""Sometimes dead is better....""

When the Creeds move into a beautiful old house in rural Maine, it all seems too good to be

true: physician father, beautiful wife, charming little daughter, adorable infant son -- and now an idyllic home.

As a family, they've got it all...right down to the friendly cat. But the nearby woods hide a blood-chilling truth -- more terrifying than death

itself...and hideously more powerful.

Longman

A previously unpublished tale, woven by the master storyteller Stephen King, about the relativity of time--given yet another dimension by Barbara Kruger's urgent and elegant illustrations and graphics. 25 two-color reproductions. *Pet Sematary* Simon and Schuster #1 New York Times bestselling author Stephen King's novella *The Sun Dog*, published in his award-winning 1990

story collection Four Past Midnight, now available for the first time as a standalone publication. The dog is loose again. It is not sleeping. It is not lazy. It's coming for you. Kevin Delevan wants only one thing for his fifteenth birthday: a Polaroid Sun 660. There's something wrong with his gift, though. No matter where Kevin Delevan aims the camera, it produces a photograph of an enormous, vicious dog. In each successive picture, the menacing creature draws nearer to the flat surface of the Polaroid film as if it intends to break through. When old Pop Merrill, the town's sharpest trader, gets wind of this phenomenon, he envisions a way to profit from it. But the Sun Dog, a beast that shouldn't exist at all, turns out to be a very dangerous investment. Coronet
