Times bestselling author of the Covenant and Lux series comes the second novel in the pulse-pounding, electric Titan series. In The Return, Seth and Josie's story ended on the ultimate cliffhanger. Now, things

are about to get even more dangerous... The Covenant University has become the frontline for the escalating violence between pure-bloods and half-bloods. War between the races seems inevitable, and it couldn't come at a worse time. Seth must prepare Josie for battle, which means teaching her how to control her newfound demigod abilities...and they need to find and rescue the other demigods before their enemies - the Titans - find them first. Only one thing is more dangerous than a bunch of starved Titans, and that's an out-of-control Apollyon in the form of Seth. The aether in Josie is drawing Seth in deeper, and when lust mixes with love and

gives way to power, he knows being close to her is becoming explosively dangerous. But letting her go requires a level of selflessness that just isn't Seth's style. When the danger from the Titans erupts with devastating consequences, the dark allure of power calls to Seth again - but this time, Josie may not be able to pull him back from the brink...

Discourse on the State of the Jews

Jennifer L. Armentrout
"A Must Read Romance. This is one of the best books I've read this year. It has everything a book should have: action, adventure, violence, a butt-kicking heroine and one hot hero."
—USA Today This world is trying to kill Lily Proctor. Her life-

threatening allergies make it increasingly difficult to live a normal life, and after a completely humiliating incident ruins her first (and perhaps only) real party, she's ready to disappear. "Come and be the most powerful person in the world." Suddenly, Lily finds herself in a different Salem. One overrun with horrifying creatures and ruled by powerful women—including Lillian, this world's version of Lily. "It will be terrifying. It was for me." What made Lily weak at home, makes her extraordinary here. It also puts her in terrible danger. Faced with new responsibilities she can barely understand and a love she never expected, Lily is left

with one question: How can she be the savior of this world when she is literally her own worst enemy?

The Hereford Mappa Mundi Bloom Books

The war against the Titans continues, but now the most dangerous, most absolute power lies elsewhere... with Seth. The Great War fought by the few is coming... All may doubt and fear what Seth has become. All except Josie, the woman who might be his final chance at redemption. In the end, the sun will fall... The only way Seth and Josie can save the future

and save themselves is by facing the unknown together. It will take more than trust and faith. It will take love and the kind of strength not easily broken. No matter what, their lives will never be the same. For what the gods have feared has come to pass. The end of the old is here and the beginning of the new has been ushered in...

The Return Harper Collins Italia

The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi-pure-bloods-have godlike powers. Children of Hematoi and mortals-well, not so much. Half-bloods only have two options: become trained Sentinels who hunt and kill daimons or become servants in the homes

of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden. Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem--staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daimon, and being hunted by Aiden.

And that would kind of suck.

INFRANGERESTI PER

STARE CON CHI AMI?

Gli Hematoi

discendono dall'unione di dei e mortali, e i figli di due Hematoi di

sangue puro hanno poteri di origine divina.

I Mezzosangue invece, nati dall'unione tra i figli degli Hematoi e i mortali, hanno solo due possibilità: venire addestrati come

Sentinelle con il compito di combattere e uccidere i daimon, o diventare servitori nelle dimore dei Puri. La diciassettenne Alexandria preferirebbe rischiare la vita lottando piuttosto che sprecarla pulendo pavimenti, ma non è detto che ci riesca. Tra le molte regole che gli studenti del Covenant, come lei, devono seguire e che la mettono in difficoltà, quella che Alex detesta sopra ogni cosa è la numero 1: le relazioni tra Puri e Mezzosangue sono proibite. Perché lei è attratta da Aiden, bellissimo e... Puro. Il suo più grande problema, però, non è tanto rischiare di innamorarsi di lui, quanto rimanere viva abbastanza a lungo da diventare Sentinella. Se fallisse, infatti,

dovrebbe fronteggiare un futuro più terribile della morte o della schiavitù: diventerebbe un daimon, e Aiden le darebbe la caccia...

My Father's Words

Hachette UK
 Between 1838 and
 1888 the recently
 formed Zulu kingdom
 in southeastern Africa
 was directly challenged
 by the incursion of
 Boer pioneers
 aggressively seeking
 new lands on which to
 set up their
 independent republics,
 by English-speaking
 traders and hunters
 establishing their
 neighboring colony,
 and by imperial Britain
 intervening in Zulu
 affairs to safeguard
 Britain's position as the
 paramount power in
 southern Africa. As a
 result, the Zulu fought
 to resist Boer invasion
 in 1838 and British
 invasion in 1879. The

internal strains these
 wars caused to the
 fabric of Zulu society
 resulted in civil wars in
 1840, 1856, and
 1882-1884, and
 Zululand itself was
 repeatedly partitioned
 between the Boers and
 British. In 1888, the old
 order in Zululand
 attempted a final,
 unsuccessful uprising
 against recently
 imposed British rule.
 This tangled web of
 invasions, civil wars,
 and rebellion is
 complex. The Historical
 Dictionary of the Zulu
 Wars unravels and
 elucidates Zulu history
 during the 50 years
 between the initial
 settler threat to the
 kingdom and its final
 dismemberment and
 absorption into the
 colonial order. A
 chronology, an
 introductory essay, a
 bibliography, maps,

photos, and over 900 cross-referenced dictionary entries that cover the military, politics, society, economics, culture, and key players during the Zulu Wars make this an important reference for everyone from high school students to academics. *Oblivion* Hachette UK History is on repeat, and things didn't go so well the last time. Alexandria isn't sure she's going to make it to her eighteenth birthday--to her Awakening. A long-forgotten, fanatical order is out to kill her, and if the Council ever discovers what she did in the Catskills, she's a goner... and so is Aiden. If that's not freaky enough, whenever Alex and Seth spend time "training"--which really

is just Seth's code word for some up-close and personal one-on-one time--she ends up with another mark of the Apollyon, which brings her one step closer to Awakening ahead of schedule. Awesome. But as her birthday draws near, her entire world shatters with a startling revelation and she's caught between love and Fate. One will do anything to protect her. One has been lying to her since the beginning. Once the gods have revealed themselves, unleashing their wrath, lives will be irrevocably changed and destroyed. Those left standing will discover if love is truly greater than Fate... *Religious Narratives in Italian Literature after the Second Vatican Council* Entangled: Teen

Entering the Agon

Cambridge University Press

From the New York Times bestselling author of Deacon King Kong and The Good Lord Bird, winner of the National Book Award for Fiction: The modern classic that Oprah.com calls one of the best memoirs of a generation and that launched James McBride's literary career. More than two years on The New York Times bestseller list. As a boy in Brooklyn's Red Hook projects, James

McBride knew his mother was different. But when he asked her about it, she'd simply say 'I'm light-skinned.' Later he wondered if he was different too, and asked his mother if he was black or white. 'You're a human being! Educate yourself or you'll be a nobody!' she snapped back. And when James asked about God, she told him 'God is the color of water.' This is the remarkable story of an eccentric and determined woman: a rabbi's daughter, born in Poland and raised in the Deep South who fled to Harlem, married a black preacher, founded a Baptist church and put twelve children through college. A celebration of resilience, faith and forgiveness, *The Color of Water* is an eloquent

exploration of what family really means. *Obsidian* HarperCollins Enter the world of Covenant... Alex has Awoken and become the Apollyon. She has connected with Seth and now the thing she feared most has happened: her true self has been lost. But love is stronger than fate, and Aiden St. Delphi will do anything to break the connection and get Alex back. And then there's the fact that the whole Alex-and-Seth combination is pretty dangerous: if Seth drains Alex of her power, he'll become the God Killer and the most powerful being on the planet. The one person needed to stop the impending destruction has been dead for centuries - and Alex will have to search for him in the

Underworld. Finding her way into the Underworld to search for one soul among countless millions will be hard enough. Returning will be even harder. Alex needs to prevent Seth from becoming the God Killer...but the cost will be higher than she ever imagined.

Till Death

HarperCollins

Expressing yourself from behind a screen has always been the easy way out; and for *Lady O* - pen name of Olyvia Cardoso - writing in this way makes her life lighter, less complicated, and easier to bear.

Especially when she thinks of her past, and the oppression that came with it. Especially when she lives and breathes the insecurities her mother planted firmly inside her. Through the pages of her books, and the words of her newspaper column, the Upper East Side's most infamous journalist demolishes men one-by-one, always fighting the corner of each woman who writes to her. She forgets, briefly, that these same men were the ones who caused her so much pain during her teenage years. But she can never fully forget - not about everything. Suddenly, Gerard Gordon comes crashing back into Olyvia's life: one of the main contributors to her suffering all those

years ago. Spiteful, arrogant, deceitful...or so it seemed. Could it be possible that this cursed angel, with his sparkling sapphire eyes and spellbinding smile, is exactly who he claims to be? A neurosurgeon who is so fascinated by Olyvia that he wants to protect her, even from herself? From the brilliant mind of Charlotte Lays, best-selling Italian author, comes this moving, ingenious novel, laden with emotion... Because, often, looks can be deceiving - and beauty does not always come from the heart. Charlotte Lays Pseudonym of Carlotta Pugi, born in 1980, who lives in Montale: a pretty little town embedded in the rolling Tuscan hills. She is lucky enough to

White Hot Kiss

Scarecrow Press

This book presents a semiotic study of the re-elaboration of Christian narratives and values in a corpus of Italian novels published after the Second Vatican Council (1960s). It tackles the complex set of ideas expressed by Italian writers about the biblical narration of

human origins and traditional religious language and ritual, the perceived clash between the immanent and transcendent

nature and role of the Church, and the problematic notion of sanctity emerging from contemporary narrative.
