pulitzer Prize-winning historian Garry Wills has called America's own "Dostoevsky behind a camera") challenge prevailing orthodoxies to reveal the dark truth about the rise and fall of American imperialism.

The Story of Karna Penguin

A born leader, a fearless warrior and a shrewd military strategist, Shivaji resorted to guerilla warfare techniques to outmaneuver his formidable adversaries, the Mughal masters of the North and the

Bahmani sultans of the South. His exploits hastened the decline of Mughal power and gave rise to a new power in India, the Marathas. His love for freedom has made him a national icon of India.

Shivaji and His Times Penguin

Dynastic politics, usually presumed to be the antithesis of democracy, is a routine aspect of politics in many modern democracies. This book introduces a new theoretical perspective on dynasticism in democracies, using original data on twenty-first-century Indian parliaments. It argues that the roots of dynastic politics lie at least in part in modern democratic institutions - states and parties - which give political families a leg-up in the electoral process. It also proposes a rethinking of the view that dynastic politics is a violation of democracy, showing that it can also reinforce some aspects of democracy while violating others. Finally, this book suggests that both reinforcement and violation are the products, not of some property intrinsic to political dynasties, but of the institutional environment from which those dynasties emerge.

Yugandhar Universities Press

'The epic text of Ranjit Desai's Shriman Yogi finds new voice in Vikrant Pande's nuanced translation, an immersive narrative of the foundations of the Maratha empire and the saga of its charismatic founder.' - Namita Gokhale. Young Shivaji reaches Pune, a dying fort city, with his mother Jijabai and lights the first lamp within its ruins. While his father Shahaji Bhosle is away on deputation by the Adil Shah sultanate after having failed in a revolt against it, Shivaji learns how an empire is built from the ground up. Thus begins the life of the Great Maratha. What awaits Shivaji is nothing short of the vast scroll of history, and it takes him from Surat to Thanjavur and all the way to Aurangzeb's durbar in Agra. He dreams of freeing his land from the clutches of Mughal rule, and though he suffers many defeats and personal losses along the way he never gives up his vision of Hindavi Swaraj. Amidst political intrigue and a chain of skirmishes, Shivaji becomes a leader, a warrior and a tactician par excellence, driven by immense pride and love for his motherland.

Essays in Honour of Professor Yogesh Atal V&S Publishers

R. K. Narayan (1906—2001) witnessed nearly a century of change in his native India and captured it in fiction of uncommon warmth and vibrancy. The title character in *The English Teacher*, Narayan's most autobiographical novel, searches for meaning when the death of his young wife deprives him of his greatest source of happiness. This pioneering novel, luminous in its detail and refreshingly free of artifice, is a gift to twentieth-century literature.

Beyond Ugly Simon and Schuster

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. We have represented this book in the same form as it was first published. Hence any marks seen are left intentionally to preserve its true nature.

Shivaji Harper Collins

Hindutva icon or secular nationalist? Feudal potentate or peasants' king? Protector of cows and brahmans or shudra ruler? Medieval marauder or builder of an empire?/Who was Shivaji?/This punchy, readable book provides a new perspective on a popular hero of Indian history. After this, Shivaji will never be the same again./Govind Pansare was one of Maharashtra's most prominent public intellectuals. And among the bravest. He was felled by an assassin. But his rationalist view of human history is impossible to kill. This book is testimony to the power of ideas.

Studies and Documents on Maratha History: Royal Period St. Martin's Press

It is one of the bestselling books on Modern Indian History covering the time line from 1707 to the modern times. The book covers the entire gamut in a very unique style- it mentions not only factual data about various topics but also provides information about different interpretations put forth by Western and Indian historians, with an integrated analysis. This makes the book equally useful for undergraduate students of History and aspirants appearing for various competitive examinations.
