 Synopsis. With most of it based on a truck stop called Gil's Pitstop on a Georgia highway, "400 Days" tells five linked stories; each taking place at different points in time and from the point of view of a different survivor, from one day before the undead apocalypse to day 400.. The five stories can be played in any order and will change based on the choices that you make.

 The 400 days vignettes were powerful stories that I love to replay for their flavor and content, and there's a surprising amount of variation possible in certain chapters. Yes, it's disappointing that the characters don't have larger roles in Season 2, but the DLC is thoroughly enjoyable on its own merit.

 why don't I get \$4000 dollars back in my portfolio ? it always seems when the market loses big I lose more money than I get back when the market reaches the same point as before I lost \$4000 when ithe market lost 400 points. I know that these numbers are just paper loses as I am in the market for the long term, but looks to me like I would get the same amount back as i lost.
