Denis McQuail provides a coherent and succinct account of the concept of "media audience" in terms of its history and its place in present-day media theory and research. McQuail describes and explains the main types of audience and the main traditions and fields of audience research.

Audience Analysis explains the contrast

between social scientific and humanistic approaches and gives due weight to the view "from the audience" as well as the view "from the media." McQuail summarizes key research findings and assesses the impact of new media developments, especially transnationalization and new interactive technology. The book concludes with an evaluation of the continued relevance of the audience concept under conditions of rapid m

A Novel of the Roman Empire Gramedia Pustaka Utama

A beguiling novel of revenge, deliverance, and a powerful sisterhood of magic by the Washington Post bestselling author of *The Vine Witch* and *The Glamourist*. Sidra didn't murder her husband. Yet even a jinni can't wish away a wrongful

imprisonment.

Determined to prove her innocence, she returns to her adopted home--a French village renowned for its perfume witches--with her friends Elena and Yvette by her side. Here is where Sidra's true destiny awaits, but danger also lurks in the village's narrow lanes. On her trail is Jamra, another jinni, who's after more than revenge for the murder of his brother. He also seeks vengeance for the indignities inflicted on jinn by mortals over the centuries. When he learns

of an ancient relic capable of unleashing chaos on the world, and that the weapon is in the hands of his murderous sister-in-law, he vows to destroy Sidra to get it. Relying on a sisterhood of magic, a mysteriously faithful dog, and a second-rate sorcerer, Sidra defends herself using the village's greatest asset: its perfume. It's as beguiling a lure as it is a formidable shield. But is it enough for Sidra to protect herself and those she loves from powers yet to be released?

Black Amber

Filled with political intrigue, violent magic, and malevolent spirits, the mesmerizing second book in Sarah Beth Durst's *Queens of Renthia* epic fantasy trilogy that started with the award-winning *The Queen of Blood*. Everything has a spirit: the willow tree with leaves that kiss the pond, the stream that feeds the river, the wind that

exhales fresh snow . . .

And those spirits want to kill you. It's the first lesson that every Renthian learns. Not long ago, Daleina used her strength and skill to survive those spirits and assume the royal throne. Since then, the new queen has kept the peace and protected the humans of her land. But now for all her power, she is hiding a terrible secret: she is dying. And if she leaves the world before a new heir is ready, the spirits that inhabit her beloved realm will run wild,

destroying her cities and slaughtering her people. Naelin is one such person, and she couldn't be further removed from the Queen—and she wouldn't have it any other way. Her world is her two children, her husband, and the remote village tucked deep in the forest that is her home, and that's all she needs. But when Ven, the Queens champion, passes through the village, Naelin's ambitious husband proudly tells him of his wife's ability to control spirits—magic that Naelin fervently denies.

She knows that if the truth of her abilities is known, it will bring only death and separation from those she loves. But Ven has a single task: to find the best possible candidate to protect the people of Aratay. He did it once when he discovered Daleina, and he's certain he's done it again. Yet for all his appeals to duty, Naelin is a mother, and she knows her duty is to her children first and foremost. Only as the Queen's power begins to wane and the spirits become

emboldened—even as ominous rumors trickle down from the north—does she realize that the best way to keep her son and daughter safe is to risk everything. Sarah Beth Durst established a place of dark wonder in *The Queen of Blood*, and now the stakes are even higher as the threat to the Queen and her people grows both from within and beyond the borders of Aratay in this riveting second novel of the *Queens of Renthia* series. Character and Conflict in Jane Austen's Novels

Tere Liye

At long last, Gaius Petreius Ruso and his companion, Tilla, are headed home-to Gaul. Having received a note consisting only of the words "COME HOME!" Ruso has (reluctantly, of course) pulled up stakes and brought Tilla to meet his family. But the

reception there is not what Ruso has hoped for: no one will admit to sending for him, and his brother Lucius is hoping he'll leave. With Tilla getting icy greetings from his relatives, Lucius' brother-in-law mysteriously drowned at sea, and the whole Ruso family being sued for bankruptcy, it's hard to imagine an unhappier reunion. That is, until Severus, the plaintiff in the bankruptcy suit, winds up dead, and the real trouble begins... Engrossing, intricate, and-

as always-wonderfully comic, Ruth Downie's latest is a brilliant new installment in this irresistible series. This is everything we've come to expect from our charming, luckless hero. *The Holy Woman*

What's your drink of choice? Is it a small pumpkin spice latte? Then you're lots of fun and a bit sassy. Or a medium americano? You prefer

simplicity in life. Or perhaps it's a small decaf soy sugar-free hazelnut caffe latte? Some might call you a yuppie. Seventeen-year-old barista Jane Turner has this theory that you can tell a lot about a person by their regular coffee drink. She scribbles it all down in a notebook and calls it Espressoology. So it's not a totally crazy idea when Jane starts hooking up some of her friends based on their coffee orders. Like her best friend, Em, a medium hot chocolate, and Cam, a

toffee nut latte. But when her boss, Derek, gets wind of Jane's Espressoology, he makes it an in-store holiday promotion, promising customers their perfect matches for the price of their favorite coffee. Things are going better than Derek could ever have hoped, so why is Jane so freaked out? Does it have anything to do with Em dating Cam? She's the one who set them up! She should be happy for them, right? With overtones of Jane Austen's Emma and

brimming with humor and heart, this sweet, frothy debut will be savored by readers.

The Reluctant Queen Tere

In *Character and Conflict in Jane Austen's Novels*, Bernard J. Paris offers an analysis of the protagonists in four of Jane Austen's most popular novels. His analysis reveals them to be brilliant mimetic creations who often break free of the formal and thematic limitations

placed upon them by Austen. Paris traces the powerful tensions between form, theme, and mimesis in *Mansfield Park*, *Emma*, *Pride and Prejudice*, and *Persuasion*. Paris uses Northrop Frye's theory of comic forms to analyse and describe the formal structure of the novels, and Karen Horney's psychological theories to

explore the personalities and inner conflicts of the main characters. The concluding chapter turns from the characters to their creator, employing the Horneyan categories of self-effacing, detached, and expansive personality types to interpret Jane Austen's own personality. Readers of Jane Austen will find much that is new

and challenging in this study. It is one of the few books to recognise and pay tribute to Jane Austen's genius in characterisation. Anyone who reads this book will come away with a new understanding of Austen's heroines as imagined human beings and also with a deeper feeling for the troubled humanity of the author herself.
