A lawyer gets inside
the mind of a notorious
New England serial
killer in this award-
winning and "grimly

compelling” true crime (Kirkus). For nine months of 2003, William Devin Howell went on a killing spree in and around New Britain, Connecticut. Seven people went missing; all of their bodies eventually discovered in a wooded lot behind a strip mall. But the investigation that led to Howell’s arrest is only part of the story. Attorney and author Anne K. Howard first contacted Howell while he was serving a fifteen-year sentence for one of his murders. He was about to be charged for the remaining six. A unique and disturbing friendship between the two began, comprised of written correspondence, face-to-face prison visits and recorded phone calls. Over the course

of years, Howell shared his troubled history with Howard. When his case was finally over, he told her every intimate, grizzly detail of how he became Connecticut’s most prolific serial killer. In *His Garden*, Howard probes the complicated mind of William Devin Howell. It is a story that explores the eternal question of human evil and its impact on others, including the woman he chose to hear his horrific confession. 2020 Independent Press Award 2018 Literary Excellence Pencraft Award Harvill Secker CONTAINS A NEW EPILOGUE!" Mafia Prince is the first-person account of one of the most violent eras in Mafia history —“Little” Nicky

Scarfo's reign as boss of the Philly family in the 1980s—written by Scarfo's underboss and nephew, “Crazy” Phil Leonetti. The youngest-ever underboss at the age of 31, Leonetti was at the crux of the violent downfall of the traditional American Mafia in the 1980s when he infiltrated Atlantic City after gambling was legalized, and later turned state's evidence against his own. His testimony directly led to the convictions of dozens of high-ranking made men including John Gotti, Vincent Gigante, and his own uncle, Nicky Scarfo—sparking the beginning of the end of La Cosa Nostra. Just as *The Godfather* and *Boardwalk Empire* defined the early 20th

century Mafia, and *Wiseguy* and *Casino* depicted the next great era through the '70s, *Mafia Prince* concludes this epic genre revealing the Mafia's violent final heyday of the 1980s— straight from the horse's mouth.

Ice Man Huntington Press Inc

Three Crooked Kings is the shocking true story of Queensland and how a society was shaped by almost half a century of corruption. At its core is Terence Murray Lewis, deposed and jailed former police commissioner. From his entry into the force in 1949, Lewis rose through the ranks, becoming part of the so-called Rat Pack with detectives Glendon Patrick Hallahan and Tony Murphy under the guiding influence of

Commissioner Frank Bischof. The next four decades make for a searing tale of cops and killings, bagmen and blackmail, and sin and sleaze that exposes a police underworld which operated from Queensland and into New South Wales. This gripping book exposes the final pieces of the puzzle, unearths new evidence on cold cases, and explores the pivotal role that whistleblower Shirley Brifman, prostitute and brothel owner, played until her sudden death. Based on extensive and unprecedented access to Terry Lewis and his personal papers, as well as hundreds of interviews with key players and conspirators, *Three Crooked Kings* is the first of two explosive

books. Awarded journalist and novelist Matthew Condon has crafted the definitive account of an era that changed a state and is still reverberating to this day.

The Iceman, Richard Kuklinski Pinnacle Books

Every day six people in the United States are murdered by spouses or intimate partners. The stories of killer spouses tend to captivate us, as they beg the question of how so many seemingly normal and happy people manage to go over the edge. Indeed, every relationship presents "extreme moments" where scary feelings surface, yet what happens when those feelings turn to action? In *Till Death Do Us Part*, noted

psychotherapist Dr. Robi Ludwig, along with journalist Matt Birkbeck, presents the psychological profiles of notorious killer spouses -- from Scott Peterson and Clara Harris to Rabbi Fred Neulander and Betty Broderick. Ludwig reveals ten killer personality types. These ten personality types are defined in detail and illustrated with examples from high-profile cases along with in-depth analyses of the motivations behind the murders. The ten types range from the Betrayal/Abandonment Killer (who loses control and kills from a broken heart) to the Control Killer (who micromanages every aspect of the spouse's life) and the Black Widow/Profit Killer

(who kills for money). With gripping stories and probing insight, authors Ludwig and Birkbeck examine the concept of peaceful versus violent resolution and why certain spouses believe murder is the best and only response. In an age when spousal murder is headline news, *Till Death Do Us Part* explores a phenomenon that many spouses can't help but think about at some point in their relationships -- which sheds light on the very notion of "happily ever after."

Confessions of a Mafia Contract Killer

Piper Spannungsvoll
'He was like a vampire. We believe he killed over sixty people.' -- James J. Hunt, Assistant Special Agent , New York DEA 9 July 1990:

the DEA makes the gruesome discovery of nine bodies, dismembered, stuffed into cheap suitcases and buried in a secluded bird sanctuary near Gravesend, Brooklyn. It was Tommy Pitera's personal cemetery. When John Gotti put out a contract on informer Willie Boy Johnson, Pitera took it - he shot him fourteen times in broad daylight outside his home. Pitera not only murdered for the mob, he took pleasure in killing and did so at whim - the slightest insult could provoke him and he killed friends, associates, anyone who got in his way. A cold-blooded, homicidal maniac with a fascination for the macabre, he had an autopsy table in his

basement and regularly dismembered his victims, expertly cutting them into six pieces: the arms, legs, torso and head.

Convicted for six murders, he is believed to be responsible for over sixty. Philip Carlo, author of the bestseller *The Iceman*, reveals the horrendous crimes of drug kingpin and merciless mob killer Thomas Pitera, and the New York DEA's three-year battle to bring him to justice.

The Rise and Fall of the New England Mob and Its Most Notorious Killer
Ramtha's School of the Mind

★★★ Does Canada have a mob? Find out inside! ★★★ It's no secret that organized crime is everywhere. From Japan and Italy to Israel and Mexico, there seems to be no place on earth where an organized crime family doesn't exist.

You may think that one of the few safe places left is friendly, welcoming Canada, which many believe is so safe that people there always leave their doors unlocked. Think again. This book delves into the often ignored but nevertheless bloody world of Canadian mobs. You'll meet the Rizzutos, a powerful family with connections to the legendary Five Families of the American Mafia. Then there's the Cotroni family formed by Vic "the Egg" Cotroni, an ex-wrestler with ties to the Ndrangheta. You'll also learn about their connections to the blood-soaked Quebec Biker War, where the Hell's Angels and the Rock Machine battled for 17 years and claimed 150 lives. And

just wait until you get to Toronto! Prepare to be shocked by the true story of organized crime in Canada. It proves that there is truth to the expression, "it's the quiet ones you have to watch."

The True Rise-and-fall Story of a New Jersey Mob Family Macmillan

A top mafia hitman recounts his thirty-year career before landing in prison, describing his relationship with John Gotti, his assignments to kill more than two hundred victims, and his outside persona as a suburban family man. Reprint.

Deal with the Devil
Leisure Books

A story of unrelenting, seedy brutality' - The Herald The elite police officers secretly launching Scotland's biggest ever offensive against organised

crime had only one target. His name was Jamie Stevenson, but he was known as The Iceman, the biggest drugs trafficker the country has ever seen. Suspected of a string of murders - including the gangland assassination of his best friend - Stevenson's decade-long rise was built on ruthless ambition, strategic cunning and calculated, brutal violence. It left him at the head of one of Europe's biggest smuggling operations pouring tons of drugs and guns onto the streets of Scotland. "The Iceman" tells the astonishing story of Stevenson's rise and fall, offering a unique and explosive insight into Operation Folklore, the unprecedented four-year investigation

that ended in his arrest. It lays bare the blood-soaked business of Scotland's most powerful crime lord and, for the first time, exposes how he made - and laundered - his dirty millions.

Underboss WildBlue Press

In *Deal with the Devil*, five-time Emmy Award-winning investigative reporter Peter Lance draws on three decades of once-secret FBI files to tell the definitive story of Greg Scarpa Sr., a Mafia capo who "stopped counting" after fifty murders, while secretly betraying the Colombo crime family as a Top Echelon FBI informant. Lance traces Scarpa's shadowy relationship with the FBI all the way back to 1960, when his debriefings went

straight to J. Edgar Hoover. In forty-two years of murder and racketeering, Scarpa served only thirty days in jail thanks to his secret relationship with the Feds. This is the untold story that will rewrite Mafia history as we know it—a page-turning work of journalism that reads like a Scorsese film. *Deal with the Devil* includes more than 130 illustrations, crime scene photos, and never-before-seen FBI documents.

Murder Machine

Penguin

Soon to be a major motion picture starring Michael Shannon, Winona Ryder, with Ray Liotta and Chris Evans He was smart, merciless, and deadly. And it took someone just as tough to bring him down. A mob

contract killer known as “The Iceman” for hiding a body in an ice-cream truck freezer, Richard Kuklinski boasted a personal body count of more than a hundred victims. Using guns, knives, poison, ice picks, tire irons, baseball bats, and bombs, the family man from New Jersey killed for fun, for money, to cover up his own crimes, and to satisfy his inner rage. Law enforcement officials knew all about Kuklinski and had a list of his victims, but couldn’t get near him—until undercover agent Dominick Polifrone posed as a mobster and began a deadly game of cat and mouse. In this harrowing true-crime account, Anthony Bruno delves into the

mind of a cold-blooded killer, chronicling the Iceman's grisly crimes and probing the bizarre dynamics of Agent Polifrone's dangerous liaison with him. For as Polifrone carefully built up a case against Kuklinksi, he knew he was running out of time—because the Iceman was planning to kill him too. “Bruno puts his writing talents to white-knuckle use with a tight focus on a killer with no human feelings.”—Kirkus Reviews “Excellent . . . [re-creates] the tension and stress Polifrone experienced in fulfilling his risky undercover assignment.”—Publishers Weekly
The Ice Man Harper Collins
 "I didn't quite understand what was going on until I saw him die in front of me.

His body just lay there, without moving. I called out to him several times, but to no success. He was dead. Now I knew I was next. I knew my daddy would make sure I couldn't tell what REALLY happened." So says Richard Kuklinksi, better known as the Iceman. The Devil himself. The monster, in describing his younger brother's death at the hands of their drunken, abusive father. Richard would go on to kill over 125 people - some just for fun. Another prime example of our own society - sometimes beginning at home, with one's own parents - creating our own monsters, serial killers. Some would call Richard Kuklinksi a "hitman," while others would refer to him as

one of the prolific serial murderers of our time. Or was he both? Did he suffer from anti-social and paranoid personality disorder, or was he, as some experts say, just born to kill? Born with an "evil gene" in his blood?

Made Men The Ice Man Confessions of a Mafia Contract Killer When photographs of a kidnapped ten-year-old girl appear in a Dutch magazine devoted to child sex, the distraught family hires ex-cop Frank De Nardo to try to get the child back

The Ice Man Waterside Press Reminiscent of Wiseguy, Mob Boss is a compelling biography from two prominent mob experts recounting the life and times of the first acting

boss of an American Mafia family to turn government witness Alfonso "Little Al" D'Arco, the former acting boss of the Luchese organized crime family, was the highest-ranking mobster to ever turn government witness when he flipped in 1991. His decision to flip prompted many others to make the same choice, including John Gotti's top aide, Salvatore "Sammy the Bull" Gravano, and his testimony sent more than fifty mobsters to prison. In Mob Boss, award-winning news reporters Jerry Capeci and Tom Robbins team up for this unparalleled account of D'Arco's life and the New York mob scene that he embraced for four decades. Until the day he switched sides,

D'Arco lived and breathed the old-school gangster lessons he learned growing up in Brooklyn and fine-tuned on the mean streets of Little Italy. But when he learned he was marked to be whacked, D'Arco quit the mob. His defection decimated his crime family and opened a window on mob secrets going back a hundred years. After speaking with D'Arco, the authors reveal unprecedented insights, exposing shocking secrets and troublesome truths about a city where a famous pizza parlor doubled as a Mafia center for multi-million-dollar heroin deals, where hit men carried out murders dressed as women, and where kidnapping a celebrity newsman's son was

deemed appropriate revenge for the father's satirical novel. Capeci and Robbins spent hundreds of hours in conversation with D'Arco, and exhausted many hours more fleshing out his stories in this riveting narrative that takes readers behind the famous witness testimony for a comprehensive look at the Mafia in New York City.

Britain's First Female Serial Killer Univ. of

Queensland Press

Richard Kuklinski liked watching them die.

Seeing the light in their eyes go out. He enjoyed knowing that the last thing they saw before dying was his face, looking down on them, wearing a big shit-eating grin. He really enjoyed these trips to Manhattan.

Plenty of practice in different ways of killing people. He enjoyed the exercise too. To him, this was all the exercise he needed. Killing people and dumping their bodies off a bridge or slicing their guts open with his knife - to prevent any body gases from building up, so if they were dumped in a body of water they would be sure to sink instead of floating to the surface - and watching them die a slow, excruciating death. He was slowly but surely perfecting his craft. He was only nineteen years old. His reign of terror in within the New Jersey organized crime underworld would last for over two decades before he was put behind bars, but not before he left behind a legacy of murder and

mayhem unlike anything the authorities had ever seen. In *COLD AS ICE*, author David Boyer digs deep into the life - and mind - of one of America's most famous yet feared contract killers, a man so cold and unfeeling toward his victims he was nicknamed The Iceman.

Ramtha, the White Book Dorchester Publishing Company Incorporated
A Kirkus Reviews Best Nonfiction Book of 2021 Family secrets emerge as a best-selling author dives into the history of the mob in small-town America. Best-selling author Russell Shorto, praised for his incisive works of narrative history, never thought to write about his own past. He grew up

knowing his grandfather and namesake was a small-town mob boss but maintained an unspoken family vow of silence. Then an elderly relative prodded: You're a writer—what are you gonna do about the story? *Smalltime* is a mob story straight out of central casting—but with a difference, for the small-town mob, which stretched from Schenectady to Fresno, is a mostly unknown world. The location is the brawny postwar factory town of Johnstown, Pennsylvania. The setting is City Cigar, a storefront next to City Hall, behind which Russ and his brother-in-law, "Little Joe," operate a gambling empire and effectively run the town.

Smalltime is a riveting American immigrant story that travels back to Risorgimento Sicily, to the ancient, dusty, hill-town home of Antonino Sciotto, the author's great-grandfather, who leaves his wife and children in grinding poverty for a new life—and wife—in a Pennsylvania mining town. It's a tale of Italian Americans living in squalor and prejudice, and of the rise of Russ, who, like thousands of other young men, created a copy of the American establishment that excluded him. *Smalltime* draws an intimate portrait of a mobster and his wife, sudden riches, and the toll a lawless life takes on one family. But *Smalltime* is something more. The author

enlists his ailing father—Tony, the mobster's son—as his partner in the search for their troubled patriarch. As secrets are revealed and Tony's health deteriorates, the book becomes an urgent and intimate exploration of three generations of the American immigrant experience. Moving, wryly funny, and richly detailed, *Smalltime* is an irresistible memoir by a masterful writer of historical narrative.

All Fall Down Harper Collins

Richard Kuklinski, aka "the Ice Man," will go down as one of the most vicious killers in history. Responsible for well over 200 murders, he is the man who claims a direct link to the killing of Jimmy Hoffa and he is one of

the reasons for John Gotti's rise to power. the wife of one victim referred to him as "the devil." Yet behind every monster, even the most cold-blooded ones, there lies a human story. After 240 hours of face-to-face interviews with Richard Kuklinski and even more time spent with Kuklinski's family, Philip Carlo reveals all in *The Ice Man*. He led a double life: professional assassin and devoted family man. As described by his wife Barbara, Richard was two people. At times he was a model father that would return home with a car full of groceries and presents, and at other times he was a monster, frequently subjecting Barbara to abuse and leaving their children

to watch in horror. But despite even his worst moments at home, his family never knew of his other life as a top hitman contracted by the bosses of east coast crime families. On the day Richard was arrested, the police found not one single weapon in the house. His family never knew of the nights he would meander into Manhattan's Upper West Side and brutally kill whatever panhandler stepped in his path. In short, Richard Kuklinksi may have been one of the greatest enigmas ever.

PRAISE FOR THE ICE MAN 'A stomach-turning account of the multiple atrocities committed over 43 years by Richard "The Ice Man" Kuklinksi' - Publishers Weekly
His Garden

HarperCollins Australia
The boss of New York's infamous Lucchese crime family, Anthony "Gaspipe" Casso's life in the Mafia was preordained from birth. His rare talent for "earning"—concocting ingenious schemes to hijack trucks, rob banks, and bring vast quantities of drugs into New York—fueled his unstoppable rise up the ladder of organized crime. A mafioso responsible for at least fifty murders, Casso lived large, with a beautiful wife and money to burn. When the law finally caught up with him in 1994, Casso became the thing he hated most—an informer. From his blood feud with John Gotti to his dealings with the "Mafia cops," decorated NYPD

officers Lou Eppolito and Stephen Caracappa, to the Windows case, which marked the beginning of the end for the New York Mob, Gaspire is Anthony Casso's

shocking story—a roller-coaster ride into an exclusive netherworld that reveals the true inner workings of the Mafia, from its inception to the present time.
